INDEPENDENT AUDITORS' REPORT

To The Plan Administrator
D'Allessandro Corp. 401(k) Profit Sharing Plan
West Bridgewater, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of D'Allessandro Corp. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about D'Allessandro Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of D'Allessandro Corp. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about D'Allessandro Corp. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of D'Allessandro Corp. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

D'ALLESSANDRO CORP. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN:

The following description of D'Allessandro Corp. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan, established by D'Allessandro Corp. (the Company) for the benefit of the eligible employees of D'Allessandro Corp., and Great Northern Propane and Utility Contractors LLC. D'Allessandro Corp. serves as the plan sponsor for record-keeping purposes and the official plan administrator. Through December 30, 2020, Massachusetts Mutual Life Insurance Company (MassMutual) served as record-keeper, custodian of plan assets and trustee of the plan. Effective January 1, 2021, Empower Retirement (Empower) acquired MassMutual. Empower serves as record-keeper. Reliance Trust Company serves as trustee and custodian of the funds. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Eligibility - Non-prevailing wage employees will become an eligible participant in the Plan when they have reached the age of twenty-one and completed one month of service. Prevailing wage employees are eligible immediately upon hire.
3. Contributions - All contributions are subject to certain limitations imposed by the Plan and the Internal Revenue Code (the Code). Contributions to the Plan may include the following:

401(k) Contributions (Participant Contributions) - The annual amount that a participant may elect as 401(k) contributions is limited to the amount designated by the Secretary of the Treasury pursuant to the limits on elective deferrals under Code Section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Employer Match and Profit-Sharing Contributions - The Company may make discretionary matching contributions. For the year ended December 31, 2021 and 2020, the Company matched 50% of the first 6% of an employee's contribution. Additionally, the Company may make contributions in excess of the amount of matching 401(k) Plan contributions. The amount of any additional employer contribution is determined by the Board of Directors at each plan year end. Such contributions are allocated to individual participant accounts based on the ratio of an individual's compensation on the last day of the plan year to the total of such compensation for all eligible persons. For the years ended December 31, 2021 and 2020, there were no discretionary profit-sharing contributions made to the Plan. Prevailing wage employees will receive a percentage of compensation that is the hourly contribution rate designated for that participant's employment classification for the project at which the work is performed.

Rollovers - The Plan permits participants to transfer distributions from other qualified plans into the Plan.

4. Participant Accounts - Each participant's account is credited with contributions, including employee, employer match, employer profit sharing, and rollover contributions, less any expenses attributable to such contributions. Participant accounts are charged with an allocation of administrative expenses paid by the Plan. Allocations of profit-sharing contributions, investment income and administrative expenses are based on participants' compensation or account balances, as defined.

A. DESCRIPTION OF PLAN: (Continued)

5. Vesting - The participants' contributions and earnings thereon are fully vested at all times. Under normal vesting circumstances employer contributions and earnings thereon are 0% vested under two years, 20% vested after two years, 40% vested after three years, 60% vested after four years, 80% vested after five years, and 100% vested after six years or more. Employees also become fully vested in the instance of death, total and permanent disability, plan termination, or the attainment of normal retirement age.

The non-vested portion of a participant's employer contributions is forfeited on the earlier of the distribution of the entire vested portion or on the last day of five consecutive years in which the employee is not credited with more than one hour of service per year as defined in the Plan.

6. Investment Options - Participants may direct the investment of all contributions into various investment options offered by the Plan. The Plan allows participants to direct their contributions and account balances among various investment options offered by Reliance Trust Company.
7. Payments of Benefits - Upon termination of service, a participant may receive a lump-sum distribution, installment payments or an annuity equal to the value of the participant's vested interest in his or her account as defined in the Plan. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$1,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant. If the participant's balance is between \$1,000 and \$5,000, the plan administrator may rollover the amount into an individual retirement account on behalf of the participant without the consent of the participant.

The Plan also provides for in-service withdrawals by participants who have attained the age of 59½. Upon financial hardship, a participant is entitled to the value of his or her deferral accounts, but not the earnings thereon, which is payable immediately in a lump-sum distribution. Benefits are recorded when paid.

8. Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the plan administrator over a period not to exceed five years. If the loan is used to acquire a personal residence, the trustee may allow a longer repayment period, not to exceed ten years.
9. Forfeitures - Forfeited non-vested accounts will be used to pay administrative expenses of the Plan or to reduce the contributions of the Company to the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$34,802 and \$6,281, respectively. There were no forfeitures used to reduce employer contributions for the years ended December 31, 2021 and 2020. There were no forfeitures used to pay administrative expenses for the years ended December 31, 2021 and 2020.
10. Uncertainty In Income and Other Taxes - The Company adopted the standards for *Accounting for Uncertainty in Income Taxes*, which required the Company to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of December 31, 2021 and 2020, the Company determined that it had no tax positions that did not meet the "more likely than not" threshold of being sustained by the applicable tax authority. The Company files tax and information returns in the United States. These returns are generally subject to examination by tax authorities for the last three years.
11. Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accounting records were maintained by Reliance Trust Company for the years ended December 31, 2021 and 2020 on a cash basis. The accompanying financial statements include all material adjustments necessary to present the statements on an accrual basis.

Investments are presented in the accompanying financial statements at their quoted market values. Investment and administrative costs of the Plan are paid by the Company, with the exception of investor fees, investment management fees, and record keeping fees, which are paid by the Plan. Loan fees are paid by the participants.

C. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED):

Reliance Trust Company, the trustee of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of notes receivable from participants and investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplementary schedule.

D. FAIR VALUE MEASUREMENTS:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

December 31, 2021	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,962,415	\$ -	\$ -	\$ 11,962,415
Self-Directed Brokerage Account	-	165,211	-	165,211
	<u>\$ 11,962,415</u>	<u>\$ 165,211</u>	<u>\$ -</u>	<u>\$ 12,127,626</u>
December 31, 2020	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,559,373	\$ -	\$ -	\$ 10,559,373
Self-Directed Brokerage Account	-	175,588	-	167,588
	<u>\$ 10,559,373</u>	<u>\$ 175,588</u>	<u>\$ -</u>	<u>\$ 10,734,961</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

- Level 1 inputs - Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ, or Chicago Board of Trade).

D'ALLESSANDRO CORP. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
(Continued)

D. FAIR VALUE MEASUREMENTS: (Continued)

- Level 2 inputs - Fair values are based on inputs other than quoted price included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs - Fair values are based upon unobservable inputs used for valuing an asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Self-Directed Brokerage Account - Valued using pricing models maximizing the use of observable inputs for similar securities dependent on the investor options.

E. GUARANTEED INVESTMENT ACCOUNT WITH INSURANCE COMPANY:

Massachusetts Mutual Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The account offers a guaranteed rate of interest on an annual basis. As described in Note B, because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment account.

The guaranteed investment account is presented on the face of the statements of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by Massachusetts Mutual Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the guaranteed investment account at December 31, 2021 and 2020 was \$591,380 and \$1,026,186, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than a certain rate. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include, but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the Company; or (4) cessation of an employment relationship resulting from a reorganization merger, layoff or the sale of discontinuance of all or any part of the plan sponsor's business. Such events also include: (1) removal from the plan of one or more groups or classification of participants; (2) partial or complete plan termination; or (3) plan disqualification. The Plan administrator does not believe that any events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

H. TAX STATUS:

The Plan is placing reliance on an opinion letter dated September 30, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

I. PLAN TERMINATION:

The Company has stated its intent to continue the Plan indefinitely; however, continuation of the Plan is voluntary on the part of the Company, and the Company reserves the right to modify or terminate the Plan at any time. In the event of Plan termination, participants will remain 100% vested in their accounts, net of any expenses necessary to terminate the Plan.

NOTES TO FINANCIAL STATEMENTS

J. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

K. SUBSEQUENT EVENTS:

Management has evaluated events occurring after the statement of net assets available for benefits date through September 19, 2022, the date on which the financial statements were available to be issued. No material events have been identified which would require disclosure under FASB ASC 855-10-50-1.
