THE RETIREMENT PLAN COMMITTEE
THE WILLIAM AND FLORA HEWLETT FOUNDATION 403(b) PLAN
Menlo Park, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **THE WILLIAM AND FLORA HEWLETT FOUNDATION 403(b) PLAN (the Plan)**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 financial statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The William and Flora Hewlett Foundation 403(b) Plan

Notes to Financial Statements

Note 1 - Plan Description:

The following description of The William and Flora Hewlett Foundation 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan sponsored by The William and Flora Hewlett Foundation (the Foundation) to provide benefits to eligible employees, as defined in the Plan document. The Plan was established on January 1, 1978. In April 2018, the Foundation adopted the Fidelity Workplace Services LLC 403(b) Volume Submitter Plan with a restatement effective date of January 1, 2014. The Plan is a custodial account plan invested mainly in mutual funds. The Plan was most recently amended effective January 1, 2020 to clarify the definition of a highly compensated employee. The Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code (the Code) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

In April 2020, the Plan adopted the distribution provision of the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan has also implemented certain other provisions of the CARES Act such as allowing qualified individuals to receive coronavirus-related relief for loan repayment, suspending required minimum distributions, and delaying the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service (IRS) guidance.

b. Eligibility

All employees, except non-resident aliens and employees who normally work less than 20 hours per week, are eligible to enroll in the Plan as soon as administratively feasible following their hire date. The Foundation contributions begin after six months of service.

The William and Flora Hewlett Foundation

403(b) Plan

Notes to Financial Statements

c. Contributions

Upon hire, eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation (as defined by the Plan) for such pay period; provided, however, that the participant may at any time elect to have his or her deferral made at a different rate or to elect to have no participant contribution made. The participant deferrals will be invested in the Vanguard Target Retirement funds unless a different investment option is designated by the participant.

Participants may make salary deferral contributions up to 100% of their eligible pre-tax compensation, not to exceed the amount allowable under current income tax regulations. Effective January 1, 2019 the Plan allows for Roth contributions and in-plan Roth rollovers.

Once the employee becomes eligible for the Foundation contributions, each pay period, the Foundation will (subject to IRS limits) automatically deposit in his or her account a discretionary (basic) contribution amount equal to 7% of his or her monthly base compensation, plus a safe harbor matching contribution equal to two times his or her voluntary deferrals for that pay period, but not more than 8% of his or her total eligible compensation for the pay period.

Participants may rollover amounts representing distributions from other qualified plans.

d. Participant Accounts

Each participant's account is credited with the participant's salary deferral contributions, the participant's qualified rollover contributions, the Foundation's basic and matching contributions, Plan earnings or losses thereon and Plan fees. Expenses charged directly to the Plan by the Plan's custodian are charged to a participant's account.

e. Vesting

Participants are vested immediately in their employee contributions, including rollovers from other qualified retirement plans, and earnings thereon. The portion of the participants' accounts attributable to the Foundation's basic and matching contributions becomes immediately vested after the participant has met the eligibility requirement defined in the Plan.

403(b) Plan

Notes to Financial Statements

f. Participant Investment Options

Upon enrollment in the Plan, a participant must direct their employee and the Foundation basic and matching contributions to any of the investment options made available and determined by the Plan Administrator. The Vanguard Target Retirement funds are the default investment option. Participants may change their investment options any time throughout the year (subject to specific limitations placed by certain investment funds) via the Fidelity Investments Institutional Operations Company, Inc.'s telephone system or Internet website.

g. Notes Receivable from Participants

Participants may borrow from their participant salary deferral contribution fund account a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. The loans are secured by the remaining balance in the participant's account. Such loans bear interest at the available market financing rates, 4.25% to 6.50% for the year ended December 31, 2021, and must be repaid to the Plan within a five-year period, unless the loan is used for the purchase of a principal residence in which case the maximum repayment period is 15 years. Repayment of loan principal and interest must be through direct deposit from the participant's bank account.

h. Payment of Benefits

A participant with an account of more than \$5,000 may, upon termination of service, death, disability, retirement, reaching age 59 ½ or hardship, elect to receive an amount equal to his or her vested account interest in either a lump-sum amount or in installments. A participant with a balance of \$5,000 or less may, upon termination, have the vested amount paid out in a lump sum distribution. Eligible distributions between \$1,000 and \$5,000 are rolled over into a traditional individual retirement account (IRA) unless otherwise elected by the participant. There were no participant requests to withdraw from the Plan as of December 31, 2021 or 2020 that had not been paid as of those dates.

i. Plan Custodian and Third Party Administrator

The Foundation appointed Fidelity Management Trust Company (FMTC) as Custodian and Fidelity Investments Institutional Operations Company, Inc. as the third-party administrator (collectively Fidelity). Substantially all the Plan's assets are held by FMTC.

Notes to Financial Statements

Note 2 - Summary of Significant Accounting Policies:

a. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

b. Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

c. Investment Valuation and Income Recognition

Investments of the Plan are held by the Custodian and invested based solely upon instructions received from participants.

The Plan's investments are reported at fair value as of the last day of the Plan year. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the Custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

The market volatility of equity-based investments could substantially impact the value of such investments at any given time. It is likely that the value of the Plan's investments, both in total and in individual participant accounts, has fluctuated since December 31, 2021.

d. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan document. No allowance for credit losses had been recorded as of December 31, 2021 and 2020.

The William and Flora Hewlett Foundation

403(b) Plan

Notes to Financial Statements

e. Benefits to Participants

Benefits are recorded when paid.

f. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Foundation. Expenses that are paid by the Foundation are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Plan administrative fees for participants who are no longer employed by the Foundation are charged directly to the terminated participant's account and are included in administrative expenses.

g. Subsequent Events

The Plan Administrator evaluated subsequent events from December 31, 2021 through September 21, 2022, the date these financial statements were available to be issued, and has determined there were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 3 - Certified Information:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Custodian of the Plan).

Note 4 - Fair Value Measurements:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Notes to Financial Statements

Self-directed brokerage accounts: Accounts primarily consist of mutual funds.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

December 31, 2021	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Investments, at fair value	\$ 92,284,575	\$ 92,284,575	\$ -	\$ -

December 31, 2020	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 76,191,568	\$ 76,191,568	\$ -	\$ -
Self-directed brokerage accounts	2,016,430	2,016,430	-	-
Investments, at fair value	\$ 78,207,998	\$ 78,207,998	\$ -	\$ -

Note 5 - Related Party Transactions and Party-in-Interest Transactions:

Certain Plan investments are managed by an affiliate of Fidelity Management Trust Company (FMTC). FMTC is the Custodian and recordkeeper for the Plan, therefore, these transactions qualify as party-in-interest transactions.

Any purchases and sales of these funds are open market transactions at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the party-in-interest prohibition.

Certain administrative functions are performed by officers or employees of the Foundation. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Foundation.

Fidelity provides certain administrative services to the Plan pursuant to a Record Keeping Agreement with the Plan. Fidelity receives revenue from investment service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services to the Plan.

The William and Flora Hewlett Foundation

403(b) Plan

Notes to Financial Statements

Note 6 - Plan Termination:

Although the Foundation has not expressed any intent to do so, the Foundation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 7 - Tax Status:

The Plan has adopted a volume submitter plan from Fidelity Workplace Services LLC (FWS), an affiliate of the Custodian. The FWS plan received a favorable opinion letter dated August 7, 2017 from the Internal Revenue Service as to the form of the plan being acceptable under Section 403(b) of the Internal Revenue Code. This opinion on the acceptability of the form of the plan is not a ruling or determination as to whether the Plan qualified under Code Section 403(b). The Plan Administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Note 8 - Risks and Uncertainties:

The Plan provides for various investment options in any combination of mutual funds offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Fidelity 500 Index Fund investment represented approximately 21% and 19% of Plan assets as of December 31, 2021 and December 31, 2020, respectively.
