INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
Apple Ford, Inc. 401(k) Plan
Columbia, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Apple Ford, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Apple Ford, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Apple Ford, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Apple Ford, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Apple Ford, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is a supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information,

including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Apple Ford, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

APPLE FORD, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Apple Ford, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Apple Ford, Inc. and Apple Imports (collectively, the Company), except those individuals who are union employees and non-resident aliens. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA).

The assets of the Plan are held and managed by Nationwide Financial Services, Inc. (Nationwide).

Eligibility

All employees who have completed three months of service and have attained age 21 are eligible to participate in the Plan at the next entry date. Employees may enter the Plan on the first day of the calendar quarter upon meeting the eligibility requirements.

Contributions

Participants may contribute on a pre-tax or after-tax basis up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The after-tax "Roth" contributions are subject to federal income taxes in the year of deferral. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing rollovers from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various mutual funds offered by the Plan.

The Company may make discretionary matching or profit-sharing contributions at the option of the Company's Board of Directors. Matching contributions are allocated based on the participants' eligible contributions. Profit sharing contributions are allocated based on the total annual compensation for each participant. The Company made no matching or profit-sharing contributions to the Plan for the years ended December 31, 2021 and 2020.

Participant Accounts

Each participant's account is participant-directed and is credited with the participant's contribution and allocations of the Company's contribution, if any, and Plan earnings, and charged with an allocation of administrative expenses. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

APPLE FORD, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are fully vested in their participant elective account plus actual earnings thereon at all times. Vesting in the company's contribution portion of their account is based on years of continuous service. After two years of service, a participant becomes 20 percent vested in employer contributions in the Plan; the vesting percentage increases by 20 percent each year until the participant becomes fully vested in his or her account after six years of service.

Payment of Benefits

Upon termination of service due to death, full and permanent disability, or retirement, a participant may elect to receive a lump-sum amount equal to the vested value of their account. Distributions may be deferred until the normal retirement date. Withdrawals from rollover contributions are permitted at any time. Hardship distributions and in-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. Hardship withdrawals are subject to specific statutory and regulatory requirements.

Forfeited Accounts

Forfeitures may be used first to reduce Plan expenses and then to reduce future employer contributions. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$5,404 and \$0-, respectively. In 2021 and 2020, no forfeitures were available to use to reduce Plan expenses.

Loans to Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. All loans are treated as participant-directed investments by the Plan's trust fund and are evidenced by a promissory note signed by the participant. A plan participant may have up to one loan outstanding at any one time. The maximum duration of a loan is not to exceed five years, except in cases where funds are used to purchase a principal residence. The loans are collateralized by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. The interest rates for outstanding loans ranged from 4.75% to 7.50% at December 31, 2021 and 2020.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

APPLE FORD, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants for loans are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recognized as of December 31, 2021 and 2020. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid. Corrective distributions payable generally represent the distribution of certain assets to employees in order for the Plan to comply with ERISA nondiscrimination rules.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses the Company pays on the Plan's behalf. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of notes receivable from participants and distributions are charged directly to the participant's account and are included in administrative expenses.

Use of Estimates

The preparation of the financial statements in conformity with U.S. GAAP requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

In particular, the novel coronavirus ("COVID-19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities or asset impairment charges.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest income for the years then ended, disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year), is derived from statements which have been certified to by Nationwide Trust Company, FSB and Nationwide Life Insurance Company (collectively Nationwide), the plan custodian, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 and Level 3 inputs for the periods presented.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Company Shares

The mutual funds are held by Nationwide, which uses unit values to perform daily account valuations. The unit value is Nationwide's method for valuing accounts and is not the same as the net asset value reported by the fund house, although the financial trend should be the same. After the close of the stock market, Nationwide receives a daily price from each fund house. This figure includes the net asset value and any dividends and capital gains declared.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will be distributed in accordance with the Plan agreement.

NOTE 6 - TAX STATUS

The Plan has adopted a non-standardized prototype plan sponsored by Nationwide. The prototype plan has received an opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the non-standardized prototype plan, as then designed, is in compliance with the applicable requirements of the IRC. The Plan has been amended since the date of the opinion letter. The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by Nationwide. Nationwide is the custodian of the Plan and, therefore, the transactions in these funds qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to \$41,912 and \$34,120 for the years ended December 31, 2021 and 2020, respectively, and are included in net appreciation in fair value of investments. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made. Notes receivable from participants also qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE 8 - RISKS AND UNCERTAINTIES (Continued)

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. The spread of COVID-19 has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world.

As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 9 - SUBSEQUENT EVENTS

Effective July 1, 2022, the plan document was amended and restated to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle).

Subsequent events have been evaluated through August 3, 2021, which is the date the financial statements are available to be issued.
