INDEPENDENT AUDITOR'S REPORT

To the Administrators of the
Hutson, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Hutson, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employment Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments; administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

INDEPENDENT AUDITOR'S REPORT (Continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section (a)(3)(C).

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

HUTSON, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – PLAN DESCRIPTION

The following brief description of the Hutson, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant directed defined contribution plan established by Hutson, Inc. (the Company) under the provision of Section 404(c) of the Internal Revenue Code (IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan was established effective January 1, 1997 and covers substantially all employees of the Company who have completed one month of service. In May 2021, the Plan was amended to include Hutson, Inc. of Michigan in the Plan as an affiliate. The acquired employees were eligible to participate in the Plan after completing one month of service as defined by the Plan. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

Salary deferral contributions may be made by participating employees from 1% to 50% of the participant's eligible compensation as defined by the Plan. The Plan permits the automatic enrollment of eligible employees in the Plan, unless the employee affirmatively elects otherwise. The automatic deferral percentage is 6% of eligible compensation. The automatic deferral amount increases by 1% each year up to a maximum of 15%. Participants who have obtained the age 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers participants the option to invest in various mutual funds.

The Company may elect to make a contribution to match employees' elective deferrals. Matches for the current year are contributed in the following year. For the years ended December 31, 2021 and 2020, the Company contributed 30% and 25%, respectively, of a participant's deferrals up to a maximum of 10% of compensation, to the Plan for prior year elective contribution. Additional amounts may be contributed at the option of the Company's Board of Directors. Contributions are subject to certain limitations.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer matching contributions, discretionary contributions and earnings thereon is based on years of continuous service. A participant vests according to the following schedule:

Less than two years	0%
Two years	20%
Three years	40%
Four years	60%
Five years	80%
Six years or more	100%

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 – PLAN DESCRIPTION (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of the Company's contribution. Plan earnings are charged with an allocation of administrative expenses. All allocations are based on participant account balances or current contributions defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Loans

Participants may borrow a minimum of \$500 up to a maximum of \$50,000 or 50% of the vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at prime plus two percentage points. Principal and interest is paid ratably through bi-weekly payroll deductions. Outstanding loans must be repaid in full before a new loan can be made.

Payment of Benefits

On termination of service, a participant may receive a lump-sum distribution or a direct rollover to an Individual Retirement Account (IRA) equal to the value of the participant's vested account balance. If a participant's balance is greater than \$5,000, the benefits may be paid in installments, a partial withdrawal, or deferred until the participant reaches age 70 ½. The plan administrator will distribute vested account balances of amounts less than \$5,000. Amounts greater than \$1,000 will be subject to automatic rollover unless a lump sum distribution is requested by the participant. A participant becomes fully vested upon termination due to death, disability or retirement.

In-service distributions to participants after age 59½ are allowed, as well as hardship distributions, provided that certain criteria are met.

Forfeited Accounts

Forfeitures are applied against the current year match at the Company's discretion. The prior year forfeited non-vested accounts totaling \$14,169 were applied against the 2020 match that was contributed in 2021. The forfeitures of \$10,603 will be applied against the 2021 match contributed in 2022. These amounts are held in a separate account within the Plan.

Impact of the Coronavirus Pandemic

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. The effect and ultimate impact of the coronavirus pandemic continues to evolve as of the date of this report.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (CARES) Act was signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management evaluated the relief provisions available to plan participants under the CARES Act and implemented the following provisions for the 2020 plan year only:

- Special coronavirus distributions up to \$100,000 beginning on or after January 1, 2020 and before December 31, 2020,
- Increased the available loan amount to the lesser of \$100,000 or 100% of the participant's vested account balance,
- Extend the period for loan repayments, if applicable, up to one year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements were prepared on a modified cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles (GAAP). The primary difference between the two methods of accounting is the timing of recognition of revenue and expenses.

Investment Valuation and Recognition

The market value of the investment assets was furnished to the plan administrator by the trustee of the Plan. Market values are based on the quoted market price of the investment. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year end. Participant loans are valued at amortized cost, which represents fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividends are recorded on the date on which they are received.

Payment of Benefits

Benefits are recorded when paid.

Date of Management's Review

Subsequent events have been evaluated through August 22, 2022, the date the financial statements were available to be issued.

New Accounting Pronouncements

From time to time, new accounting pronouncements are issued by the Financial Accounting Standards Board (FASB) or other standards setting bodies that the Company adopts as of the specified effective date. Unless otherwise discussed, management believes the impact of any other recently issued standards that are not yet effective are either not applicable at this time or will not have a material impact upon adoption.

NOTE 3 – FAIR VALUE MEASUREMENTS

FASB ASC 820 Fair Value Measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Codification guidance are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices in active and inactive markets, observable inputs other than quoted prices and other inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

HUTSON, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively, for financial assets measured at fair value on a recurring basis:

	Fair Value Measurements:			
	Level 1	Level 2	Level 3	Total
December 31, 2021				
Mutual funds	\$ 28,168,807	\$ -	\$ -	\$ 28,168,807
December 31, 2020				
Mutual funds	\$ 20,125,511	\$ -	\$ -	\$ 20,125,511

NOTE 4 – TAX STATUS

The Plan was adopted under a Prototype Non-standardized Profit-Sharing Plan that obtained an opinion letter from the Internal Revenue Service dated July 8, 2014. The opinion letter states that the form of the Plan is acceptable under section 401 of the IRC. No separate determination letter has been obtained by the Plan as it is no longer required by the IRS for plans that adopt under Prototype Non-standardized plans.

Although the Plan has been amended, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, therefore, believe that the Plan is qualified, and the related trust is exempt.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2021	2020
Mutual funds	\$ 28,168,807	\$ 20,125,511

Investment income:	
Interest and dividends	\$ 1,434,634
Net appreciation in fair value of investments	1,890,565
Total investment income	<u>\$ 3,325,199</u>

NOTE 8 – TRANSACTIONS WITH PARTIES-IN-INTEREST

The Company provides to the Plan certain accounting and administrative services for which no fees are charged.

Reliance Trust Company is the trustee as defined by the Plan, thus, transactions qualify as party-in-interest transactions. Fees paid by the Plan to Reliance Trust Company amounted to \$104,224 and \$119,466 for the years ended December 31, 2021 and 2020, respectively.
