INDEPENDENT AUDITOR'S REPORT

To the Trustees of
CNA National Warranty Corporation 401(k) Plan
Scottsdale, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of CNA National Warranty Corporation 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant

ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, are in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CNA National Warranty Corporation 401(k) Plan Notes to Financial Statements

Note A. Description of Plan

The following description of CNA National Warranty Corporation 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan, established January 1, 1996, is a defined contribution 401(k) plan and offers participants an opportunity to save a portion of their current earnings, augmented by contributions from the Plan Sponsor, CNA National Warranty Corporation (CNAN). CNAN is a wholly owned subsidiary of Continental Casualty Company (CCC). CCC is an indirect wholly owned subsidiary of CNA Financial Corporation (CNAF), which was approximately 89.6% owned by Loews Corporation (Loews) as of December 31, 2021. The Plan covers CNAN employees with at least thirty days of service and who are age eighteen or older. Employees may become participants on the first of the month following completion of the eligibility requirements. To be eligible for matching, basic and discretionary contributions, the employee must complete one year of service. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

The Plan Sponsor paid a substantial portion of the administrative expenses for the Plan. However, the Plan Sponsor retains the right to discontinue paying expenses, in which case, they will be paid entirely by the Plan.

Contributions

Each participant may make salary deferral and after-tax contributions of up to 100% of their annual compensation, including their discretionary annual bonus. Additionally, participants may also make Roth 401(k) contributions of up to 100% of their annual compensation, including their discretionary annual bonus. Participant contributions are subject to certain Internal Revenue Code (IRC) limits. Amounts payable to participants for contributions in excess of IRC limits are recorded as Excess contributions payable on the Statements of Net Assets Available for Benefits. Catch-up contributions are permitted for participants age 50 and older. The Plan also allows participants to make rollover contributions.

The Plan Sponsor matches 100% of each participant's salary deferral and Roth 401(k) contributions up to the first 6% of the participant's eligible compensation. The Plan does not match after-tax contributions from a participant's annual earnings or catch-up contributions. The Plan Sponsor also provides a basic contribution of 1% of the participant's eligible compensation.

The Plan Sponsor may make discretionary annual performance contributions to participants' accounts based on CNAN's business performance. Participants who are actively employed on the last day of the plan year and have completed 1,000 hours of service during the plan year are eligible to receive an allocation of the discretionary contribution. CNA National did not make a discretionary contribution for the years ended December 31, 2021 or 2020. Any discretionary contributions are generally contributed to participants' accounts in the first quarter of the following Plan year.

Participant Accounts

Individual accounts are maintained for each plan participant. Each individual account is valued on a daily basis to reflect all plan activity including contributions made by the participants and the Plan Sponsor, withdrawals, loans, transfers, plan fees, and investment gains or losses, as applicable.

Vesting

Each participant is immediately fully vested in all contributions to the Plan for which they are eligible, plus earnings on those contributions.

Investment Options

All participant contributions, Plan Sponsor contributions, rollover contributions and all corresponding earnings are invested at the direction of the Plan participants.

Payment of Benefits

Each participant is entitled to Plan benefits equal to 100% of their vested account balance. Benefits begin upon the earliest of retirement age, termination of employment, total and permanent disability or death of the participant. Benefits are paid in a lump-sum as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable. The Plan does not permit hardship distributions.

Withdrawals

The Plan allows certain in-service withdrawals from participant accounts. For after-tax contributions, participants may withdraw up to the full amount of their contributions and associated earnings, subject to certain limitations stated in the Plan. For matching contributions and discretionary contributions, participants may withdraw up to the full amount of the contributions and associated earnings upon reaching Normal Retirement Age. Pretax contribution account withdrawals and Roth contribution account withdrawals may be made only if the participant is over age 59½. Rollover contribution account withdrawals may be made at any time.

Notes Receivable from Participants

The Plan permits participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may generally select loan terms of up to five years. The loans are secured by the balance in the participant's account and bear interest at a fixed rate established at the time of the loan's inception. Principal and interest is paid ratably through payroll deductions.

Exempt Party-In-Interest

The Plan has investments issued by Charles Schwab Bank. Charles Schwab Bank is the Trustee of the Plan and, therefore, transactions between the Plan and Charles Schwab Bank qualify as exempt party-in-interest transactions. Notes receivable from participants are also party-in-interest transactions that are exempt.

Note B. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP). The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the financial statements and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Mutual funds are stated at fair value based on the quoted market prices, as discussed in Note C. Purchases and sales of securities are recorded on a trade-date basis and interest income is recorded on an accrual basis. Realized and unrealized gains (losses) are reported in Net appreciation (depreciation) in fair value of investments in mutual funds on the Statement of Changes in Net Assets Available for Benefits. Most investment options have management fees that reduce the overall return on assets. Net appreciation (depreciation) is inclusive of those fees and the Plan's gains and losses on investments purchased and sold as well as held during the year.

The Plan provides for various investment fund options. Investments are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Changes in Net Assets Available for Benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid. As of December 31, 2021 and 2020, the total of participants' account balances for participants who had elected to withdraw from the Plan, but had not yet been paid, was \$130 thousand and nil.

Note C. Fair Value

Fair value is the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following fair value hierarchy is used in selecting inputs, with the highest priority given to Level 1, as these are the most transparent or reliable.

Level 1 - Quoted prices for identical instruments in active markets.

Level 2 - Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; and model-derived valuations in which all significant inputs are observable in active markets.

Level 3 - Valuations derived from valuation techniques in which one or more significant inputs are not observable.

Assets Measured at Fair Value

Assets measured or presented at fair value on a recurring basis are summarized below.

December 31, 2021

(In thousands)	Level 1	Level 2	Level 3	Total

Money market deposit account	3,171	—	—	3,171
Total	\$ 32,794	\$ —	\$ —	\$ 32,794

Valuation Methodologies and Inputs

The following section describes the valuation methodologies and relevant inputs used to measure different financial instruments at fair value, including an indication of the level in the fair value hierarchy in which the instruments are generally classified.

Investments in mutual funds

Mutual funds are classified as Level 1 as they are actively traded and valued at quoted market prices that represent the net asset values of the shares held by the Plan at year-end.

Investments in exchange-traded funds

Exchange-traded funds are classified as Level 1 as they are actively traded and valued at quoted market prices.

Money market deposit account

The money market deposit account is an interest-bearing cash account carried at cost plus accrued interest, which approximates fair value.

Note D. Federal Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Plan Sponsor by letter dated April 10, 2018 that the Plan and related trust were designed in compliance with applicable sections of the IRC and, as such, the Plan and the trust continue to be tax exempt. No provision for income tax has been included in the Plan's financial statements, and there are no uncertain tax positions taken or expected to be taken that would

require recognition of a liability or asset or disclosure in the financial statements. The IRS is not currently examining the Plan.

Note E. Summary of Information Certified by the Trustee

All of the information in this note, as well as certain information in Note C, excluding level classification, and the Schedule of Assets (Held at End of Year), is unaudited and was prepared by the Trustee and furnished to the Plan Sponsor. The Plan Sponsor has obtained certifications from the Trustee that such information is complete and accurate. See accompanying Independent Auditor's Report.

December 31

Notes receivable from participants	708	850

For the year ended December 31

(In thousands)

	2021
Dividend and interest income	\$ 2,737
Net appreciation (depreciation) in fair value of investments in mutual funds	2,016
Interest income on notes receivable from participants	43

Note F. Reconciliation to Form 5500

As of December 31, 2021 and 2020, there were no differences in the amounts reported on the Plan's Form 5500 and the Statements of Net Assets Available for Benefits. For the year ended December 31, 2021, there were no differences in the amounts reported on the Plan's Form 5500 and the Statement of Changes in Net Assets Available for Benefits.

Note G. Contingencies

The Plan is subject to ERISA regulations, which allow participants to appeal the level of benefits received under the Plan. If participants do not receive a favorable reply to their appeal, they have the right to escalate their appeal to legal action.

The Plan and the Plan Sponsor may be parties to other litigation arising in the ordinary course of business. Based on the facts and circumstances currently known, such litigation will not, in the opinion of the Plan Sponsor, materially affect the Plan's financial statements.

Note H. Non-Exempt Party-In-Interest Transactions

The Plan Sponsor remitted various participant contributions and loan repayments to the trustee on dates later than required by the Department of Labor (DOL) Regulation 2510.3-102, aggregating to \$85,051. The Plan Sponsor intends to file Form 5330 with the IRS and pay the required excise tax on the transactions. In addition, participant accounts will be credited with the same amount of the investment income that would have been earned had the participant contribution and loan repayments been remitted on a timely basis.

Note I. Subsequent Events

Management has evaluated all subsequent events through August 26, 2022, the date the financial statements were available to be issued.
