Independent Auditor's Report

Board of Trustees
West Ohio Community Action Partnership
Lima, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of West Ohio Community Action Partnership's 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 West Ohio Community Action Partnership Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of West Ohio Community Action Partnership's 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about West Ohio Community Action Partnership's 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of West Ohio Community Action Partnership's 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about West Ohio Community Action Partnership's 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of West Ohio Community Action Partnership's 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualifying institution. In our report dated July 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021

Note A – Description of Plan

The following description of West Ohio Community Action Partnership (“Organization”) 403(b) Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

- A. General – The Plan is a defined contribution plan covering all full-time employees of the Organization who have one year of service and are 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). A Fiduciary Committee oversees the governance of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.
- B. Contributions – Each year, participants may contribute up to the amount allowed by the Internal Revenue Code. Eligible employees can make deferrals beginning on their date of hire. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the IRS.
- C. Rollover Contributions – The Plan permits rollover contributions subject to approval by the Plan Administrator.
- D. Organization Contribution – The Organization is bound by a collective bargaining agreement with the Union to contribute 4 percent of an eligible participant’s pay to the Plan. Eligible employees will start receiving the 4 percent employer contribution after 1 year of service at the beginning of the next Plan year quarter. The Organization contribution is invested directly in the mutual funds in the same ratio as what the participant contributions are.
- E. Participant Accounts – Participants direct the investment of their contributions into various mutual funds as investment options offered by the Plan under their separate account. Each participant’s account is credited with their individual contributions, the Organization’s contributions, earnings, losses, and an allocation of expenses within their account activity.
- F. Vesting – All participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Organization’s contribution portion is done using a six-year graded schedule unless a participant incurs a severance from employment as a result of death or disability. If this occurs, a participant is considered 100% vested in the Organization’s contribution. In addition, participants are considered 100% vested if they are employed on or after their normal retirement age.

Note A – Description of Plan – (continued)

G. Notes Receivable from Participants – The Plan allows participant loans from their funds within the Plan with a minimum amount of \$1,000 and a maximum of 50% of the participant's account balance. The notes are secured by the balance in the participant's account. Principal and interest, at a rate of prime plus 1%, are paid ratably through payroll deductions. Loans outstanding at December 31, 2021 have interest rates ranging from 4.25% to 6.5%. As of December 31, 2021, no allowance for credit losses has been recorded.

H. Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments.

I. Forfeited Accounts – Forfeited accounts are used to reduce the Organization's future contributions to participant accounts. Available forfeitures at December 31, 2021 were \$388. Forfeitures totaled \$2,291 during 2021; \$2,500 was used to reduce employer contributions, \$8 was used for fees, and \$7 was net depreciation on the forfeiture during the year. Available forfeitures at December 31, 2020 were \$612.

Note B – Summary of Accounting Policies

Basis of Accounting

These financial statements have been prepared on an accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in Pooled Separate Accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Guaranteed Investment Contract is reported at fair market value. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received and posted in the participant's accounts. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note B – Summary of Accounting Policies – (continued)

Notes Receivable from Participant's

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded as repayments are made by the participants.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the plan are paid by the Organization and are excluded from these financial statements.

Note C – Investments

The Plan provides for investment in one guaranteed investment contract and several pooled separate accounts. These securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$480,355.

Note D – Fair Value Measurement

Generally accepted accounting principles include a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

West Ohio Community Action Partnership
403(b) Retirement Plan
Lima, Ohio

Notes to Financial Statements
December 31, 2021

Note D – Fair Value Measurement – (continued)

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021.

Pooled Separate Accounts – Valued at fair value per unit based on quoted market price of underlying investments. The Plan has \$3,142,363 invested in pooled separate accounts at December 31, 2021.

Guaranteed Investment Account – The fair value for the fixed contract is equal to the book value less any market value adjustment. The Plan has \$207,408 in the guaranteed investment account and is included in Level 3 of the fair value hierarchy.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note D – Fair Value Measurement – (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair values as of December 31, 2021:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ 3,142,363	\$ -	\$ -	\$ 3,142,363
Guaranteed investment contract	-	-	207,408	207,408
Total investments	<u>\$ 3,142,363</u>	<u>\$ -</u>	<u>\$ 207,408</u>	<u>\$ 3,349,771</u>

Level 3 – Guaranteed investment contract had the following activity during 2021:

Beginning Balance	\$ 189,735
Contributions	25,656
Loan Principal Repayments	3,974
Loan Interest Repayments	421
Interest Income	2,533
Withdrawals	<u>(14,911)</u>
Ending Balance	<u>\$ 207,408</u>

The Plan has a guaranteed investment contract with Nationwide. Nationwide maintains the contributions in a general account. The account is credited with earnings on the underlying investments. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The fixed contract rate on the guaranteed investment contract was 2.14% for 2021. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Note E – Trustee Certification

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Nationwide is the trustee for West Ohio Community Action Partnership 403(b) Retirement Plan. Accordingly, as permitted under such election, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate: investments including participant loans, interest, and dividend income, net appreciation of investments, and the schedule of assets held for investment purposes.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing the information provided by the custodian to the related information included in the financial statements and supplemental schedule.

Note F – Transactions with Parties-in-Interest

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain Plan investments were shares of mutual funds and a common trust fund managed by an affiliate of Nationwide throughout 2021. Nationwide is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Note G – Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, as amended. In the event of Plan termination, participants are 100 percent vested in their employer contributions.

Note H – Tax Status

The Plan was established using a prototype model which management and the administrator believe is in compliance with Internal Revenue Service regulations. The Organization contracts with Nationwide for third party administration services. Nationwide provides services to amend the Plan when necessary to keep the Plan in compliance with the regulations. Nationwide also provides services to test compliance and non-discrimination within the Plan.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Notes to Financial Statements
December 31, 2021

Note I – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note J – COVID-19 Pandemic

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The extent of the impact of COVID-19 on West Ohio Community Action Partnership's 403(b) Retirement Plan will depend on certain developments, including the duration and spread of the outbreak, and its impacts on the Organization's participants' account balances, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Organization's Statement of Net Assets Available for Benefits and Statement of Changes in Net Assets Available for Benefits, is uncertain and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

Note K – Subsequent Events

Subsequent events have been evaluated through August 10, 2022, which is the date the financial statements were available to be issued.
