INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Coast Citrus Distributors, Inc.
401(k) Profit Sharing Plan
San Diego, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at Year End) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment

information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following brief description of Coast Citrus Distributors, Inc. 401(k) Profit Sharing Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all non-union employees of Coast Citrus Distributors, Inc. (the "Employer" or "Company") who have completed six months of service. The Plan was originally established July 1, 1981 as a profit sharing plan and was amended and restated in its entirety, effective July 1, 1998, in order to qualify under the provisions of the Internal Revenue Code of 1986 (the "Code"), and any amendments thereto, and under any rulings or regulations adopted by the Department of Labor ("DOL") and/or the Department of Treasury. The Company serves as administrator of the Plan. The Plan engages Fidelity Management Trust Company (the "Trustee") (see Note 8) to hold and invest Plan assets and execute Plan transactions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

The Plan is a savings plan that allows employees to defer a portion of their salaries for income tax purposes through contributions to the Plan and the investment of such contributions in the funds offered by the Plan. Participants may contribute up to 60% of their compensation each year up to the maximum amount permitted under the Code.

The Company is required to make matching contributions to the Plan equal to 25% of each participant's annual deferred contribution, provided that the total of such matching contributions does not exceed 6% of the employees' annual compensation and Internal Revenue Service ("IRS") deferral limitations.

The Company may also make a discretionary profit sharing contribution each year. Discretionary contributions are allocated to a participant's account based on the ratio of the participants' salary to the total of the annual salaries of all non-union qualified employees. For participants to qualify for an allocation from discretionary contributions, they must be employed by the Company on the last day of the Plan year and have completed 1,000 hours of service. A discretionary contribution of \$200,000 and \$300,000 is included in employer contributions receivable at December 31, 2021 and 2020, respectively.

A participant may, with the consent of the Plan Administrator, make a rollover contribution to the Plan at any time. Rollover contributions are assets transferred to the Plan from a qualified savings plan in which an employee participated prior to employment with the Company.

The Plan provides that participants who will be age 50 or older by the end of the calendar year and who are making contributions to the Plan may also make a catch-up contribution of up to \$6,500.

Note 1 - Description of Plan (continued)

Participation

An employee may join the Plan on the first day of each Plan year and the first day of the fourth, seventh and tenth month of each Plan year coinciding with or next following the date eligibility requirements are met.

Participant Accounts

Each participant's account is credited or charged with the participant's contributions, the Employer's matching contribution and an allocation of (a) the Employer's discretionary profit sharing contribution (if any), (b) Plan earnings or losses, and (c) an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

The benefit to which a participant is entitled upon termination of service is equal to the vested benefit in the participant's account.

Participants' Investment Options

Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. These investment options consist of mutual funds and a stable value fund. Participants may change their investment options at any time throughout the year.

Vesting

Participants are 100% vested in their voluntary contributions to the Plan plus actual earnings thereon at all times. All other contributions or credits to the participant's account vest at the rate of 20% per year of service.

Notes Receivable from Participants

Participants may obtain loans from the Plan which are secured by the vested balance in the participant's account. The maximum amount that may be borrowed from the participant's vested account balance is the lesser of \$50,000 or 50% of the vested account balance. These loans are pre-approved by the Company and the Trustee, except for loans to purchase a principal residence, and bear interest at prevailing market rates of 4.25% as of December 31, 2021 and 2020. Loan payments are made through payroll deductions over a period that may not exceed five years from the date the loan was made, unless the loan will be used to acquire a principal residence, in which case the repayment period may not extend beyond ten years from the date of the loan.

Note 1 - Description of Plan (continued)

Distributions

Participants are entitled to a distribution of their vested benefits in the event of retirement, death, disability, termination of employment or termination of the Plan. The distribution may be taken through one of the following methods: lump sum payment, monthly or annual installment annuities or life annuities. The method depends on marital status, as well as elections made by the participant. All methods of distribution have equivalent values. At December 31, 2021 and 2020, net assets available for plan benefits included \$0 for distributions payable to participants who have withdrawn from the Plan prior to the end of the Plan year.

Hardship Withdrawals

Participants may withdraw their vested contributions in the event of hardship as defined in the Plan agreement.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$19,319 and \$77,676, respectively. Forfeitures are retained in the Plan and will be used to pay administrative expenses under the Plan or to reduce future Employer contributions as directed by the Employer. During the year ended December 31, 2021, \$84,843 of forfeitures were applied to reduce Employer contributions.

Coronavirus Aid, Relief and Economic Security Act

The Plan has implemented certain requirements by the Coronavirus Aid, Relief and Economic Security Act ("Cares Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "Secure Act"), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Subsequent Events

The Plan administrator has evaluated subsequent events, as defined by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 855, Subsequent Events, through the date that the financial statements were available to be issued on September 20, 2022.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

COAST CITRUS DISTRIBUTORS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the value of its investments which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

Substantially all costs associated with administering the Plan are paid by the Company.

Note 3 - Fair Value Measurements

The Plan's investments in mutual funds are reported at fair value in the accompanying statements of net assets available for benefits. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, accounting rules for fair value measurements establish a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels, which are described below:

- | | |
|----------|--|
| Level 1: | Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs. |
|----------|--|

COAST CITRUS DISTRIBUTORS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3 - Fair Value Measurements (continued)

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible as well as considers counterparty credit risk in its assessment of fair value. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. There have been no changes in the valuation methodologies used for assets measured at fair value.

Mutual funds: Investments in mutual funds are valued using market prices on active markets (Level 1). Level 1 instrument valuations are obtained from real-time quotes for transactions in active exchange markets involving identical assets.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	December 31, 2021	Level 1	Level 2	Level 3
Mutual funds	\$ 7,554,070	\$ 7,554,070	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$ 7,554,070</u>	<u>\$ 7,554,070</u>	<u>\$ -</u>	<u>\$ -</u>
	December 31, 2020	Level 1	Level 2	Level 3
Mutual funds	\$ 7,081,093	\$ 7,081,093	\$ -	\$ -
Total assets in the fair value hierarchy	<u>\$ 7,081,093</u>	<u>\$ 7,081,093</u>	<u>\$ -</u>	<u>\$ -</u>

COAST CITRUS DISTRIBUTORS, INC.
401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 4 - Stable Value Fund

The Putnam Stable Value Fund invests in guaranteed investment contracts issued by insurance companies and other financial institutions, security-backed investment contracts, money market instruments and cash equivalents. There are no unfunded commitments, participant withdrawal restrictions or other redemption restrictions. The funds may be redeemed daily. The fund is benefit responsive, and thus, is reported at contract value.

Note 5 - Related Party Transactions

Certain Plan investments are managed by the Trustee, therefore, these transactions qualify as exempt party-in-interest transactions. All other transactions, which may be considered exempt parties-in-interest transactions, relate to normal Plan management and administrative services.

Note 6 - Income Tax Status

The Plan has adopted a prototype plan and relies on the prototype plan's opinion letter from the IRS. The Plan has been amended since receiving the determination letter. However, management believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the Code and that, therefore, the Plan qualifies under Section 401(a) and the related trust is tax exempt as of December 31, 2021 and 2020. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 7 - Plan Termination

The Company intends to continue the Plan indefinitely, but reserves the right to terminate it at any time. Upon termination of the Plan, all participants will become fully vested in their account balances under the Plan, subject to provisions of ERISA.

Note 8 - Information Certified by the Trustee

The Company has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the Company the completeness and accuracy of:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net appreciation or depreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Investments reflected on the supplemental schedule of assets (held at end of year).

Note 9 - Risks and Uncertainties

The Plan invests in various mutual funds and a stable value fund. Mutual funds and stable value funds are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain mutual funds and stable value funds, it is at least reasonably possible that changes in the values of mutual funds and stable value funds will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as presented in the financial statements to the Form 5500, as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 12,628,942	\$ 12,191,484
Fair value adjustment for stable value fund	<u>180,601</u>	<u>176,152</u>
Net assets available for benefits per the Form 5500	<u>\$ 12,809,543</u>	<u>\$ 12,367,636</u>

The following is a reconciliation of the change in net assets available for benefits as presented in the financial statements to the Form 5500 for the year ended December 31, 2021:

Change in net assets available for benefits per the financial statements	\$ 437,458
