Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditors' Report

To the Participants and Administrator of
Ocean House Management, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Ocean House Management, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Ocean House Management, LLC 401(k) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified accompanying 2021 investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements, referred to above, related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Ocean House Management, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean House Management, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ocean House Management, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ocean House Management, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at End of Year as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Ocean House Management, LLC 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 16, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements

Note 1 – Plan description

The following brief description of the Ocean House Management, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information is provided within the Plan documents.

General

The Plan was established by Ocean House Management, LLC (the “Company”) effective January 1, 2011 for the benefit of its employees. The Weekapaug Inn and Restaurant, LLC (“Participating Employer”) which is an affiliated company started participating in the Plan effective March 31, 2012. The Plan is a defined contribution plan and is subject to the provisions of the Internal Revenue Code (“IRC”) and the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Eligibility

The Plan covers all Company employees except for interns, as well as the employees of the Participating Employer who have completed one year of service, provided they have reached 21 years of age. The Plan is classified as a Multiple-Employer arrangement as the Company and Participating Employer are not under common control (collectively they are referred to as the “Sponsors”). Effective January 1, 2022, the Plan amended its service requirement for eligibility to six months of service.

Contributions

Each year, subject to an overall maximum annual pre-tax contribution pursuant to Internal Revenue Service (“IRS”) regulations, participants may contribute a percentage of their compensation. Participants who are 50 and older may also be eligible for catch-up contributions. Rollover contributions from other qualified retirement plans are permitted.

The Sponsors contribute a safe harbor matching contribution equal to 100 percent of the first six percent of the participant’s salary deferral.

At its discretion, the Sponsors may make additional profit sharing contributions on behalf of eligible employees to the Plan for a plan year. To be eligible for a discretionary profit sharing contribution, an employee must be employed on the last day of the plan year and must have completed at least 1,000 hours of service during the plan year. There were no profit sharing contributions for 2021.

Participant accounts

Each participant’s account is credited with the participant’s contributions, the Sponsors matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements

Distributions

Upon termination of employment for any reason, including retirement, a participant's vested account is generally distributed either in a single lump-sum payment or in installments over a period of time. Participants who are still employed may withdraw their vested accounts upon attaining age 59-1/2. If the termination is before the normal or early retirement dates and is for a reason other than death or disability and the vested balance is \$1,000 or less, the entire balance will be distributed. For retired participants, the latest commencement date for distributions is April 1 of the calendar year following the year in which the participant attains age 70-1/2 through 2020 and age 72 thereafter. A participant may request withdrawal from their account in the case of hardship as defined in the Plan document.

Vesting

Participants are immediately vested in their voluntary contributions and the Sponsors safe harbor matching contributions plus actual earnings thereon. Vesting in the Sponsors' discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after four years of credited service in their discretionary contributions.

A year of vesting service is a Plan year in which the participant has been credited with at least 1,000 hours of service.

Notes receivable from participants

Participants of the Plan may elect to borrow from their vested account balances a minimum of \$1,000 up to a maximum of 50% of their vested account balance or \$50,000, whichever is lower. Maximum loan amounts must be reduced by the participant's highest outstanding loan balance in the 12-month period before the date their loan is granted. The notes are secured by the balance in the participant's account and, as of December 31, 2021, bore an interest rate of 3.25% to 5.00%. Uncollectible notes receivable are charged to the participant's account. All notes must be repaid within five years, except for notes used to acquire a principal residence, which must be repaid within ten years. The interest rate charged on notes receivable from participants is equal to the prime rate plus 1% on the date the note is made.

Forfeited accounts

Non-vested forfeited participant accounts may be used to reduce any employer contribution or to pay eligible administrative expenses of the Plan. Plan assets included unallocated forfeitures of approximately \$300 and \$2,000 on December 31, 2021 and 2020, respectively.

Plan amendment

Effective April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020. The distribution provision allows Plans' participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan has not made a formal amendment but is currently operating under these provisions. The deadline for retroactive amendment is December 31, 2022.

Notes to Financial Statements

Note 2 – Summary of significant accounting policies

Basis of accounting

Method of accounting

The Plan prepares its financial statements and supplemental schedule on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under the modified cash basis of accounting, contributions and expenses are not recognized until received or paid, respectively.

Accounting estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Administrative expenses

Generally, plan administration expenses are paid by the Sponsors; however, certain expenses related to recordkeeping and investment activities charged by John Hancock Life Insurance Company, the Plan's trustee, are paid by the Plan. The Sponsors are the plan administrator.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the valuation policies utilizing information provided by the investment advisors and custodians. See the discussion under Fair Value Measurements for a description of valuation methodologies used for assets measured at fair value.

Purchases and sales of securities are reflected on a trade-date basis. Gain or loss on sales of investments is based on average cost. The Plan presents the net appreciation or depreciation in the fair value of its investments in the Statement of Changes in Net Assets Available for Benefits which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments. Interest income is recorded, as earned, on an accrual basis. Dividend income is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan documents.

Payment of benefits

Benefits are recorded when paid.

OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements

Risks and uncertainties

The Plan provides for various investment options within the pooled separate accounts, which invest in mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, changes in the values of investment securities can occur and those changes could materially affect participant account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization classified an outbreak of the novel strain of coronavirus (COVID-19) a global pandemic, which has adversely impacted the global economy by disrupting supply chains, lowering equity market valuations, creating significant volatility and disruption in financial markets, and increasing unemployment levels. While the Plan considers these disruptions to be temporary, the full extent of the impact of COVID-19 on Plan assets and financial results will depend on numerous evolving factors that are difficult to predict. In addition, the Company cannot predict the impact that COVID-19 will have on employees and global markets; any material adverse effect on these parties could also have a material adverse effect on Plan assets. Management is carefully monitoring the situation and evaluating its options during this time. No adjustments have been made to these financial statements as a result of this uncertainty.

Note 3 – Information certified by the Trustee (unaudited)

The following information included in the accompanying financial statements and supplemental schedule was derived from data that has been certified to as complete and accurate by the Trustee:

	December 31	
	2021	2020
Pooled separate accounts	\$ 4,911,133	\$ 3,806,653
Notes receivable from participants	18,896	53,509
Net appreciation in fair value of investments	595,225	
Interest income on notes receivable from participants	2,177	

Note 4 – Fair value of investments

The fair value measurements topic of the FASB Accounting Standards Codification (FASB ASC) establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are: Level 1, defined as observable inputs such as quoted prices in active markets; Level 2, defined as inputs other than quoted prices in active markets that are either directly or indirectly observable; and Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

OCEAN HOUSE MANAGEMENT, LLC 401(K) PLAN

Notes to Financial Statements

Pooled separate accounts are investments measured at fair value using the net asset value (NAV) per share (or its equivalent) practical expedient and have not been categorized in the fair value hierarchy.

Note 5 – Plan termination

The Plan was established with the expectation that it will continue indefinitely. The Plan may be terminated if the Sponsors so decide; however, the Sponsors have not expressed an intent to terminate the Plan. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 6 – Income tax status

The Plan has not obtained a private letter ruling or determination letter from the Internal Revenue Service stating that the plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). However, the Plan operates under a prototype plan sponsored by The Angell Pension Group, Inc. The prototype plan sponsor has obtained an opinion letter dated March 31, 2008, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examinations by Federal or State tax authorities. The plan administrator has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 – Related party transactions

Affiliates of the Trustee of the Plan sponsor investments and provide recordkeeping services to the Plan. These investments and the administrative fees associated with the recordkeeping services qualify as party-in-interest transactions. Participant notes receivable are also considered party-in-interest transactions.

Note 8 – Subsequent events

The Plan has evaluated subsequent events and transactions through September 21, 2022 the date the financial statements were available to be issued.

On January 1, 2022, the Plan amended its eligibility requirements (as mentioned in Note 1).

On April 1, 2022, the Plan transferred all its assets from John Hancock Life Insurance Company to The Vanguard Group, Inc.
