**INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
Venture Inc. of Beaufort 401(k) Plan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements**

We were engaged to perform an audit of the financial statements of Venture Inc. of Beaufort 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Disclaimer of Opinion on the 2021 Financial Statements**

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

**Basis for Disclaimer of Opinion on the 2021 Financial Statements**

The Plan does not have sufficient accounting records and supporting documents relating to certain participant account balances that merged into the Plan. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

## **Other Matter – 2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on the supplemental schedule.

## **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by Ascensus Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds

the Plan's investment assets and executes transactions. The Plan Administrator had obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate. ”

In our report dated September 22, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

**A. Description of Plan**

The following description of the Venture Inc. of Beaufort 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

1. General. The Plan is a defined contribution plan covering employees, excluding non-resident aliens, of Venture Inc. of Beaufort (the "Company") who have one year of service and are age eighteen or older. The Board of Directors of the Company controls and manages the operation and administration of the Plan. Ascensus Inc., as an agent for Ascensus Trust Company, serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").
2. Contributions. Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan Document, subject to certain Internal Revenue Code ("IRC") limitations. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans and certain individual retirement accounts. For the 2020 Plan year, the Plan Sponsor made a matching contribution of the lesser of fifty percent (50%) of the participant's deferrals or fifty percent (50%) of six percent (6%) of the participant's compensation. For the 2021 Plan year, the Plan Sponsor made a matching contribution of the lesser of one hundred percent (100%) of the participant's deferrals or one hundred percent (100%) of six percent (6%) of the participant's compensation on participant contributions made after April 30, 2021. Contributions are subject to certain limitations.
3. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings (losses), and charged with benefit payments, transaction fees related to notes receivable from participants and distributions, and allocations of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Investment Options. Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers mutual funds and money market funds as investment options for participants.
5. Payment of Benefits. On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various installment and annuity options as provided by the Plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Amounts contributed on a before-tax basis may only be withdrawn upon demonstration of financial hardship, disability, or after the participant reaches the age of 59.5 years.
6. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of service. A participant is one hundred percent (100%) vested after six years of credited service.
7. Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear

See independent auditors' report.

interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. At December 31, 2021, outstanding loans bore interest rates ranging from 3.25% to 5.50%. Principal and interest are paid ratably through payroll deductions.

8. Forfeitures. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,146 and \$0, respectively. These accounts will be used to reduce administrative expenses and then future employer contributions.

## **B. Summary of Accounting Policies**

1. Date of Management's Review. Subsequent events were evaluated through August 8, 2022, which is the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements
2. Basis of Accounting. The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").
3. Use of Estimates. The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates and assumptions.
4. Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits. Benefits are recorded upon distribution.
6. Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.
7. Administrative Expenses. The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan Document. Certain administrative functions are performed by employees of the Company.

No such employee receives compensation from the Plan. Expenses relating to specific participant transactions (notes receivable from participants and distributions) are charged directly to the participant's account.

## **C. Related-Party Transactions**

The Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. The Plan Sponsor also incurs some expenses on behalf of the Plan, which are both individually and collectively immaterial in amount.

See independent auditors' report.

The Vanguard Group, Inc. dba Vanguard Retirement Plan Access Services (VRPAS) serves as the third-party administrator ("TPA") and manages the day to day operations of the Plan. To facilitate these services, VRPAS contracts Ascensus, Inc. In addition, VRPAS provides certain administrative services to the Plan pursuant to a recordkeeping service agreement, and therefore these transactions qualify as exempt party-in-interest transactions. VRPAS may receive revenue from mutual funds service providers for services they provide to the funds. This revenue is credited back directly to the participant accounts to offset any fees charged to the Plan. The Plan paid \$22,174 and \$20,556 to VRPAS in 2021 and 2020, respectively.

Carolina Qualified Retirement Plan Advisers, LLC serves as the plan advisor and provides investment management services to the Plan. The Plan paid \$24,370 and \$18,851 to Carolina Qualified Retirement Plan Advisers, LLC in 2021 and 2020, respectively.

**D. Information Prepared and Certified by Trustee**

The following information included in the accompanying financial statements and Schedule I was obtained from data that has been prepared and certified to as complete and accurate by Ascensus Trust Company in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

|                                               | <u>2021</u> | <u>2020</u> |
|-----------------------------------------------|-------------|-------------|
| Investments, at fair value                    | 9,254,747   | 7,236,038   |

| Interest income from notes receivable         | 6,719       | 8,958       |

**E. Tax Status**

The Plan utilizes a prototype plan which obtained a determination letter dated January 1, 2018, in which the Internal Revenue Service (the "IRS") stated that the Plan, as then designed, was in compliance with the applicable requirement of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Form 5500 for the Plan remains open for audit for the 2019, 2020, and 2021 year ends. The company expenses any applicable penalties and interest as paid.

**F. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become one hundred percent (100%) vested in their accounts.

See independent auditors' report.

**G. Fair Value Measurements**

Fair value as defined under GAAP, is an exit price representing the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. GAAP establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value. These tiers include:

- Level 1:** Observable inputs such as quoted prices in active markets.
- Level 2:** Inputs other than quoted prices in active markets that are either directly or indirectly observable.
- Level 3:** Unobservable inputs about which little or no market data exists, therefore requiring an entity to develop its own assumptions.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment, and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual Funds**

All investments consist of mutual funds that are publicly traded investments valued daily at the closing price reported on the active market on which the funds are traded. These investments are classified as Level 1 inputs in the fair value hierarchy.

The Plan recognizes transfers between the levels as of the actual date of the event or change in circumstances that caused the transfer. There were no gross transfers between the levels for the year ended December 31, 2021.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**H. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
