The Participants and the Plan Administrator,
Taj Hotels Retirement Savings Program

Scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Taj Hotels Retirement Savings Program (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section—

- the amounts and disclosures in the 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our

audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

2022-234-US

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, is presented for purposes of additional analysis and not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020 other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Taj Hotels Retirement Savings Program (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all full time, non-union employees of United Overseas Holdings, Inc. (the “Sponsor”), International Hotel Management Services, Inc. (“IHMS”), IHMS, LLC (“Pierre Hotel”), and IHMS (SF) LLC (“Taj SF”) (collectively, the “Adopting Employers”). The Plan is a qualified salary deferral plan under the provisions of the Internal Revenue Code (“IRC”) sections 401(a) and 401(k). The Plan is subject to the applicable regulations of the Employee Retirement Income Security Act of 1974 (ERISA) and the IRC.

Change in trustee and recordkeeper

Effective July 01, 2020, the Plan was amended to change the trustee from Wells Fargo Bank, N.A. (“Wells Fargo”) to Reliance Trust Company (“Reliance”) and to change the recordkeeper from Wells Fargo to ADP, LLC (“ADP”). These changes were completed by October 01, 2020.

Eligibility

All full time, non-union employees of the Adopting Employers are eligible for Plan participation and may enter the Plan upon fulfilment of 90 days of employment.

An employee who has satisfied the eligibility requirements may enter the Plan on the first day of the month coinciding with or following the date which he or she satisfies such requirements.

Assets held for investment

All Plan assets were held by Reliance as of December 31, 2021, and December 31, 2020, and investment transactions were executed by Reliance during the year ended December 31, 2021, and the period October 01, 2020, till December 31, 2020. Wells Fargo held Plan assets for the period January 01, 2020, till September 30, 2020. Wells Fargo executed investment transactions from January 01, 2020, till September 30, 2020. Among other duties, the trustees are responsible for the custody of the Plan assets and for the payment of benefits to eligible participants. Plan contributions are invested in certain funds offered by the Plan, as designated by the Plan participants.

Investment options

Upon enrolment in the Plan, a participant may direct contributions in any of the investment options offered by the Plan. There is no limit to how often a participant may change their investment options.

Participants should refer to each funds' prospectus for a more complete description of the risks associated with each fund.

Financial Statements
December 31, 2021, and December 31, 2020

Contributions

Participants may elect to have a percentage or specified dollar amount deducted from their eligible compensation as defined by the Plan on a pre-tax basis. Eligible compensation for elective deferrals is defined as an employee's W-2 compensation (including deferrals). Bonuses are excludable compensation as defined by the Plan. A participant can contribute up to 50% of pre-tax annual compensation, as defined by the Plan, up to the annual limit as determined by the IRC. A participant may elect to increase, decrease or suspend deductions according to procedures established by the Adopting Employers. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Adopting Employers contribute an employer match contribution equal to 100% of an employee's elective deferrals not to exceed 3% of the employee's eligible salary. Catch-up contributions are not matched by the Adopting Employers.

Rollover contributions are comprised of distributions made to the participants from their account balances with their former employers' qualified plans and transferred to the Plan.

Participant accounts

A separate account is maintained for each participant, which is credited with the participant's contribution and allocations of (a) the Adopting Employers' contributions and, (b) Plan earnings (losses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Upon entrance into the Plan, participants are 100 percent vested in their voluntary contributions. The matching contributions provided by the Adopting Employers vest 50 percent after one year of service and 100 percent after two years of service.

Forfeitures

Forfeitures of terminated participants' non-vested accounts serve to reduce the Adopting Employers' employer contributions or Plan expenses. Forfeitures of terminated employees' non-vested accounts totalled \$11,492 during the year ended December 31, 2021, and \$7,299 during the year during the year ended December 31, 2020. As of December 31, 2021, and December 31, 2020, vested forfeited accounts totalled \$49 and \$7329, respectively. During the years ended December 31, 2021, and December 31, 2020, \$18,915 and \$NIL, respectively, were utilized to reduce employer contributions.

Payment of benefits

Benefits are paid upon retirement (age 65), death, disability, or termination of employment. Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may apply to the Plan Administrator for a hardship withdrawal at any time. This withdrawal must be for an immediate financial need for which funds are not reasonably available from other resources. Hardships include post-secondary educational expenses for the participant or their dependents, medical expenses to the extent not otherwise reimbursed under the Adopting Employers' medical programs, expenses for the purchase of a principal residence or material alterations thereto, payments to prevent eviction from or foreclosure on a principal residence and burial or funeral expenses for the participant's parent, spouse, children, or dependents.

Taj Hotels Retirement Savings Program
Financial Statements
December 31, 2021, and December 31, 2020

Plan termination

Although it has not expressed any intent to do so, the Sponsor and the Adopting Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination participants would become 100% vested with the Adopting Employers' contributions.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. These loans are secured by the balance in the participant's account and bear interest as determined at the time of the loan origination. Principal and interest is paid ratably through monthly payroll deductions over a period not to exceed five years. If the proceeds are used to construct or rehabilitate a participant's principal residence, the Plan Administrator may permit a longer repayment term. Principal and interest repaid is reinvested based on the participant's present investment allocation selection. The interest rate for all outstanding loans ranged from 4.25% to 7.50% on December 31, 2021, and December 31, 2020.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The Plan prepares its financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP"), using the accrual basis of accounting, which recognizes revenue when it is earned and expenses as they are incurred.

Use of estimates

The preparation of financial statements in conformity with US GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, disclosure of contingent assets and liabilities, and the reported amounts of additions and deductions to net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of benefits

Benefits are recorded when paid.

Fair value measurements

The fair value measurements standard establishes a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standard are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Taj Hotels Retirement Savings Program

Financial Statements

December 31, 2021, and December 31, 2020

Level 2 – Inputs to the valuation methodology include:

- Quoted market prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021, and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units held in common/collective trusts (CCT) are valued using the NAV practical expedient of the CCT as reported by the issuer of the CCT. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Stable value fund: The stable value fund consists of the Putnam Stable Value Fund (refer note 6) and is reported at contract value which approximates fair value. Contract value represents the aggregation of contributions, plus interest, less withdrawals, if any.

Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using the NAV per share as a practical expedient is not categorized within the fair value hierarchy.

Investment valuation and income recognition

Investments in mutual funds and common/collective trusts are valued at fair value or contract value, wherever applicable, as provided by the trustees. The mutual funds held by the Plan are valued at fair value based on the daily closing price as reported by the funds. All the mutual funds are open-ended and are registered with the Securities and Exchange Commission. These mutual funds are required to publish their daily NAV and to transact at that price. The common/collective trusts are valued at the NAV of units held by the Plan. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Investments in stable value fund are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to stable value fund investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan expenses

With the exception of the Plan's record-keeping fees and expenses related to the notes receivable from participants (loan setup and loan maintenance fees) which are charged to the individual participant's account, all other administrative expenses incurred by the Plan are paid by the Adopting Employers.

The administrative fees comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	55,314	33,729
Total	55,314	33,729

Corrective distributions

Corrective distributions are those contributions that were ineligible for the plan year. During the year ended December 31, 2021, and December 31, 2020, corrective distributions amounted to \$39,121 (which reflect payments in 2022) and \$NIL, respectively.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEES (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustees have certified to the completeness and accuracy of all the investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and December 31, 2020, and the supplemental Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, and the related investment and notes receivable from participants activity reflected in the statements of changes in net assets available for benefits for the years ended December 31, 2021, and December 31, 2020.

NOTE 4: INVESTMENTS

A schedule of the fair value or contract value, wherever applicable, of individual investments that comprised 5% or more of the Plan's net assets available for benefits at December 31, 2021, and December 31, 2020, is as follows:

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENTS

Putnam Stable Value Fund (the "Fund") is a Fund established and maintained by Putnam Fiduciary Trust Company, LLC ("PFTC") pursuant to the Declaration of Trust for the Putnam Fiduciary Trust Company Investment Funds for Pension and Profit-Sharing Trusts (the "Trust"), as amended and restated March 31, 2008. PFTC has hired its affiliate, The Putnam Advisory Company, LLC ("PAC"), to provide certain non-discretionary investment advisory and administrative services to Putnam in connection with the Fund. The Fund invests in high-quality guaranteed investment contracts ("GICs") and similar contracts issued by insurance companies, banks, and other financial institutions. The Fund also invests up to 75% of its assets in security-backed investment contracts ("SBICs"), including separate account products of insurance companies. The foregoing instruments are collectively referred to herein as "Investment Contracts." The

Fund invests at least 5% of its assets in high-quality money market instruments, cash, cash equivalents and stable value funds (including fixed income funds underlying SBICs) with investment policies and other provisions similar to those of the Fund and may invest without limit in these investments.

Investment contracts are valued at contract value. Contract value represents invested principal plus accrued interest earned thereon. The Investment Contracts are not tradable on any secondary market but provide for benefit responsive withdrawals by plan participants at contract value. In determining Investment Contracts' value, PFTC considers such factors as the benefit responsiveness of the Investment contracts and, with respect to SBICs, the contingency provisions in the contract in the event of a default by the issuer of underlying securities. Investment Contracts will normally be held to maturity and meet the fully benefit responsive requirements of Accounting Standard Codification (ASC) 962, Plan Accounting – Defined Contribution Pension Plans. The contract value of Investment Contracts will be adjusted to reflect any issuer defaults or other evidence of impairment under an Investment Contract should they occur. Short-term investments are valued at contract value which approximates cost plus accrued interest and approximates fair value.

The fair value of traditional GICs is determined using a discounted cash flow methodology where individual contract cash flows are discounted at the prevailing market interpolated GIC rate as of yearend. For example, a GIC with a maturity of 2.5 years will use an interpolated rate of 50% of the 2-year GIC rate and 50% of the 3-year GIC rate.

Synthetic investment contracts (e.g., security backed and separate account guaranteed investment contracts) represent individual assets placed in a trust, with ownership by the Fund (or, in the case of a separate account, held in Trust for the client by the contract issuer); a third party issues a wrap contract that provides for participant transactions to be executed at contract value. Individual assets of the synthetic investment contract are valued at fair value, on the basis of valuations furnished by PFTC-approved independent pricing services. These pricing services determine valuations for normal institutional-size trading units of such securities using methods based on market transactions for comparable securities and various relationships, generally recognized by institutional traders, between securities (which includes consideration of such factors as security prices, yields, maturities, and ratings), or at fair value as determined in good faith by the PFTC. Short-term investments are stated at contract value, which approximates fair value.

NOTE 8: TAX STATUS

For the year ended December 31, 2021, and the period July 01, 2020, till December 31, 2021, the Plan's prototype plan document preparer has obtained an opinion letter dated July 16, 2014, from the IRS stating that the Plan is designed in accordance with applicable sections of the IRC. For the period January 01, 2020, till June 30, 2020, the Plan's prototype plan document preparer has obtained an opinion letter dated March 31, 2014, from the IRS stating that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable

Taj Hotels Retirement Savings Program
Financial Statements
December 31, 2021, and December 31, 2020

requirements of the IRC. Therefore, the Plan administrator believes that the Plan is qualified, and the related trust was tax-exempt as of the financial statement date.

Uncertainty in income taxes

The Plan recognizes the effect of tax positions only if those positions are more likely-than- not to be sustained upon examination by the taxing authorities. As of December 31, 2021, and December 31, 2020, Plan management has determined that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

The Plan investments are managed by the trustees. Reliance and Wells Fargo are the trustees as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions under ERISA. The Plan's management approved these investment options. ERISA considers the recordkeeping fees and participant loan expenses paid to ADP and Wells Fargo to be party-in-interest transactions.

Participants who are active employees may borrow from their accounts and such loans qualify as exempt party-in-interest transactions under ERISA. These loans are recorded as notes receivable from participants in the statements of net assets available for benefits.

Certain employees of the Adopting Employers, who may be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

NOTE 10: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. The Plan's exposure to credit losses in the event of non-performance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, net appreciation in the fair value of investments totaled \$2,254,814 and net appreciation for the year ended December 31, 2020, totaled \$2,205,597. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

NOTE 11: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 12: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Taj Hotels Retirement Savings Program

Financial Statements

December 31, 2021, and December 31, 2020

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 13: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
