Independent Auditors' Report

To the Plan Administrator
Hohman Plating and Manufacturing
401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Hohman Plating and Manufacturing 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our

audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for 2021.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to the Financial Statements
December 31, 2021 and 2020

NOTE A – DESCRIPTION OF PLAN

The following brief description of the Hohman Plating and Manufacturing 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution prototype plan and trust administered by Pension Corporation of America covering all eligible employees of Hohman Plating and Manufacturing, LLC (the Company). Employees who are not covered by a collective bargaining agreement and are age 21 or older are eligible to participate in the Plan. Eligible participants may enter the Plan on January 1, April 1, July 1, or October 1, upon satisfying the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is qualified under the Internal Revenue Code (Code).

Contributions

Each year, participants may elect to defer pre-tax or Roth after-tax contributions up to the maximum allowed by law. Roth 401(k) contributions are included as taxable income to the employee. Earnings on the Roth 401(k) contribution will accumulate tax free and retirement withdrawals may be exempt from federal income tax. Employees with existing qualified pre-tax retirement plans or Roth 401(k) accounts with a prior employer may transfer or roll-over those accounts into the Plan upon becoming a participant in the Plan. Participants that are age 50 or older and make the maximum allowable deferral to the Plan are entitled to contribute an additional catch-up contribution. Participants may direct investment of their account balances into various investment options offered by the Plan.

The Plan provides for the Company to make discretionary matching contributions. The Company will make discretionary matching contributions equal to 30% of participant elective deferrals, up to 4% of compensation for all participants that have completed one year of service as defined by the Plan. The discretionary matching contribution is made to participants' accounts for both pre-tax contributions and Roth after-tax contributions. The Company also makes a safe harbor contribution equal to 4% for all participants that have completed one year of service as defined by the Plan. The Company may also make a discretionary profit-sharing contribution that is allocated to all eligible participants. The Company's discretionary matching and safe harbor contributions for the year ended December 31, 2021 were \$426,659. There were no discretionary profit-sharing contributions made in 2021.

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contributions, allocations of the Company's contributions and plan earnings. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferral contributions, rollovers, employer safe harbor contributions and discretionary contributions plus any earnings they generate. Employer matching contributions to the Plan plus any earnings they generate vest at 20% each year and are fully vested after five years of service.

Notes Receivable from Participants

Participants may borrow from their individual accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1-5 years or longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account provided the outstanding balance does not exceed 50% of the vested interest in the Plan. The loan is charged a commercially reasonable rate of interest based on interest rates charged for similar types of loans by other lenders. The interest rate is fixed for the duration of the loans and ranges from 4.25% to 6.50% as of December 31, 2021. A participant may only have one loan outstanding at a time. The principal and interest is paid ratably through regular payroll deductions.

Payment of Benefits

Participants become eligible for benefit payments upon retirement, termination of employment, disability or death. Additionally, the Plan provides for in-service distributions after a participant has reached age 59 ½ and after their account is fully vested. Participants may also receive distributions from the employee deferral or rollover balance for qualified financial hardships. Distributions may be made as a single lump-sum payment, partial withdrawals of at least \$1,000, or installments over a period of not more than the participant's assumed life expectancy (or the assumed life expectancies of the participant and their beneficiary). Vested account balances that do not exceed \$5,000 may only be distributed in a single lump-sum payment.

Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in the employer matching contributions (*see Note I*).

NOTE A – DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

Forfeitures resulting from the non-vested portion of participants' accounts who terminate prior to being fully vested are generally used first to pay any administrative expenses of the Plan. Any remaining forfeitures will be used to reduce employer contributions. At December 31, 2021 and 2020, forfeitures were \$290 and \$205, respectively. For the year ended December 31, 2021, \$6,654 of forfeitures were used for administrative expenses.

Expenses of the Plan

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses paid by the Plan totaled \$68,958 for the year ended December 31, 2021.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to the Financial Statements
December 31, 2021 and 2020

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefit payments are recorded when approved. There were no benefit payments that were approved but not paid as of December 31, 2021 or 2020.

NOTE C – INVESTMENTS (INFORMATION CERTIFIED BY THE PLAN TRUSTEE)

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, all investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2021, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D – FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

<i>Level 1</i>	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
----------------	---

Hohman Plating and Manufacturing 401(k) Retirement Savings Plan
Notes to the Financial Statements
December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Mutual funds are stated at fair value as defined by observable quoted prices in active markets (Level 1).

Collective trust fund: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement. The Wells Fargo Stable Value Fund C has no withdrawal restrictions for participant-initiated withdrawals but does require a 12-month advance notice for plan sponsor-initiated withdrawals.

Hohman Plating and Manufacturing 401(k) Retirement Savings Plan
Notes to the Financial Statements
December 31, 2021 and 2020

NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 16,429	\$ -	\$ -	\$ 16,429
Collective trust fund ^(a)	-	-	-	1,140,282

Total assets, at fair value	<u>\$15,406,645</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,546,927</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

NOTE E – TAX STATUS

The Plan adopted a volume submitter plan that received an advisory letter from the IRS dated March 31, 2014, stating that the written form of the underlying prototype plan document is qualified under Section 401 of the Internal Revenue Code (IRC), and that any employer adopting this form of the plan will be considered to have a plan qualified under Section 401(a) of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Company believes the Plan, as amended, is being operated and administered in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt at December 31, 2021 and 2020.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax asset or liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that at December 31, 2021 and 2020, there were no uncertain positions taken that would require recognition of an asset or liability or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE F – RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits per financial statements to the Form 5500 as of:

	December 31,	
	2021	2020
Net assets available for benefits per the financial statements	\$ 16,776,659	\$ 14,406,685
Dividends receivable	(4,778)	(1,474)
Net assets available for benefits per the Form 5500	<u>\$ 16,771,881</u>	<u>\$ 14,405,211</u>

The following is a reconciliation of the net increase in net assets available for benefits for the year ended December 31, 2021 per the financial statements to the Form 5500:

Increase in net assets available for benefits per the financial statements	\$ 2,369,974
Dividends receivable at December 31, 2020	1,474
Dividends receivable at December 31, 2021	(4,778)
Increase in net assets available for benefits per the Form 5500	<u>\$ 2,366,670</u>

NOTE G – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H – PARTIES-IN-INTEREST TRANSACTIONS

Party-in-interest transactions include those fiduciaries or employees of the Plan, any person who provides services to the Plan and employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. Certain administrative expenses are provided by the Company at no cost to the Plan and certain administrative expenses of the Plan are paid by the Company.

NOTE I – SUBSEQUENT EVENTS

In connection with the preparation of the Plan's financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021, events and transactions subsequent to December 31, 2021 through September 19, 2022, which is the date on which the financial statements were available to be issued, have been evaluated by the plan administrator for possible adjustment and/or disclosure.

Effective January 1, 2022, the Plan was amended and restated through the adoption of a pre-approved plan document (formerly known as a volume submitter plan). The pre-approved plan received an advisory letter from the IRS dated June 30, 2020, stating that it is qualified under the applicable sections of the IRC. No Plan provisions were amended due to the adoption of the pre-approved plan.

On April 1, 2022, the Company was acquired by Novaria Group. In conjunction with the closing of this transaction, the Company terminated the Plan, and there were no additional employee or employer contributions made to the Plan. As a result, all participant accounts in the Plan become 100% vested.

Other than disclosed above, no other subsequent events requiring financial statement adjustment and/or disclosure have been identified.
