With Independent Auditors' Report*

INDEPENDENT AUDITORS' REPORT

The Advisory Committee of
Kleinschmidt Associates Employees Profit Sharing Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Kleinschmidt Associates Employees Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

The Advisory Committee of
Kleinschmidt Associates Employees Profit Sharing Plan and Trust

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Advisory Committee of
Kleinschmidt Associates Employees Profit Sharing Plan and Trust

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of the Kleinschmidt Associates Employees Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Kleinschmidt Associates, Inc. (the Company). The Plan, as amended, is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Eligibility

Upon completing 30 days of service, employees are eligible to participate in all aspects of the Plan on the first day of the month on or after the service requirement is met.

The Plan automatically withholds 6% of compensation from employees who have not completed a salary deferral agreement by the time they become eligible to make salary deferrals. Participants may execute a salary deferral agreement at any time to select an alternative deferral amount or elect not to defer under the Plan.

Contributions

Participants are eligible to make pre-tax or post-tax contributions from their compensation in amounts up to the Internal Revenue Service (IRS) limitation. Participants may change their deferral amounts at any time. Participants direct the investment of their deferrals, and employer contributions made on their behalf, into various investment options offered by the Plan.

The Company notifies participants of its matching contribution amount prior to the beginning of the next Plan year annually. The Company provided a discretionary matching contribution in an amount equal to the sum of 100% of the participant's elective deferrals that do not exceed 4% of the participant's bi-weekly salary during 2021 and 2020.

The Company may make additional discretionary annual contributions based on the participant's total annual compensation or formula as stated in the Plan Document and the contribution amount will be determined by the Board of Directors at the end of the Plan year. Total discretionary contributions were approximately \$348,000 in 2021 and \$399,000 in 2020. In order for participants to be eligible for additional annual discretionary contributions, the participant must have completed 1,000 hours of service in the Plan year and be employed on the last day of the year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions on their behalf, and an allocation of the Plan earnings based on account balances, and reduced for certain account related administrative expenses, if applicable.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (Continued)

Investment Options

The Plan is designed to satisfy the requirements of Section 404(c) of ERISA. The participants direct the investment of their account within any of the available options offered by the Plan. Participants should refer to the respective prospectus for further information.

Vesting

Employer contributions subject to vesting vest in 20% increments beginning in year two and become fully vested after the completion of six years of service. Upon normal retirement age, death, or disability, the participant account becomes 100% vested. Participants are 100% vested in their own contributions.

Notes Receivable from Participants

The Plan permits notes of not less than \$1,000 to participants. Participants may have only two notes outstanding at any time. Repayment periods for notes to purchase a principal residence may exceed 5 years; all other note repayment periods must not exceed 5 years. Up to 50% of a participant's vested account balance not to exceed \$50,000 may be borrowed, with principal and interest repayments required. Note repayments are calculated, withheld and remitted bi-weekly. The notes are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined periodically by the plan trustee.

Effective March 27, 2020, the Plan adopted the loan provisions of the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) allowing qualified Plan participants to borrow up to \$100,000 of their vested balance and allowing loan payments due March 27, 2020 through December 31, 2020 to be deferred up to one year.

Payment of Benefits

Upon termination of employment, distributions are to be made as soon as administratively feasible at the participant's election. In addition, involuntary distributions of balances less than \$5,000 will be made upon termination. Minimum distributions are required beginning April 1st of the calendar year following the later of the year in which the participant attains age 72 or retires. In-service distributions to participants who have not separated from service may be made upon obtaining the age of 55. Distributions are permitted from the Plan upon death or meeting certain disability or hardship qualifications. Participant rollover distributions may be made upon request of the employee.

Effective March 27, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law. A CARES Act distribution allowed the Plan's qualified participants to take a coronavirus (COVID-19) related distribution up to \$100,000 (not to exceed the participant's account balance) from the Plan prior to December 31, 2020. Additionally, required minimum distributions were temporarily waived during 2020.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan (Continued)

Forfeitures

Portions of employer contributions in which a participant is not fully vested at the time of termination or withdrawal from the plan are considered forfeited and may be used to pay plan expenses or offset the employer's contributions at the employer's discretion. Such forfeitures for the years ended December 31, 2021 and 2020 totaled \$16,169 and \$17,113, respectively. There were no forfeited balances included as part of Plan assets at December 31, 2021 and 2020.

Administrative Expenses

Administrative expenses are paid by the Company, to the extent they are not paid by the Plan or participants. The Plan pays administrative expenses associated with record-keeping and distributions and the Company pays a majority of the Plan's other administrative expenses. Personal Retirement Account (PRA) fees for separated employees and loan fees are paid directly by participants.

2. Summary of Significant Accounting Principles

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting, in conformity with accounting principles generally accepted in the United States of America.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are stated at fair value based upon quoted market prices which represent the net asset value of shares held by the Plan. Investments in pooled separate accounts and collective trusts are stated at fair value, which has been determined based on the unit values of the trusts. Unit values are determined by the trust by dividing the fund's net assets based on the fair value of the underlying investments by its units outstanding at each valuation date. Certain employer initiated events may reduce the reported value of the investment in the collective trusts. These events include tax disqualification of the Plan, transfers to competing investment options or other events. Such events are not expected to be probable to occur.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Principles (Continued)

Payments of Benefits

Benefits are recorded when paid.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 a pandemic. The duration and impact of the COVID-19 outbreak is unknown at this time. As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Plan management is unable to estimate the total impact the pandemic will have.

Subsequent Events

For the purposes of recognition and disclosure in these financial statements, management of the Plan has evaluated subsequent events through July 25, 2022, which is the date these financial statements were available to be issued.

3. Investments and Fair Value Measurements

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by John Hancock Trust Company LLC (John Hancock) and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust Company), the Plan's Trustees, except for comparing such information certified by the Trustees to information included in the Plan's financial statements and supplemental schedule.

**KLEINSCHMIDT ASSOCIATES EMPLOYEES
PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Investments and Fair Value Measurements (Continued)

The Plan's investments and related income and transactions, including net appreciation in fair value of investments, as well as the Plan's notes receivable were certified by John Hancock as of December 31, 2021 and December 31, 2020, and for the year ended December 31, 2021, and for the period August 14, 2020 to December 31, 2020, and by Principal Trust Company for the period January 1, 2020 to August 13, 2020.

Fair Value Measurements

The Plan has adopted a framework for measuring fair value under generally accepted accounting principles for all financial instruments that are being measured and reported on a fair value basis.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). For disclosures, a fair value hierarchy has been established that prioritizes the input to valuation techniques used to measure fair value into three levels:

- **Level 1** – Unadjusted quoted prices in active markets for identical assets.
- **Level 2** – Inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly.
- **Level 3** – Significant unobservable inputs for the asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The table below sets forth, by level within the fair value hierarchy, the Plan's assets measured at fair value at December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>				
Mutual funds	<u>\$50,415,475</u>	<u>\$ —</u>	<u>\$ —</u>	\$50,415,475
Investments measured at net asset value:				
Collective investment trusts				<u>2,556,397</u>
				<u>\$52,971,872</u>
<u>2020</u>				
Mutual funds	<u>\$33,289,341</u>	<u>\$ —</u>	<u>\$ —</u>	\$33,289,341
Investments measured at net asset value:

Collective investment trusts				<u>2,130,152</u>
				<u>\$36,262,627</u>

**KLEINSCHMIDT ASSOCIATES EMPLOYEES
PROFIT SHARING PLAN AND TRUST**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Investments and Fair Value Measurements (Continued)

The above investments measured at net asset value have no unfunded commitments as of December 31, 2021 and 2020, and can be redeemed daily at net asset value.

4. Tax Exempt Status

A qualifying plan is one for which the employer may currently deduct contributions on its income tax return, the employee is not currently taxed on the contribution, and the plan income is not taxable.

The Internal Revenue Service issued an opinion letter dated November 30, 2020 stating that the nonstandardized prototype Plan document satisfies Section 401(a) of the Internal Revenue Code (the Code) as of the date of the opinion letter. The Plan Trustees believe the Plan is designed and is being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2018.

5. Party-in-Interest

John Hancock Trust Company is the current record keeper and Trustee of the Plan. The Plan has paid administrative expenses to John Hancock Trust Company of \$79,106 and \$6,189 for the years ended December 31, 2021 and 2020, respectively. Principal Trust Company is the former record keeper and Trustee of the Plan. The Plan has paid administrative expenses to Principal Trust Company of \$52,563 in 2020. In addition, certain of the Plan's investments are shares of funds managed by John Hancock Trust Company or Principal Trust Company. These transactions are considered to be party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

7. Plan Merger and Asset Transfer

In 2021, the plan sponsor acquired R2 Resource Consultants, Inc. In April 2021, the R2 Resource Consultants, Inc. Retirement Trust Plan merged into this plan and as a result \$9,020,681 in participant funds were transferred to this Plan.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the significant differences between the financial statements and Form 5500 as of and for the year ended December 31, 2020:

Net increase in net assets available for benefits per financial statements	\$4,059,608
Other	<u>(24,857)</u>
Net gain per Form 5500	<u>\$4,034,751</u>

There were no significant differences as of and for the year ended December 31, 2021.
