INDEPENDENT AUDITORS' REPORT

To the Participants and Administrator of
Sistema Universitario Ana G. Méndez, Inc.
Employees' Savings and Investment Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Sistema Universitario Ana G. Méndez, Inc. Employees' Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Assets Held at End of Year at December 31, 2021 and 2020, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SISTEMA UNIVERSITARIO ANA G. MÉNDEZ, INC. EMPLOYEES' SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. REPORTING ENTITY AND DESCRIPTION OF THE PLAN

The following description of the Sistema Universitario Ana G. Méndez, Inc. Employees' Savings and Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

The Plan was originally established on January 1, 1993, under the laws of the Commonwealth of Puerto Rico. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 ("ERISA").

Eligibility – Employees of Sistema Universitario Ana G. Méndez Incorporado ("SUAGM") that worked for three months of continued services and attains twenty-one (21) years of age are eligible to participate in the Plan. Employees that comply with these eligibility requirements can enter the Plan on the first working day of each month.

Contributions – Participants are entitled to the following contributions:

- **Participants' Contributions** – Participants may elect to contribute to the Plan up to \$15,000, for the years ended December 31, 2021 and 2020, of pre-tax contribution and up to 10% of compensation as post-tax contribution, as such term is defined in the Plan document. Catch-up contributions allow participants that have reached the age of fifty (50) by the end of the Plan's year to make an additional pre-tax contribution up to a maximum of \$1,500, respectively, for the years ended December 31, 2021 and 2020. Compensation for this purpose means all compensation for service rendered excluding overtime pay, shift differentials, commissions, bonuses and all other compensation received by employee, in excess of basic salary and salary for extra courses.
- **Employer Matching Contributions** – The employer will make annual matching contributions to the Plan equal to 35% of the participants' pre-tax contributions, up to a maximum of 1.4% of participant's eligible compensation. During the years ended December 31, 2021 and 2020, employer matching contributions amounted to \$448,363 and \$435,271, respectively.
- **Profit Sharing** – For each plan year, if the Board of Directors so approves, the employer shall contribute an amount related to profit sharing to be determined annually. During the years ended December 31, 2021 and 2020, there were no profit sharing contributions to the Plan.

SISTEMA UNIVERSITARIO ANA G. MÉNDEZ, INC. EMPLOYEES' SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

- **Participant Accounts** – Each participant account is credited with the participant's contributions and allocations of: (a) the employer contributions and (b) investment earnings. The benefit to which a participant is entitled is equal to the vested balance of the participant's account. The Plan's investments are participant- directed. Upon enrollment in the Plan, a participant may direct contributions into various investment options offered by the Plan.
- **Forfeitures** – Forfeited balances of terminated non-vested participants may first be used to pay administrative expenses and any remaining amount may be used to reduce future employer contributions. For the years ended December 31, 2021 and 2020, the balance in the forfeitures account amounted to \$31,807 and \$31,715, respectively.
- **Vesting Periods** – Participant contributions are vested immediately. Employer matching contributions are vested after completing 3 years of service. Notwithstanding this service term, a participant will be 100% vested upon death, attaining his/her 65th birthday, becoming disabled or upon complete discontinuance of SUAGM's contributions to the Plan.
- **Administration** – The Plan Sponsor is responsible for the general administration of the Plan and for carrying out the provisions thereof. Plan expenses such as legal, audit and advisory fees are paid by the Sponsor. Certain transaction charges are deducted from the participant's accounts.
- **Payment of Benefits** – Upon separation from service due to death, disability or retirement, or other termination of employment, a participant or beneficiary will receive payment of his/her vested account balance either in a cash lump sum or installment payments over a time period not in excess of the lesser of ten (10) years or the participants expected life. The normal retirement age is the first day of the month following the participant's 65th birthday.
- **Hardship Withdrawals** - Under the provisions of the Plan, participants are permitted to withdraw all or any part of the fair market value of their vested balance, only if related to: a) financial hardship, b) medical expenses not paid or reimbursed by insurance, c) purchase of participant's principal residence or to prevent foreclosure on the mortgage of the participant's primary residence, d) funeral expenses, and e) other withdrawals allowable under Puerto Rico Internal Revenue Code.
- **Plan Termination** – Although it has not expressed any intent to do so, the Sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants would become 100 % vested in their employer contributions.

DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation – The Plan's financial statements are prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"). A summary of the more significant accounting policies used by the Plan follows:

Use of Estimates in the Preparation of Financial Statements – The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amount of net assets available for benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of changes in net assets available for benefits during the reporting periods. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments consisted at December 31, 2021 and 2020 of Mutual Funds all of which are disclosed at fair value.

Contributions – Employee and sponsor matching contributions are recorded in the period in which the Sponsor makes payroll deductions from the Plan participants' earnings.

3. TAX STATUS

The Puerto Rico Treasury Department (the "Department") has determined and informed in a letter dated November 29, 2010, that the Plan and related trust including an amendment effective June 1, 2009, are designed in accordance with applicable sections entitling them to exemption of income taxes under the Puerto Rico income tax laws. Therefore, no provision for income taxes has been included in the Plan's financial statements.

On April 10, 2014, the Plan requested a favorable determination letter from the Department as to the qualified status of the Plan. The purpose of the determination letter is to ascertain that the Department has no objections to amendments made to the Plan since prior ruling of November 29, 2010. The Plan received a favorable determination letter dated March 21, 2016.

In Puerto Rico, the tax laws permit examination of the Plan Sponsor's income tax returns for up to four years after the initial return is filed. The tax years of the Plan Sponsor with respect to the Plan that remain open for examination are from 2017 to 2021.

On March 29, 2020, the Puerto Rico Treasury Department issued Internal Revenue Circular Letter No. 20-23 to expand special distribution rules under Circular letter 20-09 and provide relief for losses associated to the COVID 19 outbreak. The eligible period was from February 20, 2020 through December 31, 2020. Special distributions will be subject to taxation as follows:

- 1) First \$10,000 distributed during eligible period will not be subject to withholdings.
- 2) Distributions in excess of \$ 10,000 subject to 10% tax withholding up to \$ 100,000.

SISTEMA UNIVERSITARIO ANA G. MÉNDEZ, INC. EMPLOYEES' SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

4. INFORMATION PREPARED AND CERTIFIED BY THE PLAN CUSTODIANS

The following information included in the accompanying 2021 and 2020 financial statements and supplemental schedules was obtained from data that has been prepared and certified to the plan administrator as complete and accurate by Empower, as Plan Custodian and Oriental Bank, as Plan's Trustee.

- Investment descriptions and corresponding fair market values
- Number of units
- Net appreciation in fair value of investments
- Benefit payments
- Administrative expenses

5. RELATED PARTY TRANSACTIONS

Certain Plan investments consist on funds administered by Empower Retirement, the Plan's custodian and record keeper, and therefore, these transactions qualify as party-in- interest transactions. Other related parties consist of Oriental Bank as trustee; SUAGM as employer and Plan's sponsor; directors, officers and employees of SUAGM; UBS as investment advisors; Mr. Francisco Fernández, esquire, Pension Administrator Group and Driven, PSC, as service providers. At December 31, 2021 and 2020, the Plan had transactions that are allowable party-in-interest transactions under ERISA and the regulations promulgated there under.

6. RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in fund values.

Recent market conditions have resulted in an unusually high degree of volatility and increased the risks and short-term liquidity associated with certain investments held by the Plan, which could impact the value of investments after the date of these financial statements.

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

SISTEMA UNIVERSITARIO ANA G. MÉNDEZ, INC. EMPLOYEES' SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain the full magnitude that the pandemic will have on the Plan's sponsor, investment portfolio and investment results. Plan Administrator is actively monitoring the global situation on its effects on the Plan.

7. FAIR VALUE MEASUREMENTS

FASB Authoritative guidance on Fair Value Measurement and Disclosures, establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the Fair Value Measurement and Disclosure guidance are described below:

Level 1	Inputs to this valuation methodology are obtained from unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
Level 2	Inputs to the valuation methodology include: Quoted prices for identical or similar assets or liabilities in active markets; Quoted prices for identical or similar assets or liabilities in inactive markets; Inputs other than quoted prices that are observable for the asset or liability; Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
Level 3	Inputs to the valuation methodology are based on unobservable data and are significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for the Plan assets measured at fair value:

Mutual Funds: Valued at the net assets value ("NAV") of shares held by the Plan at year end obtained directly from unadjusted quoted market prices the replicated investments as provided by the custodian and record keeper, therefore classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of

SISTEMA UNIVERSITARIO ANA G. MÉNDEZ, INC. EMPLOYEES' SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level and investment category, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

<u>December 31, 2021</u>	<u>Level I</u>
Mutual Funds	<u>\$ 40,274,638</u>
<u>December 31, 2020</u>	<u>Level I</u>
Mutual Funds	<u>\$ 37,204,813</u>

8. SUBSEQUENT EVENTS

The Plan Administrator has evaluated all subsequent events through August 23, 2022, the date the financial statements were available to be issued. There are no other material subsequent events that would require disclosure in the Plan's financial statements.
