INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Atlantic Concrete Company, Inc. 401(k) Plan
812 Northeast Front Street
Milford, Delaware 19963

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Atlantic Concrete Company, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Atlantic Concrete Company, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Concrete Company, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Atlantic Concrete Company, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Atlantic Concrete Company, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Atlantic Concrete Company, Inc. 401(k) Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 27 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ATLANTIC CONCRETE COMPANY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN

The following description of the Atlantic Concrete Company, Inc. 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. Atlantic Concrete Company, Inc. (Company) is the Plan sponsor and includes eligible employees of the Company.

General

The Plan is a defined contribution plan which was originally adopted effective April 1, 2007. The plan covers all eligible employees who have completed 3 months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may elect to defer a portion of their compensation up to the maximum allowable amount; after-tax Roth contributions are also permitted. Safe-harbor matching contributions are made by the Company equal to the participants' contribution that are not in excess of 4% of the participants' compensation. Contributions are subject to certain IRS limitations. With the consent of the administrator, participants may also contribute amounts representing distributions from other qualified plans (rollovers). The Company's matching contributions were \$237,340 and \$232,640 for 2021 and 2020, respectively.

Participant Accounts

Participants are provided a selection of investments in which to invest contributions as permitted by the Plan. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings; and charged with an allocation of administrative fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on completing 1,000 hours of service.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions in any of the variety of investment options.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate. Principal and interest is paid ratably through payroll deductions.

As of December 31, 2021 and 2020, the Plan had outstanding loans to participants with principal balances totaling \$146,661 and \$158,654, respectively.

ATLANTIC CONCRETE COMPANY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1: DESCRIPTION OF PLAN (CONT'D)

Payment of Benefits, Withdrawals

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments, as elected by the participant. If the participant does not make an election prior to the designated time period, payment of any benefits provided shall be made in the form of a single sum payment to the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, according to provisions of the plan document.

Hardship withdrawals are allowed depending on certain Plan limitations and specified criteria.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited accounts totaled \$556 and \$552, respectively. Forfeitures are available to reduce future employer contributions or pay Plan expenses.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America, except for distributions paid to participants which are presented on the cash basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income, if any.

In accordance with the policy of stating investments at fair value, net appreciation as reflected in the statement of changes in net assets available for Plan benefits represents realized and unrealized gains (losses) for investments bought, sold and held during the year.

ATLANTIC CONCRETE COMPANY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of the Plan and notes receivables from participants are charged directly to the participants' account and are included in administrative expenses.

Subsequent Events

The Plan has evaluated subsequent events through September 2, 2022, which is the date that these financial statements were available to be issued.

Note 3: INVESTMENTS, NOTES RECEIVABLE AND CERTIFICATION

The Plan's investments and notes receivable were held by a trust company, Transamerica Financial Life Insurance Company (Transamerica) for the years ended December 31, 2021 and 2020 and are certified to as complete and accurate by the trustee. The following table presents investments.

Note 4: FAIR VALUE MEASUREMENTS

As indicated in the preceding notes, the FASB establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the FASB are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts – Valued at the net asset value (NAV) of the units held by the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on fair value of the underlying investments held by the fund.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ATLANTIC CONCRETE COMPANY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5: INSURANCE COMPANY CONTRACT

In 2012, the Plan entered into a contract with Transamerica. The fixed account investment option portion of the agreement is considered a fully benefit-responsive contract. The contributions are maintained in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative fees. The monthly contract credit rate throughout 2021 and 2020 was .83% and .9%, respectively. The contract is included in the financial statements at the value reported by the insurance company. At December 31, 2021 and 2020, the contract is valued at \$174,504 and \$172,725, respectively.

Contract value is the relevant measure for fully benefit responsive contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the agreement. Participants may direct permitted withdrawals and or transfers of all or a portion of their account balance at contract value.

Note 5: INSURANCE COMPANY CONTRACT (CONT'D)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be effected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events may include: amendments to the Plan document; bankruptcy of the Plan sponsor; failure of the trust to qualify for exemption from federal income taxes or any requirement under ERISA; and or premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, the issuer may change the contract to the extent it is required or deemed necessary to conform the contract to applicable law and regulatory requirements.

Further, certain events may allow the issuer to terminate the contract with the Plan upon proper notice.

Note 6: PLAN ADMINISTRATION COSTS

The Company may elect to pay some of the Plan's administrative costs and not seek reimbursement from the Plan. The Plan did pay certain investment and custodian fees of \$4,989 and \$4,537, in 2021 and 2020, respectively.

Note 7: RELATED PARTY TRANSACTIONS

The Plan invests in investments managed by Transamerica. Transamerica acts as custodian for those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

Note 8: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all contributions will be discontinued and all Plan participants will become fully vested in their accounts.

ATLANTIC CONCRETE COMPANY, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

ote 9: TAX STATUS

In a letter dated September 30, 2014, the Internal Revenue Service stated that the volume submitter profit sharing plan adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the Internal Revenue Code and therefore, no provision for income taxes has been made in these financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. The Plan administrator has reviewed and evaluated its tax positions taken in its previously filed annual reports and returns with the Internal Revenue Service and or Department of Labor, and those expected to be filed in the future, and has concluded that in the event of an examination by regulatory authorities, the Plan's positions would more likely than not prevail based upon the technical merit of such positions. Therefore the Plan has concluded that no further benefits or liabilities are required to be recognized or disclosed in the financial statements. The Plan is generally subject to routine audits by the Internal Revenue Service and or Department of Labor; however there are currently no audits for any periods in progress.

Note 10: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

With regard to concentrations, approximately 25% and 27% of the Plan's investments were concentrated with one fund, as of December 31, 2021 and 2020, respectively. A significant decline in the market value of this fund would significantly affect the net assets available for benefits.

Note 11: RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the financial statements to the Form 5500 as of December 31:
