INDEPENDENT AUDITORS' REPORT

To the Plan Administrators of

Falvey Linen Supply, Inc. 401(k) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Falvey Linen Supply, Inc., 401(k) Retirement Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Falvey Linen Supply, Inc., 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520. 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520. 103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 6 to the financial statements is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Falvey Linen Supply, Inc., 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Falvey Linen Supply Inc., 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material statement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Falvey Linen Supply, Inc, 401(k) Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Falvey Linen Supply, Inc., 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules; Schedule of Assets (Held at End of Year), and Schedule of Reportable Transactions as of or for the year ended December 31, 2021 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedules, other than the information the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following is a brief description of the Falvey Linen Supply, Inc. 401 (k) Retirement Plan (the “Plan”) and is provided for general information purposes only. Participants should refer to the Plan documents for more complete information. The plan effective July 1, 1996 has had a complete restatement effective April 1, 2016.

General - The Plan is a defined contribution plan covering substantially all full time employees of Falvey Linen Supply, Inc. (the “Company”). Effective July 1, 2020, this includes employees who are 18 years of age for all money sources. Also effective July 1, 2020, the 401k eligibility requirement changed to 90 days of service (no hour requirement). The matching and profit-sharing hour requirements for eligibility remain (1 year of service with at least 1,000 hours). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). In addition, effective September 1, 2005, the Plan also includes a 401(k)-deferral plan.

Contributions - The Company’s contribution is discretionary each year and is determined separately for each employee classification as identified in the Plan. Under the Plan, each employee is a separate classification. In addition, effective September 1, 2005, participants may contribute a percentage of their eligible compensation into the Plan subject to the limitations governed by the Internal Revenue Code.

Participant Accounts - An account for each participant is maintained to which are credited with each participant’s contribution and allocations of (a) the Company’s contribution, (b) net plan earnings and, (c) forfeitures, when applicable. Allocations of earnings are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portions of their accounts plus earnings thereon is based on years of service. Participants are 100% vested in the account balance after five or more years of service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits - Upon termination of service due to death, disability, retirement, or for any other reason, a participant will receive the value of the vested interest in his or her account as a lump sum distribution.

Forfeitures - Upon a participant's termination of employment, any unvested balances are considered forfeitures. During 2021 and 2020, forfeited accounts totaled \$93,409 and \$91,047, respectively. Under the Plan, those forfeitures are retained in the Plan and are used to reduce future Company contributions payable under the Plan.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation and Payment of Benefits - The accompanying financial statements have been prepared on the accrual basis. Benefits are recorded when paid.

Investments - The plan was amended on September 1, 2005, to comply with ERISA Section 404 (c) which permits participants to exercise control over the assets in his/her account and choose from a broad range of investment alternatives. The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end (See Note 4).

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefit payments to participants are recorded upon distribution.

Plan Expenses - All administrative expenses are paid by the Company, at its discretion, except for investment management fees and deductions, if any, which are paid from the participants' account balances.

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Subsequent Events - In accordance with FASB ASC 855, subsequent events have been evaluated through the date of this opinion letter, September 6, 2022.

3. TAX STATUS

The Plan received an Internal Revenue Service favorable determination letter of tax-exempt status on April 28, 2005, which stated that the Plan was in compliance with applicable requirements by the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement No. 157, Fair Value Measurements (FASB Statement No. 157), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of fair value hierarchy under FASB Statement No. 157 are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

FALVEY LINEN SUPPLY, INC.
401(k) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

7. FAIR VALUE MEASUREMENTS (Continued)

- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the plan at year end.

Guaranteed investment contract: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

DECEMBER 31, 2021 AND 2020

7. FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 13,743,731	\$ -	\$ -	\$ 13,743,731
Guaranteed Annuity Contract:	<u>-</u>	<u>-</u>	<u>389,629</u>	<u>389,629</u>
Total Investments at Fair Value	<u>\$ 13,743,731</u>	<u>\$ -</u>	<u>\$ 389,629</u>	<u>\$ 14,133,360</u>

The following table sets forth, by level within the fair value hierarchy, the Plan assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,247,792	\$ -	\$ -	\$ 12,247,792
Guaranteed Annuity Contract:	<u>-</u>	<u>-</u>	<u>411,844</u>	<u>411,844</u>
Total Investments at Fair Value	<u>\$ 12,247,792</u>	<u>\$ -</u>	<u>\$ 411,844</u>	<u>\$ 12,247,792</u>

8. PLAN AMENDMENT

In April, 2020, the Plan was amended to allow impacted participants optional relief items as permitted under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Relief items adopted under the amendment include Coronavirus Related Distributions. Impacted participants are defined as those who have; been diagnosed with coronavirus disease 2019 (COVID-19), a spouse or dependent diagnosed with COVID-19, or experienced quarantine, furlough, or who are unable to work due to lack of childcare or business closing, all on account of the virus or disease.

9. SUBSEQUENT EVENT

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of multiple businesses as well as public schools. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings. Therefore, the Plan understands this matter may negatively impact the Plan Sponsor's operation results. However, the related financial impact and duration cannot be reasonably estimated at this time.
