Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Athens Paper Company, Inc. 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Athens Paper Company, Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ATHENS PAPER COMPANY, INC.
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN AND SUMMARY OF ACCOUNTING POLICIES

The following description of the Athens Paper Company, Inc. 401(K) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan and Trust Agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan maintained under Section 401(k) of the Internal Revenue Code and covers all eligible employees of Athens Paper Company, Inc. (the “Company”) who have completed minimum service requirements of 1,000 hours of employment during a plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting and are presented in accordance with the reporting guidelines recommended in Audits of Employee Benefit Plans, an industry audit guide of the American Institute of Certified Public Accountants.

Contributions

Participants may elect to make contributions through payroll withholdings, as defined in the Plan and Trust Agreement, within IRS limits (maximum of \$19,500 for 2021 and 2020, individuals age 50 or over, an additional catch-up contribution up to \$6,500 is permitted for 2021 and 2020).

Optional match

The employer shall contribute an amount (if any) equal to a percentage of each participant’s 401(k) salary reduction contributions and/or thrift contributions for the plan year as specified by resolution of the Board of Directors each plan year. The amount of matching contributions may be subject to a maximum as specified by the Board of Directors. Only a single matching percentage and/or maximum shall be permitted under this option in any plan year. The matching percentage and any maximum shall be applied uniformly to all participants. The Board of Directors elected to contribute an optional match of \$250,000 and \$100,000 for the years ended December 31, 2021 and 2020, respectively.

DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN AND SUMMARY OF
ACCOUNTING POLICIES - Continued

Discretionary profit sharing contributions

The employer may make discretionary profit sharing contributions to the Plan each year equal to an amount determined by resolution of the Board of Directors. This contribution is allocated to participants in a ratio that the compensation of each eligible participant bears to the total compensation of all eligible participants. The Board of Directors elected not to make discretionary profit sharing contributions for the years ended December 31, 2021 and 2020.

The optional match and/or the discretionary profit sharing contribution are allocated to participants who complete at least 501 hours of service during the plan year.

Participant Accounts

Each participant's account is credited with the participant's contributions, any employer matching contributions and an allocation of (a) the Company's discretionary contributions, (b) Plan earnings and (c) administrative expenses. Plan earnings are allocated on the basis of beginning account balances plus one-half of employee deferrals, less distributions and forfeitures for each individual participant. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are vested in employer contributions and related earnings allocated to their accounts based on years of continuous service. A participant is 100% vested after three years of credited service.

Payment of Benefits

On retirement, death, disability, or termination of service, participants receive payment of their individual vested account balances based on options as defined in the Plan and Trust Agreement.

Valuation of Investments and Income Recognition

Investments are stated at fair value except for the fully benefit responsive group annuity contract, which is reported at contract value as determined and certified by the plan trustee, Great-West Life & Annuity Insurance Company, for 2021 and 2020 (see Notes C and I).

ATHENS PAPER COMPANY, INC.
401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN AND SUMMARY OF
ACCOUNTING POLICIES - Continued

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. The loans are secured by the balance in the participants' accounts and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the plan administrator. Defaults on loans will reduce a participant's nonforfeitable accrued benefit by the lesser of the amount in default (plus accrued interest) or the Plan's security interest in that nonforfeitable accrued benefit.

Fair Value Measurements

Assets and liabilities recorded at fair value in the statements of net assets available for benefits are categorized based on the level of judgment associated with the inputs used to measure their fair value. Level inputs, as defined by ASC 820, *Fair Value Measurements and Disclosures*, are as follows:

Level 1 - Values are unadjusted quoted prices for identical assets or liabilities in active markets accessible at the measurement date.

Level 2 - Inputs include quoted prices for similar assets or liabilities in active markets, quoted prices from those willing to trade in markets that are not active, or other inputs that are observable or can be corroborated by market data for the term of the instrument. Such inputs include market interest rates and volatilities, spreads and yield curves.

Level 3 - Certain inputs are unobservable (supported by little or no market activity) and significant to the fair value measurement. Unobservable inputs reflect the best estimate of what hypothetical market participants would use to determine a transaction price for the asset or liability at the reporting date.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

A. DESCRIPTION OF PLAN AND SUMMARY OF
ACCOUNTING POLICIES - Continued

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities funds are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Administrative Expenses

Administrative expenses are paid by the Plan and allocated equally to the participant's accounts.

B. INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

	<u>December 31,</u>	
	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual funds	\$13,585,566	\$14,031,145

Dividends and other income	720,363	N/A
Interest on notes receivable from participants	3,561	N/A
Other income	11,890	N/A

During 2021, the Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) appreciated by \$1,715,845. See Notes C and I for further information regarding investments.

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

C. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit responsive group annuity contract with Great-West Life & Annuity Insurance Company ("Great-West"), which is called the Key Guaranteed Portfolio Fund. Great-West maintains the contributions in a general account, which is credited with earnings and charged for participant withdrawals and administrative expenses.

Since the group annuity contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events may limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (1) premature termination of the contracts by the Plan, (2) plant closings, (3) layoffs, (4) Plan termination, (5) bankruptcy, and (6) early retirement incentives. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The insurance company may not terminate the contract at any amount less than the contract value.

The insurance company is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the insurance company, but may not be less than 0%. Such interest rates are reviewed on a quarterly basis for resetting. The crediting rate of the product will be established based on the earnings of the underlying assets in the entire medium-long term portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the group annuity contract is derived by averaging the quarterly gross interest rates for the fund over the year. The average for 2021 and 2020 was .90% and 1.04%, respectively.

D. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

E. TAX STATUS

The Plan is a prototype plan on which the Internal Revenue Service issued a determination letter dated March 31, 2008. As an adopter of a standardized prototype plan, no individual determination letter is available. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

F. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to amounts reported in Form 5500:

Add: Corrective distributions payable - end of year	63,049
Less: Corrective distributions payable - beginning of year	<u>101,868</u>
Total Deductions per Financial Statements	<u>\$3,214,831</u>

G. FORFEITURES

Forfeited non-vested accounts in a plan year are used to reduce the employer contributions for the plan year in which the forfeiture occurs, and for each succeeding plan year if necessary, until such forfeitures have been exhausted. There were no forfeiture amounts allocated to participant accounts in 2021. The balance of the forfeitures account as of December 31, 2021 and 2020 was \$24,557 and \$7,286, respectively.

H. RELATED PARTY TRANSACTIONS

All Plan investments are managed by Great-West Retirement Services at December 31, 2021 and 2020. Great-West Retirement Services is a wholly-owned subsidiary of Great-West Life & Annuity Insurance Company, who is the trustee of the Plan at December 31, 2021 and 2020, and, therefore, these transactions qualify as party-in-interest.

401(K) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

I. FAIR VALUE OF FINANCIAL INSTRUMENTS

On January 1, 2020, the Plan adopted Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to the Disclosure Requirements for Fair Value Measurement* (ASU 2018-13). This standard was adopted retrospectively. The adoption of this ASU did not have an impact on the Plan's net assets or changes in net assets, and did not significantly impact the Plan's disclosures on fair value measurements.

Disclosures concerning the estimated fair value of financial instruments are presented below. The estimated fair value amounts have been determined based on the Plan's assessment of available market information and appropriate valuation methodologies. The following table summarizes required fair value disclosures and measurements at December 31, 2021 and 2020 for assets measured at fair value on a recurring basis under ASC 820.

		<u>Fair Value Measurements at Reporting Date Using</u>		
	<u>Assets Measured at Fair Value</u>	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>
<u>2021:</u>

<u>2020:</u>				
Mutual funds	<u>\$14,031,145</u>	<u>\$14,031,145</u>	<u>\$ -</u>	<u>\$ -</u>

Contributions Receivable and Distributions Payable

The carrying values of these items approximate their fair values due to the short maturities of these instruments.

Notes Receivable from Participants

The carrying value of these notes approximate fair value as interest rates do not vary significantly from rates available at December 31, 2021 and 2020.

J. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 23, 2022, the date the financial statements were available for issuance, and has determined there are no subsequent events requiring disclosure.
