INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Eagle Systems, Inc. 401(k) Profit Sharing Plan
East Wenatchee, Washington

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Eagle Systems, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution for the year ended December 31, 2021, stating that the certified investment information to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at year end (modified cash basis), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 20, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Eagle Systems, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan providing voluntary salary deferral under Section 401(k) of the Internal Revenue Code. The Plan is available to all employees of Eagle Systems, Inc., Eagle Intermodal Services, Inc., Eagle Transfer Company, Inc., Eagle Administrative Services, Inc., and Lifeline Ambulance, Inc. who have completed one year of service, during which they worked at least 1,000 hours, and are age twenty-one or older. Plan entry dates occur on the first day of the quarter after eligibility is obtained. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may make voluntary contributions by payroll deduction, which is limited under Section 402(g) of the Internal Revenue Code. The employer matches 25 percent of the employee's first 5 percent of wages. At year end, the employer may, at its sole discretion, decide to make an additional contribution to a maximum of 100 percent of the employee's first 5 percent of wages. For the plan year ended December 31, 2021, the employer decided not to make any additional contributions.

Participant Accounts

Each participant account is credited with the participant's contribution, plan earnings and losses, and an allocation of the employer's contribution. The employer's matching and discretionary contributions are allocated based on the participant's eligible contributions for the plan year.

Vesting

Participants are immediately vested in their voluntary contributions and employer matching and discretionary contributions plus earnings thereon.

Notes Receivable from Participants

Loans are permitted to participants as defined in the Plan. Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Payment of benefits will occur upon the retirement, death, or termination of service of the participant. Normal retirement age is 65 years of age. Benefits are recorded when paid.

Directed Investment

The Plan allows for investment direction by individual participants. Investments may be allocated to various investment funds maintained by Nuveen and Great-West Life & Annuity Insurance Company. Allocations among funds must be made in five percent increments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The Plan's financial statements are presented using the modified cash basis of accounting. This presentation requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting. That basis differs from generally accepted accounting principles primarily because the Plan does not recognize contributions until received.

Investment Valuation and Income Recognition

All investments in the Plan are stated at fair value except for fully benefit responsive contracts, which are reported at contract value. The fair value of the investments is determined by quoted market prices supplied by the plan trustee. The contract value of the fully benefit responsive contracts is as reported to the Plan by Great-West Life and Annuity Insurance Company. The net appreciation (depreciation) in the value of investments is the realized gain or loss on disposition of investments plus the unrealized increase or decrease in the value of investments held from the beginning of the Plan year or date of purchase, whichever is later. Security transactions are recorded as of the trade dates. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administration and Audit Fees

The Plan sponsor absorbs certain plan administration and audit fees.

Date of Management Review

Subsequent events have been evaluated through September 9, 2022 which is the date the financial statements were available to be issued.

Recent Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board issued Accounting Standards Update (ASU) 2018-13, *Fair Value Measurement (Topic 820) Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*. The primary focus of ASU 2018-13 is to improve the effectiveness of the disclosure requirements for fair value measurements. The amendments in ASU 2018-13 apply to all entities that are required, under existing GAAP, to make disclosures about recurring or nonrecurring fair value measurements. Certain disclosures that are required by the amendments in ASU 2018-13 are not required for nonpublic entities. ASU 2018-13 is effective for all entities for fiscal years beginning after December 15, 2019. ASU 2018-13 was adopted by the Plan on January 1, 2020 and did not have an impact on the Plan's financial statements.

NOTE 3 – RELATED-PARTY TRANSACTIONS

Certain plan investments are shares of a guaranteed annuity contract and mutual funds managed by Great-West Life & Annuity Insurance Company. Great-West Life & Annuity Insurance Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

EAGLE SYSTEMS, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 4 – PLAN TERMINATION

Although they have not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan terminates, the participants are one hundred percent vested in their account balances and have a nonforfeitable right to receive the proceeds.

NOTE 5 – FAIR VALUE MEASUREMENTS

The Plan's investments reported at fair value in the accompanying statements of net assets available for benefits (modified cash basis) consist of:

December 31, 2021

	<u>Level 1</u>	<u>Total</u>
Investments fair value hierarchy		
Mutual funds	<u>\$ 2,005,266</u>	\$ 2,005,266
Investments measured as net asset value		
Common Collective Trusts		<u>7,500,295</u>
Total investments, at fair value		<u>\$ 9,505,561</u>

December 31, 2020

Investments fair value hierarchy		
Mutual funds	<u>\$ 2,015,471</u>	\$ 2,015,471
Investments measured as net asset value		
Common Collective Trusts		<u>7,263,524</u>
Total investments, at fair value		<u>\$ 9,278,995</u>

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of shares of mutual funds are based on quoted net asset values of the shares as reported by the fund or trust. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

EAGLE SYSTEMS, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements

December 31, 2021 and 2020

NOTE 5 – FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts

Investments underlying the common collective trust funds include shares of common stock and fixed income investments whose values are determined on the basis of quoted prices in an active market. Certain common collective trust fund investments are valued at net asset value (NAV) daily and those investments are considered to have readily determinable fair value. Other common collective trust fund investments are valued at NAV per share or unit as a practical expedient by the fund manager, multiplied by the number of shares or units held as of the measurement date. Accordingly, these NAV-based investments have been excluded from the fair value hierarchy

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31:

	2021	2020	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Principal Instrument					
Common Collective Trusts	\$7,500,295	\$7,263,524	Daily	None	None

NOTE 6 – GROUP ANNUITY

The Plan has a group annuity contract with Great-West Life & Annuity Insurance Company that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly, and the average interest rate earned for the year ended December 31, 2021, was .90%. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. As of December 31, 2021 and 2020, the contract value was \$1,592,267 and \$1,561,134, respectively.

EAGLE SYSTEMS, INC. 401(k) PROFIT SHARING PLAN

Notes to Financial Statements
December 31, 2021 and 2020

NOTE 7 – TAX STATUS

The Plan obtained its latest determination letter on October 23, 1995, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan's informational tax returns are subject to possible examination by the taxing authorities until the expiration of the statute of limitations on those tax returns; generally three years.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

NOTE 9 – UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Statements of Net Assets Available for Benefits (modified cash basis) as of December 31, 2021 and 2020, the investment activities included on the Statement of Changes in Net Assets Available for Benefits (modified cash basis) for the year ended December 31, 2021 and the accompanying notes to the financial statements and supplemental information were prepared in part or entirely from information certified by the Trustee, Great-West Life & Annuity Insurance Company, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$11,097,780 and \$10,840,129 at December 31, 2021 and 2020, respectively and related investment income and interest income on notes receivable from participants totaling \$1,636,729 for the year ended December 31, 2021.
