REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Trustees, Plan Administrators, and Plan Participants
Twin Eagle Resource Management 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Twin Eagle Resource Management 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 and supplemental schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Twin Eagle Resource Management 401(k) Plan

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF THE PLAN

The following brief description of the Twin Eagle Resource Management 401(k) Plan (the "Plan") is provided for general information purposes only. The Plan is sponsored by Twin Eagle Holdings N.A., LLC (the "Plan Sponsor" or "Company"). Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan designed and intended to operate as a safe harbor 401(k) plan that provides retirement savings benefits to eligible employees of the Company through voluntary contributions by employees and safe harbor matching contributions by the Company. The Plan, which commenced effective June 1, 2015 and was amended and restated effective June 18, 2018, covers substantially all employees of the Company. Participation in the Plan is voluntary. Employees are eligible to participate in the Plan upon date of hire. There is no age or service requirement. An employee's entry date is the first day of the Plan year or first day of the fourth, seventh or tenth month of the Plan year coinciding with or next following the date eligibility requirements are satisfied. Excluded from the class of eligible employees are certain union, Puerto Rico residents and independent contractors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") as amended and the Internal Revenue Code ("IRC"). The Company is the designated administrator of the Plan and Fidelity Management Trust Company ("FMTC") is the trustee of the Plan responsible for the management and control of the Plan's assets, which are held in individual participant investment accounts.

Effective April 1, 2021, the Plan was amended and restated to reflect certain statutory changes, in accordance with Fidelity Management and Research Company's pre-approved plan document dated June 30, 2020, which received an advisory letter from the Internal Revenue Service ("IRS") on June 30, 2020, which stated that the pre-approved plan document is designed in accordance with the applicable sections of the IRC.

Plan Trustee

The Plan's assets are held by Trustee, FMTC. Among other duties, the Trustee receives the contributions, holds and invests the fund assets in accordance with the directions of the participants, and makes disbursements to participants as requested.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) employer safe harbor matching contributions and (b) Plan earnings (losses) and is charged with investment fees and transaction fees. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant Contributions

Participants may elect to defer a percentage or dollar amount of their salary at each pay period up to the maximum amount allowed for deferral under the IRC, which is \$19,500 for 2021. Participants may also designate all or a portion of their elective deferrals as Roth elective deferrals. The amount deferred is not subject to federal taxation to the participants until distributions are made from the Plan.

Participants who have attained age 50 or older before the end of the tax year are eligible to make catch-up contributions up to the maximum amount allowed for deferral under the IRC, which is \$ 6,500 for 2021. Participants may discontinue their election to contribute at any time.

Rollover Contributions

Participants may also contribute eligible rollovers from other qualified defined benefit or defined contribution plans and individual retirement accounts.

Employer Contributions

The Plan is a safe harbor plan providing contributions under a basic matching contribution formula. During 2021, the Company matched 100% of participant's contributions up to 4% of each participant's eligible compensation for the Plan year. The Company's safe harbor contributions are 100% vested immediately and invested in the same manner as the participant has directed for their contributions.

Investment Options

Participants direct the investment of their contributions into various investment options offered by the Plan. Investment options primarily consist of shares of mutual funds and a money market account. Participants may elect to allocate their total contributions to the various investment options in increments of 1% and may change their investment options daily, subject to certain restrictions on such changes imposed by the Plan's investment funds.

Vesting

Participants are immediately and fully vested in their voluntary contributions and employer safe harbor matching contributions plus actual earnings (losses) thereon.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. No more than one loan can be outstanding at any one time. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% through 2034, which was commensurate with local prevailing rates at the time the loans were initiated as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions. All loans must be repaid within five years, unless the loan is used to purchase a primary residence, for which loan terms may range up to 15 years.

In response to the CARES Act, the Plan allowed COVID-related loan requests up to \$100,000. Furthermore, loan deferrals up to 1 year were allowed under the plan. If a loan was outstanding on or after March 27, 2020, and any repayment on the loan was due from March 27, 2020 to December 31, 2020, that due date may be delayed under the plan for up to one year. Any payments after the suspension period will be adjusted to reflect the delay and any interest accruing during the delay.

Payment of Benefits

On termination of employment, disability, death, or normal retirement, a participant or designated beneficiary may elect to receive a lump-sum distribution equal to the value of the participant's vested account balance, a direct rollover distribution, a combination of a lump-sum cash distribution and direct rollover distribution. Participants may defer receipt of distribution until a later date unless their account balance is \$5,000 or less. If the vested account balance is \$5,000 or less, the Company will direct the Trustee, FMTC, that any amount exceeding \$1,000 be distributed to the participant, without consent, into an IRA for their benefit. If the vested account balance is \$1,000 or less, the account will be distributed to the participant without consent as a lump-sum distribution in cash.

December 31, 2021 and 2020

If an active participant has attained age 59½, they may elect to withdraw all or a portion of their account while still employed by the Company. Hardship distributions are available to participants who demonstrate an immediate and heavy financial need. In accordance with IRS regulations, participants must exhaust all other assets reasonably available to them prior to obtaining a hardship withdrawal.

In response to the CARES Act, the plan provided for expanded distribution options and favorable tax treatment, from January 1, 2020 to December 31, 2020, for up to \$100,000 of coronavirus-related distributions. The distributions generally are included in income ratably over a three-year period, starting with the year in which the participant receives the distribution. However, the participant does have the option of including the entire distribution in income for the year of the distribution. The distribution may be paid back to the plan, in part or in whole, over a three year period after the date the distribution was received. If the distribution is repaid, the distribution will not be considered income for tax purposes.

Administrative Expenses

The Plan permits the payment of expenses incurred in connection with the recordkeeping and administration of the Plan to be made from the Plan's assets. Investment related expenses are charged to the participants' accounts based on investment activity. Fees related to notes receivable of participants and benefit payments are charged to participant's account. Administrative expenses totaled \$93,889 for the year ended December 31, 2021. Certain expenses such as advisory, audit and tax return preparation are paid by the Company. The Company may pay, at its discretion, all reasonable costs, charges, and expenses incurred in the administration of the Plan. Expenses that are paid by the Company are excluded from these financial statements.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting and include all adjustments necessary to present fairly the financial statements of the Plan in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan Administrator and in the period in which they are deducted, in accordance with salary deferral agreements.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

Investment Valuation and Income Recognition

Investments are reported at fair value and are measured in accordance with Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market for the asset or liability. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in value of investments includes realized gains and losses on investments bought and sold during the year and unrealized appreciation of investments held at year-end. Net realized and unrealized appreciation is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. As of December 31, 2021 and December 31, 2020 there were no uncollectible notes receivable.

Payment of Benefits

Benefits paid to participants are recorded when paid. For the years ended December 31, 2021 and 2020, there were no amounts allocated to participants who elected to withdraw from the Plan, but have not been paid.

Risks and Uncertainties

The Plan provides for various investment options in shares of mutual funds and a money market account. Investments, in general, are exposed to various risks, such as interest rate, credit and overall volatility risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FMTC, the trustee of the Plan, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Total investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

- Schedule H, Line 4i - schedule of assets (held at end of year), December 31, 2021, including notes receivable.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") ASC 820, *Fair Value Measurement*, defines fair value, establishes a consistent framework for measuring fair value and expands disclosure requirements for fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date. Valuation of these instruments does not require a significant degree of judgment since valuations are based on quoted prices that are readily available in an active market.
- Level 2 - Significant observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the financial instrument.
- Level 3 - Significant unobservable inputs that reflect modifications to observable related market data or our assumptions about pricing by market participants.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year end based on published quoted market prices.

Money Market Fund: Valued at cost, which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
December 31, 2021 and 2020

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,474,836	\$ -	\$ -	\$ 20,474,836
Money market fund	3,799,104	-	-	3,799,104
	<u>\$ 24,273,940</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 24,273,940</u>

NOTE E - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and a money market account managed by FMTC. These specific investments issued or managed by FMTC qualify as party-in-interest transactions. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest.

The Plan has notes receivable from certain of its participants. These transactions also qualify as party-in-interest transactions, as defined by ERISA. However, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE F - NON-EXEMPT TRANSACTIONS WITH PARTIES IN INTEREST

The Company remitted participant contributions and participant loan repayments totaling \$42,048 to the trustee on a date that was later than guidance prescribed by the DOL's rules and regulations, for the December 31, 2021 plan year. The Company corrected these errors under the DOL's Voluntary Fiduciary Correction Program ("VFCP") and participant accounts were credited with interest to make up for the lost investment income that would have been earned had the amounts been remitted on a timely basis. A schedule of delinquent participant contributions has been added to the supplemental information in accordance with the DOL's rules and regulations that reflects the correction of these amounts.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED

NOTE H - TAX STATUS

The underlying standardized volume submitter profit sharing plan has received an opinion letter from the IRS dated June 30, 2020, stating that the form of the Plan is qualified under Section 401(a) of the IRC, and therefore, the related trust is tax-exempt. The Plan Sponsor has determined that it is eligible to and has chosen to rely on the current IRS standardized volume submitter profit sharing plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I - SUBSEQUENT EVENTS

The Company performed an evaluation of events that have occurred subsequent to the end of the Plan year through the date that the financial statements were available to be issued. As of August 25, 2022, there have been no subsequent events, that occurred during such period that would require recognition in the financial statements or would require disclosure in the financial statements.
