In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis For Opinion On The 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities Of Management For The 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities For The Audit Of The 2021 Financial Statements***

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit For The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required By ERISA***

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report On The 2020 Financial Statements*

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report, dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department Of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2021 And 2020**

**1. Description Of The Plan**

The following description of the Tighe Warehousing & Distribution, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**Organization**

Effective January 1, 1992, Tighe Warehousing & Distribution, Inc. established a defined contribution profit sharing plan under the provisions of Internal Revenue Code (the Code) Section 401(k). The Plan was restated effective January 1, 2007 when its investment and administrative functions were taken over by Ascensus LLC (Ascensus). The Plan was most recently restated on May 1, 2021. The participant-directed plan is for a controlled group of corporations which comprise Tighe Warehousing & Distribution, Inc. and Tighe Trucking, Inc. (collectively, the Employer or the Company); these companies share common ownership, operations and management.

**General**

The Plan is a defined contribution plan covering all eligible full-time employees of the Company, as defined. Effective May 1, 2021, participants are eligible to enter the Plan immediately upon attainment of age 18. Prior to May 1, 2021, participants were eligible to enter the Plan immediately upon completing one year of service and attaining age 18. Ascensus provides recordkeeping for the Plan, and also serves as agent for Ascensus Trust Company, the Trustee for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). All investments are participant-directed.

**Participant Contributions**

Participants may defer up to 100% of their eligible compensation, as defined by the Plan, up to a dollar limit established under Internal Revenue Service (IRS) guidelines. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and individual retirement accounts (rollover).

Notes To Financial Statements *(Continued)*

**Employer Profit Sharing Contributions**

The Employer, at its discretion, may make profit sharing contributions to the Plan as determined by its Board of Directors. Profit sharing contributions are allocated based on the ratio of a participant's eligible compensation to the total compensation paid to all participants in the Plan year. Effective May 1, 2021, to be eligible for profit sharing contributions, a participant must have completed a year of eligibility service and be employed by the Company as of the last day of the Plan year. Prior to May 1, 2021, to be eligible for profit sharing contributions, a participant must have completed at least 1,000 hours during the Plan year and be employed by the Company as of the last day of the Plan year. For the year ended December 31, 2021, no discretionary profit sharing contributions were made. For the year ended December 31, 2020, the Company made discretionary profit sharing contributions totaling \$100,000.

**Employer Matching Contributions**

The Employer, at its discretion, may elect to make a matching contribution. Effective May 1, 2021, a participant is entitled to Employer matching contributions after completing six consecutive months of eligibility service. Prior to May 1, 2021, a participant was eligible for Employer matching contributions once enrolled in the Plan and making deferral contributions. Commencing May 1, 2021, the Company made discretionary matching contributions equal to 50% of the first 4% of participant's employee contributions, determined on a payroll by payroll basis. For the year ended December 31, 2021, the Company made matching contributions totaling \$72,245. For the year ended December 31, 2020, no matching contributions were made.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the respective Employer contributions and an allocation of the Plan's net change in fair value of investments and is charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

**401(k) PROFIT SHARING PLAN**

Notes To Financial Statements (*Continued*)

**Vesting**

Participants are immediately vested in their respective deferral and rollover contributions plus allocated earnings thereon. Vesting in the Company's contributions is based on years of service. The Plan provides vesting in the Company's discretionary matching and profit sharing contributions of 20% after two years of service, 40% after three years of service, 60% after four years of service, 80% after five years of service and 100% after six years of service. Upon death, disability, or attainment of normal retirement age, a participant is fully vested in all of their accounts.

**Forfeitures**

At the Company's discretion, forfeited nonvested account balances may be used to reduce future Employer contributions or offset Plan expenses. Forfeitures which were utilized to reduce Plan expenses for the years ended December 31, 2021 and 2020 were \$2,616 and \$2,505, respectively. At December 31, 2021 there were no available forfeited nonvested balances. At December 31, 2020, available forfeited nonvested accounts totaled \$866.

**Notes Receivable From Participants**

Participants may borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may only have two loans outstanding at a time. Loan terms may be for up to five years (or up to twenty-five years for the purchase of a primary residence). The loans are secured by the vested balance in the participant's account and bear interest at a fixed rate as determined by the Plan Administrator at the time the loan is made. Principal and interest are paid ratably through payroll deductions. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant's loan balance is reduced and a benefit payment is made in accordance with the Plan Agreement.

Pursuant to the Coronavirus Aid, Relief, and Economic Security (CARES) Act enacted in March 2020, Plan participants could request a delay of note repayments for repayments that occurred between March 27, 2020 and December 31, 2020. If a delay was granted, the participant note was reamortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. In addition, the limit on notes receivable was increased to \$100,000 or 100% of the participant's vested account balance. The increased loan limit was available for 180 days after the enactment of the CARES Act.

Notes To Financial Statements (*Continued*)

**Payment Of Benefits**

Upon termination of service due to death, disability, voluntary termination, or retirement, a participant or beneficiary may elect to receive a lump-sum distribution, partial distribution, or installment payments in an amount equal to the value of the participant's vested interest in his or her account. The payment can either be a cash distribution to the participant or a tax-free rollover to an individual retirement account or another qualified plan. If a participant's vested account is more than \$1,000 but less than \$5,000, the Plan Administrator, after notification, may distribute the account balance into an individual retirement account. If the vested account balance is less than \$1,000, the Plan Administrator, after notification, may distribute the account balance to the participant.

In service withdrawals from a participant's vested account balances are permitted upon reaching age 59½. In service withdrawals are also permitted due to financial hardship, as defined in the Plan Agreement. Hardship withdrawals may be taken from the participant's deferral contributions, vested Employer profit sharing contributions, vested Employer matching contributions or rollover account, without respect to earnings.

The Plan also permitted participants to request up to \$100,000 in coronavirus related distributions, with repayment terms of up to three years, in accordance with the CARES Act. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

**2. Summary Of Significant Accounting Policies**

**Basis Of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use Of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Notes To Financial Statements *(Continued)*

**Investment Valuation And Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable From Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued, but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan Agreement. No allowance has been recorded as of December 31, 2021 and 2020.

**Payment Of Benefits**

Benefits are recorded in the period in which the participants are paid.

**Excess Contributions Refundable**

Amounts refundable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to participant deferrals.

**Administrative Expenses**

Expenses incurred in the administration of the Plan are paid by the Company unless the Company directs that such expenses shall be paid by the Plan. Participant loan set-up and maintenance fees are paid directly by the participants through a reduction in their account. Other fees such as investment advisory and management fees and recordkeeping fees are paid by the Plan through a shared reduction to individual participant accounts.

**Subsequent Events**

Management evaluates subsequent events through the date financial statements were available for issue, which is the date of the Independent Auditors' Report

**4. Fair Value Measurements**

The Plan utilizes an established framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**Common/Collective Trust**

Valued at the net asset value (NAV) of units of the individual fund. The NAV, as provided by the trustee of the invested fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The common/collective trust held by the Plan is redeemable daily, and files an annual report on Form 5500 as a direct filing entity. There were no unfunded commitments at December 31, 2021 and 2020.

**Mutual Funds**

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodologies used at December 31, 2021 or 2020.

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

## **5. Risks And Uncertainties**

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**6. Plan Termination**

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of such termination, Participants will become fully vested in their accounts.

**7. Party In Interest Transactions**

Certain employees have outstanding loans with the Plan. These loans are considered exempt party in interest transactions as defined by ERISA.

**8. Income Tax Status**

The Plan adopted a pre-approved plan document, which received an opinion letter from the IRS dated June 30, 2020, stating that the prototype was designed in accordance with the applicable sections of the Code. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving this letter. However, the Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
