## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
WellPet Employee 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the WellPet Employee 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement.

We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

### **Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**1. Description of the Plan**

The following description of the WellPet Employee 401(k) Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a participant-directed defined contribution 401(k) plan covering substantially all employees of WellPet, LLC (the Employer or the Company) who are 21 years of age or older and not a resident of Puerto Rico, a leased employee or a self-employed individual. Participants can enter the Plan on the first day of the month following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

Participants may elect to contribute any percentage of their eligible compensation, not to exceed annual limitations as provided by the Internal Revenue Code (IRC). Participants may also elect to make Roth contributions. The Plan provides for an automatic enrollment, whereby eligible employees are automatically enrolled to defer 5% of eligible earnings in the Plan, unless the participant opts out of this arrangement. Participants who will be age 50 or older by the end of the calendar year and who are making deferral contributions may also make a catch-up contribution of up to \$6,000 annually. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (participant rollovers).

The Employer has the option under the terms of the Plan of making discretionary matching contributions and discretionary non-elective contributions for participants who have completed 1,000 hours of service during the year and are employed on the last day of the year. The discretionary matching contributions will be computed based on eligible compensation contributed to the Plan. The discretionary non-elective contributions will be allocated using a calculation based on individual Plan participants' compensation in proportion to total compensation paid to all eligible Plan participants. During 2021 and 2020, the Company matched 50% of an employee's contribution withholding percentage up to a maximum of 7% of qualified payroll. The Company did not make an additional discretionary non-elective contribution to the Plan in 2021 or 2020.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, allocations of the Employer's contribution, and Plan earnings and losses. The allocation of earnings and losses is performed based on individual participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

***Vesting***

Participants are immediately vested in their voluntary contributions (including rollover contributions) plus the annual allocation of Plan earnings on those contributions, at the time of allocation. Participants become fully vested in the Employer discretionary matching and discretionary non-elective contributions plus the annual allocation of Plan earnings on those contributions in 25% increments over a four-year period. In the event of retirement, disability or death, participants immediately become 100% vested in their account.

***Participant Notes Receivable***

Participants may generally borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than one note per participant may be outstanding at any time. Note terms range from 1 to 5 years, or up to 10 years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

***Payment of Benefits***

Upon death, disability, retirement or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of his or her account. Alternatively, the participant may elect to defer the distribution. If a participant terminates employment for any reason and their vested account balance does not exceed \$1,000, the Plan Administrator may distribute such amount as a lump-sum payment.

***Early Withdrawals***

Participants, by written notice to the Plan Administrator, may request a financial hardship withdrawal from their vested account subject to the provisions of the IRC. Participants who have attained age 59½ may elect to withdraw all or a portion of their vested account while still employed.

***Forfeitures***

Participants in the Plan who terminate employment with the Employer before completing four years of service forfeit the non-vested portion of their accounts. Forfeitures may first be used to pay administrative expenses and any remaining amounts will be used to reduce discretionary contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$70,096 and \$9,004, respectively. During the year ended December 31, 2021, forfeitures of \$10,103 were used to reduce Employer contributions.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Valuation of Investments and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator and investment advisor determine the Plan's valuation policies utilizing information provided by the trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Participant Notes Receivable***

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

***Contributions***

Participant deferrals and Employer discretionary matching contributions are recorded weekly or bi-weekly, coinciding with the dates employees are compensated, when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary contributions are made at the end of the year, if applicable.

***Payment of Benefits***

Benefits are recognized when paid to participants or their designated beneficiaries.

***Administrative Expenses***

Administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

***Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

***Risks and Uncertainties***

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

***Financial Instruments with a Concentration of Credit Risk***

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

***Subsequent Events***

In 2022, the board of directors of the Company approved an amendment to change the name of the Company and the Plan. Effective May 30, 2022, the Company and the Plan changed their names from WellPet, LLC and the WellPet Employee 401(k) Plan to Wellness Pet Company and the Wellness Pet Company Employee 401(k) Plan, respectively.

Management has evaluated subsequent events through September 21, 2022, which is the date these financial statements were available to be issued.

**3. Fair Value Measurements**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

*Money Market Fund:* The carrying amount of the money market fund is deemed to be valued at deposit amount plus accrued interest, as determined according to stated terms.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2021 and 2020, the Plan's investments in the money market fund and mutual funds are reported at level 1 within the fair value hierarchy.

#### **4. Plan Termination**

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**5. Income Tax Status**

The Plan is an adoption of a volume submitter plan sponsored by Fidelity Management Trust Company (Fidelity). Fidelity has obtained an advisory letter on the Plan dated June 30, 2020 stating that the form of the Plan is acceptable under Section 401 of the IRC. Generally, the Plan Administrator and the Plan may rely on the advisory letter received by Fidelity as to the form of the Plan qualifying under the IRC. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Summary of Financial Data Certified by the Trustee**

The following is a summary of financial information and data certified by the trustee, Fidelity:

Statements of Net Assets Available for Plan Benefits at December 31, 2021 and 2020, except for contributions receivable, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2021; and

Investment information provided on the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2021.

**7. Differences from Form 5500**

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**8. Related Party Transactions and Party-in-Interest Transactions**

Plan investments are held and managed by Fidelity, the trustee of the Plan. The Plan utilizes MFA Asset Management, LLC (MFA) as its investment advisor. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Fidelity and MFA for administrative and advisory services totaling \$40,276 for the year ended December 31, 2021. Participant notes receivable also qualify as party-in-interest transactions.

## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the  
WellPet Employee 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the WellPet Employee 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. ### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statement.

We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

### **Report on Form and Content in Compliance with DOL Rules and Regulations for the 2020 Financial Statement**

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**1. Description of the Plan**

The following description of the WellPet Employee 401(k) Plan (the Plan) is intended to provide only general information regarding the Plan. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a participant-directed defined contribution 401(k) plan covering substantially all employees of WellPet, LLC (the Employer or the Company) who are 21 years of age or older and not a resident of Puerto Rico, a leased employee or a self-employed individual. Participants can enter the Plan on the first day of the month following satisfaction of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

Participants may elect to contribute any percentage of their eligible compensation, not to exceed annual limitations as provided by the Internal Revenue Code (IRC). Participants may also elect to make Roth contributions. The Plan provides for an automatic enrollment, whereby eligible employees are automatically enrolled to defer 5% of eligible earnings in the Plan, unless the participant opts out of this arrangement. Participants who will be age 50 or older by the end of the calendar year and who are making deferral contributions may also make a catch-up contribution of up to \$6,000 annually. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (participant rollovers).

The Employer has the option under the terms of the Plan of making discretionary matching contributions and discretionary non-elective contributions for participants who have completed 1,000 hours of service during the year and are employed on the last day of the year. The discretionary matching contributions will be computed based on eligible compensation contributed to the Plan. The discretionary non-elective contributions will be allocated using a calculation based on individual Plan participants' compensation in proportion to total compensation paid to all eligible Plan participants. During 2021 and 2020, the Company matched 50% of an employee's contribution withholding percentage up to a maximum of 7% of qualified payroll. The Company did not make an additional discretionary non-elective contribution to the Plan in 2021 or 2020.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, allocations of the Employer's contribution, and Plan earnings and losses. The allocation of earnings and losses is performed based on individual participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

***Vesting***

Participants are immediately vested in their voluntary contributions (including rollover contributions) plus the annual allocation of Plan earnings on those contributions, at the time of allocation. Participants become fully vested in the Employer discretionary matching and discretionary non-elective contributions plus the annual allocation of Plan earnings on those contributions in 25% increments over a four-year period. In the event of retirement, disability or death, participants immediately become 100% vested in their account.

***Participant Notes Receivable***

Participants may generally borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. No more than one note per participant may be outstanding at any time. Note terms range from 1 to 5 years, or up to 10 years for the purchase of a primary residence. The notes are secured by the vested balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

***Payment of Benefits***

Upon death, disability, retirement or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the value of his or her account. Alternatively, the participant may elect to defer the distribution. If a participant terminates employment for any reason and their vested account balance does not exceed \$1,000, the Plan Administrator may distribute such amount as a lump-sum payment.

***Early Withdrawals***

Participants, by written notice to the Plan Administrator, may request a financial hardship withdrawal from their vested account subject to the provisions of the IRC. Participants who have attained age 59½ may elect to withdraw all or a portion of their vested account while still employed.

***Forfeitures***

Participants in the Plan who terminate employment with the Employer before completing four years of service forfeit the non-vested portion of their accounts. Forfeitures may first be used to pay administrative expenses and any remaining amounts will be used to reduce discretionary contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$70,096 and \$9,004, respectively. During the year ended December 31, 2021, forfeitures of \$10,103 were used to reduce Employer contributions.

**2. Summary of Significant Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

***Valuation of Investments and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (Note 3). The Plan Administrator and investment advisor determine the Plan's valuation policies utilizing information provided by the trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Participant Notes Receivable***

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Interest income on participant notes receivable is recorded when it is earned. A receivable is considered past due if payment has not been received within stated terms. Delinquent participant notes receivable are reclassified as distributions based on terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

***Contributions***

Participant deferrals and Employer discretionary matching contributions are recorded weekly or bi-weekly, coinciding with the dates employees are compensated, when the Employer remits the payroll deductions for investment into the Plan. Employer discretionary contributions are made at the end of the year, if applicable.

***Payment of Benefits***

Benefits are recognized when paid to participants or their designated beneficiaries.

***Administrative Expenses***

Administrative expenses of the Plan are paid by the Employer, unless the Employer directs that the expenses be paid by the Plan. Expenses that are paid by the Employer are excluded from these financial statements. Participant notes receivable set-up and maintenance fees are paid directly by the participants through a reduction in their account and are included in administrative expenses. Investment management and recordkeeping fees, if applicable, are paid by the Plan through revenue sharing as a reduction of investment income (net appreciation or depreciation) from the related investment fund.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

***Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets. Accordingly, actual results may differ from those estimates.

***Risks and Uncertainties***

The Plan provides for various investment options with various investment objectives. Investment securities are exposed to various risks such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

***Financial Instruments with a Concentration of Credit Risk***

The Plan's investments are held by a single trustee. The Plan's exposure to credit risk is associated with the outside trustee's non-performance of their fiduciary responsibilities relating to these amounts as specified in the agreements. Benefits provided by the Plan are not insured or guaranteed by the Pension Benefit Guaranty Corporation.

***Subsequent Events***

In 2022, the board of directors of the Company approved an amendment to change the name of the Company and the Plan. Effective May 30, 2022, the Company and the Plan changed their names from WellPet, LLC and the WellPet Employee 401(k) Plan to Wellness Pet Company and the Wellness Pet Company Employee 401(k) Plan, respectively.

Management has evaluated subsequent events through September 21, 2022, which is the date these financial statements were available to be issued.

**3. Fair Value Measurements**

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy and inputs to the valuation methodologies are described as follows:

Level 1 inputs are unadjusted quoted prices in active markets for identical assets the Plan has the ability to access.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

Level 2 inputs are other than quoted prices in active markets that are observable either directly or indirectly for the asset. Such inputs are derived principally from or corroborated by observable market data for similar assets by correlation or other means, over substantially the full contractual term of the asset, if applicable.

Level 3 inputs are unobservable and significant to the fair value measurement. Such inputs generally rely on the Plan's own assumptions about the assumptions that market participants would use in pricing the asset.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

*Money Market Fund:* The carrying amount of the money market fund is deemed to be valued at deposit amount plus accrued interest, as determined according to stated terms.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2021 and 2020, the Plan's investments in the money market fund and mutual funds are reported at level 1 within the fair value hierarchy.

#### **4. Plan Termination**

The Employer expects to continue the Plan indefinitely. However, the Employer reserves the right to amend the Plan or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and entitled to receive all amounts credited to their accounts.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**5. Income Tax Status**

The Plan is an adoption of a volume submitter plan sponsored by Fidelity Management Trust Company (Fidelity). Fidelity has obtained an advisory letter on the Plan dated June 30, 2020 stating that the form of the Plan is acceptable under Section 401 of the IRC. Generally, the Plan Administrator and the Plan may rely on the advisory letter received by Fidelity as to the form of the Plan qualifying under the IRC. The Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service (IRS). The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**6. Summary of Financial Data Certified by the Trustee**

The following is a summary of financial information and data certified by the trustee, Fidelity:

Statements of Net Assets Available for Plan Benefits at December 31, 2021 and 2020, except for contributions receivable, if any;

Investment income and interest income from participant notes receivable on the Statement of Changes in Net Assets Available for Plan Benefits for the year ended December 31, 2021; and

Investment information provided on the supplemental schedule, Schedule of Assets (Held at End of Year) at December 31, 2021.

**7. Differences from Form 5500**

Differences between the Annual Return/Report of Employee Benefit Plan, Form 5500, and these financial statements are a result of different classifications between line items. Total Plan assets are in agreement.

**WELLPET EMPLOYEE 401(K) PLAN**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**December 31, 2021 and 2020**

**8. Related Party Transactions and Party-in-Interest Transactions**

Plan investments are held and managed by Fidelity, the trustee of the Plan. The Plan utilizes MFA Asset Management, LLC (MFA) as its investment advisor. Therefore, these transactions qualify as party-in-interest transactions. The Plan made direct payments to Fidelity and MFA for administrative and advisory services totaling \$40,276 for the year ended December 31, 2021. Participant notes receivable also qualify as party-in-interest transactions.
