## REPORT OF INDEPENDENT AUDITORS

To the Participants and Trustees of
Sheet Metal Workers Local No. 20
Defined Contribution Pension Plan

***Opinion***
We have audited the financial statements of Sheet Metal Workers Local No. 20 Defined Contribution Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Sheet Metal Workers Local No. 20 Defined Contribution Pension Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinion***
We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Responsibilities of Management for the Financial Statements***
Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

222 Indianapolis Boulevard | Suite 103 | Schererville, IN 46375 | 219-836-1065 | 219-836-2012 Fax | www.legacycpas.com

***Responsibilities of Management for the Financial Statements (continued)***
Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

***Auditors' Responsibilities for the Audit of the Financial Statements (continued)***
We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Method of Accounting** - The accompanying financial statements of Sheet Metal Workers Local No. 20 Defined Contribution Pension Plan (the Plan) have been prepared using the accrual basis of accounting.

**Investments** - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of investments are reflected on a trade-date basis.

Dividend income is recorded on the ex dividend date. Interest income is recorded on the accrual basis.

**Contributions Receivable** - Employer contributions due and not paid prior to year end are recorded as contributions receivable. Employer contributions due as determined by payroll compliance audits are recorded as income when collected. An allowance for uncollectible accounts is considered unnecessary and is not provided.

**Property and Equipment** - Property and equipment are recorded at cost. Major additions are capitalized while replacements, maintenance and repairs which do not improve or extend the lives of the respective assets are expensed currently. Depreciation and amortization are computed on the straight-line method over estimated useful lives of three to five years for computer equipment, five to ten years for office furniture and equipment, and five years for leasehold improvements.

Depreciation and amortization expense was $1,600 in 2021 and $2,265 in 2020.

**Revenue Recognition** - Revenue derived from employer contributions is recognized in the period in which covered work is performed, based on the number of hours worked in covered employment and the contribution rate set forth in the collective bargaining agreements. Employers are required to remit contributions monthly. The Plan carries out its purpose described in Note 2 within a jurisdiction primarily located in counties throughout the state of Indiana.

## NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Payment of Benefits** - Benefit payments to participants are recorded upon distribution. Amounts allocated to participants who elected a withdrawal from the Plan but were not yet paid at December 31, 2021 and 2020 totaled $38,558 and $65,116 respectively.

**Expenses** - Certain investment related expenses are included in net appreciation in fair value of investments.

**Estimates** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

**Subsequent Events** - Subsequent events have been evaluated through June 17, 2022, which is the date the financial statements were available to be issued.

## NOTE 2. DESCRIPTION OF THE PLAN

The Plan was established during 1999 as a result of a collective bargaining agreement between Sheet Metal Workers Local Union No. 20 and various employer associations to provide retirement, disability and survivor benefits for eligible participants. The Plan is primarily funded by employer contributions as specified in the collective bargaining agreement. Participants may elect a wage classification and increase employer contributions by $1, $2, $3, $4, $5 or $6 per hour by taking a corresponding $1, $2, $3, $4, $5 or $6 reduction in their hourly rate of pay. A $7 option is also available for certain participants. The Plan is a multiemployer defined contribution retirement plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation.

An individual account is established for each participant. Participants accounts are credited with employer contributions made on their behalf, and are adjusted for Plan earnings less administrative fees. As defined, income allocations are based on individual account balances. An annual administrative fee of $10 is charged to participants. The benefit to which participants are entitled is the benefit that can be provided from their account.

Participants may direct contributions and rollovers in various investment options. In the absence of participant direction, contributions are invested in a designated target fund until changed by the participant. Participants may change their investment options as permitted under the Plan provisions. Participants must evaluate their own investment goals and objectives and choose the investment options best suited to achieve those goals and objectives. Poor investment performance by the investment options selected by the participants may cause their vested account balances to be lower than the employer contributions made to the Plan on their behalf.

## NOTE 2. DESCRIPTION OF THE PLAN (CONTINUED)

Under current Plan provisions, each participant's account is immediately vested in all employer contributions paid on the participant's behalf. Upon death, disability, retirement or separation from service for more than two years, participants are entitled to receive their account balance, subject to the payment provisions of the Plan.

The Plan's net assets available for benefits at December 31, 2021 and 2020 include unallocated accounts of $716,227 and $384,091 respectively. These amounts are available to pay administrative costs incurred by the Plan.

Participants should refer to the summary plan description for more complete information.

## NOTE 3. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect; however, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries, except that provision may be made for the payment of necessary expenses resulting from termination of the Plan.

In the event of termination, the net assets of the Plan will be allocated to pay benefits in priorities as prescribed by ERISA and its related regulations. Benefits would be distributed to the participants and their beneficiaries as if the Plan had not been terminated.

## NOTE 4. TAX STATUS

The Plan's latest determination letter is dated August 5, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan's administrator and Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

## NOTE 4. TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 5. FUNDING POLICY

The participating employers contribute such amounts as are specified in their collective bargaining agreements. The contribution rates per hour worked for the years ended December 31, 2021 and 2020, including additional amounts elected as described in Note 2, ranged from $0.20 to $8.00.

## NOTE 6. FAIR VALUE MEASUREMENTS

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

| | |
|---|---|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable |

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

**NOTE 6. FAIR VALUE MEASUREMENTS (CONTINUED)**

| | | Fair Value Measurements at 12/31/21 Using | | |
|---|---|---|---|---|
| | Total | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Mutual funds and exchange traded funds | $ 97,843,112 | $ 97,843,112 | $ - | $ - |
| Total | $ 97,843,112 | $ 97,843,112 | $ - | $ - |

| | | Fair Value Measurements at 12/31/20 Using | | |
|---|---|---|---|---|
| | Total | Quoted Prices in Active Markets for Identical Assets (Level 1) | Significant Other Observable Inputs (Level 2) | Significant Unobservable Inputs (Level 3) |
| Mutual funds and exchange traded funds | $ 87,991,711 | $ 87,991,711 | $ - | $ - |
| Total | $ 87,991,711 | $ 87,991,711 | $ - | $ - |

Level 1 Measurements

The fair values of the mutual funds and exchange traded funds are determined by reference to the funds' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds and exchange traded funds are traded on national securities exchanges and are valued at the net asset value on the last business day of each period presented.

## NOTE 7. RELATED ORGANIZATIONS

Identification of Related Organizations

The Plan has a number of related organizations including a local union, a health and welfare plan, an apprenticeship fund and various pension plans, all of which are tax-exempt.

Common Administrative Expenses

The Plan shares facilities, equipment and staff with certain related organizations. Common administrative expenses incurred with related Sheet Metal Workers Local No. 20 Welfare and Benefit Fund (the Welfare Fund) are initially paid by the Welfare Fund and allocated periodically based on estimates of time spent, space used and costs incurred. Common administrative expenses allocated to the Plan for the years ended December 31, 2021 and 2020 totaled $114,071 and $113,545 respectively. The amount due to the Welfare Fund at December 31, 2021 and 2020 for common administrative expenses was $26,071 and $17,545 respectively.

Collection of Contributions

The Welfare Fund collects contributions on behalf of the Plan throughout the year. On a regular basis, contributions due to the Plan are transferred to the Plan.

## NOTE 8. PENSION PLANS

The Plan's full-time shared employees are covered by a multiemployer defined benefit pension plan that is not considered to be individually significant. The Plan's share of contributions to the defined benefit pension plan for the years ended December 31, 2021 and 2020 was $8,516 and $7,871 respectively. Full-time shared employees are also covered by one of two multiemployer defined contribution retirement plans. The Plan's share of contributions to the defined contribution retirement plans for the years ended December 31, 2021 and 2020 was $1,080 and $1,045 respectively. Contributions are made monthly under terms of a participation agreement.

## NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Two of the Plan's investment funds represented approximately 65% of the Plan's net assets available for benefits as of both December 31, 2021 and 2020. The Plan's exposure to concentration of credit risk is limited by the diversification of investments across the Plan's investment portfolio. Additionally, the investments within each investment fund are further diversified into varied financial instruments.

## NOTE 10. PARTY-IN-INTEREST TRANSACTIONS

John Hancock Trust Company LLC is responsible for participant recordkeeping and distributions to Plan participants at the direction of the Board of Trustees and the custody of the Plan's investment assets. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

## NOTE 11. IMPACT OF COVID-19 AND NEWLY ENACTED LEGISLATION

As a result of the spread of the COVID-19 coronavirus, economic uncertainties have arisen which may negatively impact the Plan, though the potential impact and duration is unknown as of the date the financial statements were available to be issued.

Several major legislative relief packages were enacted in response to the coronavirus outbreak, containing numerous tax, emergency funding and other regulatory provisions affecting retirement plans. The Plan continues to evaluate the impact of newly enacted legislation on its provisions, operations and cash flows.

## NOTE 12. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

| | 2021 | 2020 |
|---|---|---|
| Net assets available for benefits per the financial statements | $ 98,511,996 | $ 88,345,952 |
| Less - amounts allocated to withdrawing participants | (38,558) | (65,116) |
| Net assets available for benefits per the Form 5500 | $ 98,473,438 | $ 88,280,836 |

The following is a reconciliation of benefits paid to or for participants per the financial statements to the Form 5500 for the year ended December 31, 2021:

| | |
|---|---|
| Benefits paid to or for participants per the financial statements | $ 4,071,377 |
| Add - amounts allocated to withdrawing participants at end of year | 38,558 |
| Less - amounts allocated to withdrawing participants at beginning of year | (65,116) |
| Benefits paid to or for participants per the Form 5500 | $ 4,044,819 |

In accordance with the reporting requirements of Form 5500, amounts allocated to withdrawing participants are reported on the Form 5500 for benefits that have been processed and approved for payment prior to year end, but not yet paid as of that date.
