## REPORT OF INDEPENDENT AUDITORS

Plan Administrator / Board of Directors  
Hancock Physician Network 403(b) Plan  
Greenfield, Indiana

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the financial statements of the Hancock Physician Network 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (collectively the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statement's section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Plan Administrator / Board of Directors  
Hancock Physician Network 403(b) Plan  
Greenfield, Indiana

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# HANCOCK PHYSICIAN NETWORK 403(B) PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

---

### 1. DESCRIPTION OF THE PLAN

The Hancock Physician Network 403(b) Plan (the Plan) is a volume submitter defined contribution plan established by Hancock Physician Network, LLC (the Plan Sponsor), effective January 1, 2021. The following description of the Plan provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan qualifying under Section 403(b) of the Internal Revenue Code (IRC) covering substantially all employees of the Plan Sponsor. The Plan provides for retirement benefits, and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

#### Recent Legislative Changes for Retirement Plans

The Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 was effective on January 1, 2020. The SECURE Act is intended to address the difficulty in saving and investing for retirement for Americans. Provisions include, but are not limited to, incentives for employers to offer retirement plans by providing tax credits, delaying the commencement date for required minimum distributions, providing benefits to part-time employees, and allowing penalty free withdrawals for certain life changing events. The Coronavirus Aid, Relief, and Economic Security (CARES) Act was passed in March 2020. The CARES Act primarily enhances the ability of participants to access their funds through increased loan limits and hardship distributions among others. The optional features within these Acts are currently being assessed but have not been implemented to date.

#### Eligibility, Contributions and Funding Policy

For salary deferral contributions, employees are eligible upon hire. Each year, participants may contribute up to the legal maximum of pretax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan has elected an automatic salary deferral percentage of 6%, unless selected otherwise, with an annual automatic escalation of 1% up to a maximum of 10%. The annual automatic escalation occurs as soon as administratively practicable on or after the first day of plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. For Plan Sponsor matching contributions, employees are eligible upon the first day of the month coinciding with or following completion of 500 hours of service in six months. The Plan Sponsor matches the participant contribution at 100% up to 6% of the participant contribution.

#### Participant Investment Account Options

Participants may change deferral percentages or amounts daily. Participants have the option of directing their contributions into any of the separate investment accounts offered by the Plan and may change the allocation daily. The Plan offers various mutual funds and money market mutual funds as investment options for participants.

## **HANCOCK PHYSICIAN NETWORK 403(B) PLAN**

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

---

#### Compensation

Participant compensation is defined by the Plan as wages, tips and other compensation on Form W-2 with certain exclusions.

#### Participant Accounts

Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contributions, allocations of earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on participant account balances or earnings (losses), as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

#### Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Plan Sponsor matching contributions are fully vested after three eligible years. An eligible year is generally measured in 12-month periods, starting with date of hire.

#### Forfeited Accounts

The non-vested portion of the participant's account upon termination and such events is called a forfeiture. Forfeitures are used to pay certain Plan administrative expenses. Any remaining forfeitures will be reallocated to reduce future Plan Sponsor matching contributions. During 2021, participants forfeited approximately \$14,000 of non-vested accounts. Also during 2021, forfeitures of approximately \$13,000 were used in accordance with the plan document. As of December 31, 2021, forfeited non-vested accounts approximated \$1,000.

#### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than one loan can be outstanding for any participant at any one time and is secured by the balance in the participant's account. All loans must be repaid in level payments through payroll deductions on at least a quarterly basis over a five-year period unless it is for the purchase of a principal residence in which case the loan repayment period may not extend beyond a ten-year period from the date of the loan. The trustee shall consider a loan in default if any scheduled repayment remains unpaid as of the last business day of the calendar quarter following the calendar quarter in which a loan is initially considered past due. A loan in default is deemed a benefit payment. Principal and interest are paid through payroll deductions. The individual loan balances range from approximately \$400 to \$44,000 and bear interest ranging from 4.25% to 6.50%. The loans are due through 2031.

## **HANCOCK PHYSICIAN NETWORK 403(B) PLAN**

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021**

---

#### Payment of Benefits

In general, on termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the vested value of the account or equal installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a direct rollover into another qualified plan.

#### Expenses of the Plan

The Plan Sponsor pays certain expenses of the Plan, including accounting and other administrative fees.

#### Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## **2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

#### Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan values its investments at fair value for financial reporting purposes. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in fair value of investments are reflected in the statement of changes in net assets available for benefits in the year in which such changes occur. Changes in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Each individual investment offered to the participants has varying investment objectives. Participants should refer to the plan administrator, trustee, or recordkeeper for a more complete description of the investment objectives.

## HANCOCK PHYSICIAN NETWORK 403(B) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

---

#### Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in Plan investments. Management believes that the trustee maintains the Plan's investments with high quality institutions and attempts to limit the credit exposure to any particular investment.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses was recorded as of December 31, 2021. Delinquent participant loans are reclassified as benefit payments based upon the terms of the plan document.

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and generally include audit fees and legal fees. As such, these expenses are excluded from these financial statements. Administrative expenses incurred by the Plan include record keeping fees. Advisory fees and certain other fees are also charged to the Plan.

#### Subsequent Events

The Plan has evaluated subsequent events through September 16, 2022, the date the financial statements were available to be issued.

### **3. INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, State Street Bank and Trust Company, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statement of net assets available for benefits as of December 31, 2021, and investment related activity reflected in the statement of changes in net assets available for benefits for the year then ended.

### **4. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

## HANCOCK PHYSICIAN NETWORK 403(B) PLAN

### NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021

---

The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

- *Money market mutual funds:* Generally transact subscription and redemption activity at a \$1 stable net asset value (NAV) however, on a daily basis the funds are valued at their daily NAV calculated using the amortized cost of the securities held in the fund.
- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2021 as follows:

|                           | Total                | Level 1              | Level 2           | Level 3       |
|---------------------------|----------------------|----------------------|-------------------|---------------|
| Assets                    |                      |                      |                   |               |
| Money market mutual funds | \$ 232,217           | \$ -0-               | \$ 232,217        | \$ -0-        |
| Mutual funds              | 27,839,697           | 27,839,697           | -0-               | -0-           |
|                           | <u>\$ 28,071,914</u> | <u>\$ 27,839,697</u> | <u>\$ 232,217</u> | <u>\$ -0-</u> |

## 5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor and certain others.

---

## **HANCOCK PHYSICIAN NETWORK 403(B) PLAN**

### **NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021**

---

Transactions with parties-in-interest included fees to State Street Bank and Trust Company, the trustee of the Plan and Transamerica Retirement Solutions, the recordkeeper of the Plan. Additionally, the Plan held party-in-interest investments with the trustee as of December 31, 2021. Notes receivable from participants as of December 31, 2021 were payable to the trustee and qualified as party-in-interest transactions.

Certain expenses, such as audit fees and legal fees, of the Plan are paid by the Plan Sponsor. Blue & Co., LLC is the independent auditor for the Plan and receives payment for those services. The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. These expenses qualified as party-in-interest transactions.

#### **6. INCOME TAX STATUS**

The Internal Revenue Service has established a program to issue opinion and advisory letters for certain prototype and volume submitter 403(b) plans effective June 28, 2013. In an advisory letter dated March 31, 2017, the Internal Revenue Service stated that the form of the volume submitter document adopted by the Plan, as then designed, satisfied the qualification requirements of Section 403(b) of the Internal Revenue Code (IRC). The Plan has not obtained or requested an individual determination letter. However, the Plan Sponsor believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC and that the Plan was qualified and the related trust was exempt as of the financial statement date.

#### **7. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

#### **8. SUBSEQUENT EVENT**

Subsequent to year end, the Plan Sponsor made a decision to change the Plan's recordkeeper and trustee, transitioning from Transamerica Retirement Solutions to Empower Retirement, LLC and State Street Bank and Trust Company to Great-West Life and Annuity Insurance Company, respectively, effective approximately October 1, 2022.
