INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Commercial Sewing, Inc.
Savings and Retirement Plan
Torrington, CT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Commercial Sewing, Inc. Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Commercial Sewing, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note I to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are

presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Commercial Sewing, Inc. Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Sewing, Inc. Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,

misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Commercial Sewing, Inc. Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Commercial Sewing, Inc. Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held at End of Year is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The

information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule matters that we identified during the audit that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Commercial Sewing, Inc.
Savings and Retirement Plan
Torrington, CT

We were engaged to audit the accompanying financial statements of Commercial Sewing, Inc. Savings and Retirement Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note H, which was certified by Transamerica Life Insurance Company, the Trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Transamerica Life Insurance Company holds the Plan's investments and executes investment transactions. The Plan Administrator has obtained a certification from the

trustee, as of and for the year ended December 31, 2020, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter-Supplemental Schedule

The supplemental schedule of assets (held at end of year) as of December 31, 2020 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

COMMERCIAL SEWING INC., EMPLOYEE SAVINGS AND RETIRMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A – DESCRIPTION OF PLAN

The following description of the Commercial Sewing Inc., Employee Savings and Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan with a 401k provision covering all eligible employees of the Company who have completed 250 hours within the first 3 months and have attained age 21. In all events, 1 year of service with 1,000 hours entitles employees to participate. The current plan was amended from a Money Purchase Plan effective July 1, 2001. Individuals classified as leased employees are not eligible to participate in the Plan. Transamerica Life Insurance Company acts as Trustee and record keeper. The Plan Administrator is responsible for the oversight of the Plan and monitors investment and overall Plan performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Each year, participants may contribute up to one hundred percent (100%) of eligible compensation, as defined by the Plan, but cannot exceed the maximum limits set by the Internal Revenue Service, \$19,500 in 2021 and 2020. Participants who have attained age fifty (50) before the end of the Plan year are eligible to make catch-up contributions of \$6,500 in 2021 and 2020. The Company contributes a 50% match up to 3% of eligible compensation. Additional discretionary amounts may be contributed at the option of the Company's Board of Directors. No additional amounts have been contributed by the Company for the years ended December 31, 2021, and 2020. Participants may contribute amounts representing distributions from other qualified plans. There was one contribution to the Plan from other qualified plans (rollovers) in 2021 and none in 2020, respectively. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Company's match as well as allocations of (a) the Company's profit-sharing contribution; (b) Plan earnings and (c) charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of the employee's vested balance or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates which equal prime rate plus 1%. The interest rate on outstanding loans was 4.25% - 6.00% on December 31, 2021. Principal and interest is paid ratably through payroll deductions over a maximum term of five (5) years. The term of loans used to acquire a

participant's primary residence may be extended to thirty (30) years. Principal and interest is paid ratably through bi-weekly payroll deductions. The notes are valued at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits. On termination of service due to death or total and permanent disability, the participant's account will become fully vested regardless of the number of service years. On termination of service due to retirement or any other reason not stated previously, a participant may receive the value of the participant's vested interest in his or her account.

Forfeited Accounts. On December 31, 2021, and 2020, forfeited non-vested accounts totaled \$7,189 and \$3,571, respectively. These accounts are used to first offset Plan administration costs with any remaining amount used to reduce future employer contributions. During the year ended December 31, 2021, and 2020, the Plan used forfeited amounts of \$2 and \$8,516, respectively to pay Plan expenses. The forfeiture account is maintained in an unallocated Stable Value Account Fund.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis of accounting.

Revenue Recognition - On January 1, 2019, the Plan adopted new accounting guidance under Accounting Standards Codification Topic 606 (ASC 606), *Revenue from Contracts with Customers*. ASC 606 outlines a single comprehensive model for entities to utilize for revenues. The guidance is based on the principle that an entity should recognize revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration to which the entity expects to be entitled in exchange for such goods or services. The Plan elected to adopt this guidance using the modified retrospective transition method. No adjustments to net assets were required as of January 1, 2019, as there was no impact to previously reported revenue or expenses associated with adopting ASC 606.

Use of Estimates. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest is recorded when earned and dividends are recorded on the ex-dividend date. Net

appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as they are incurred. No allowance for doubtful credit losses have been recorded as of December 31, 2021, and 2020. If a participant fails to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan is reduced, and a benefit payment is recorded.

Payment of Benefits. Benefits are recorded when paid.

Administrative Expenses. Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and participant distributions are charged directly to the participant's account. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events. The Plan has evaluated subsequent events through September 20, 2022, which is the date the financial statements were available to be issued

Reclassifications – Certain amounts have been reclassified in the 2020 financial statements to conform to the 2021 presentation.

NOTE C – INVESTMENT CONTRACT WITH INSURANCE COMPANY

Transamerica maintains contributions in the participant's accounts. Participant accounts are credited with earnings on the underlying investments (shares in regulated mutual funds) and are also charged with participant withdrawals. Transamerica also maintains contributions allocated to a stable value fund in its general account. The account is credited with interest at a specified rate and charged for participant withdrawals. Interest rates are set twice a year just prior to January 1st and July 1st for the corresponding six months. There are no reserves against contract value for credit risk of the contract issuer since the contract is fully benefit responsive in compliance with the Financial Accounting Standards Board (FASB) rules for fully benefit responsive requirements. This is a non-tradeable obligation of Transamerica. The average yield and crediting interest rates range were 1.45% and 1.55% in 2021 and 2020, respectively.

The repayment of principal and interest credited to a participant's holding in the investment is a financial obligation of Transamerica. If an event should occur such that realization of full contract value is no longer probable, this option may no longer be offered and may no longer be benefit responsive.

NOTE D – FAIR VALUE MEASUREMENT

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the custodians as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to the information included in the Plan's financial statements and supplemental schedule. Investments held and certified by the custodian in the accompanying statements of net assets available for benefits totaled \$9,765,529 and \$8,016,435 as of December 31, 2021, and 2020, respectively.

U.S. generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets.
- quoted prices for identical or similar assets or liabilities in inactive markets.
- inputs other than quoted prices that are observable for the asset or liability.
- inputs that are derived principally from or corroborated by observable market data by correlation or by other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair values measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE D – FAIR VALUE MEASUREMENT (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies as of December 31, 2021, and 2020.

Pooled Separate Accounts: Valued at the daily closing price as reported by the insurance company. Separate accounts may consist of individual stocks, bonds, shares of funds, another underlying fund or collective trust. Consequently, the unit value of a separate account fluctuates in accordance with changes in the underlying value of its investments minus any separate account fees and charges. Separate accounts that are offered through group variable annuity contracts (which are only issued to certain retirement plans) are primarily regulated by state insurance departments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021, and 2020, respectively.

NOTE E – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE F – TAX STATUS

The Internal Revenue Service has determined and informed the Plan's volume submitter on March 31, 2014, that the Prototype Standardized Profit-Sharing Plan with cash or deferred arrangement ("CODA"), as then designed, followed the applicable requirements of the Internal Revenue Service (IRS). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE F – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine tax audits by jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to informational return examinations for years prior to 2017.

NOTE G – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan utilizes a third-party administrator, Transamerica Life Insurance Company. Certain Plan investments are pooled separate accounts managed by Transamerica Life Insurance Company; therefore, these transactions qualify as party-in-interest transactions. Loan processing fees and distribution fees were paid by the Plan from the individual participant's account who initiated those transactions. All other Plan administrative expenses are paid on a pro-rata basis from participant accounts.

NOTE H – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE K –COVID PANDEMIC RESPONSE

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan China and has since spread to other countries, including the United States of America. On March 11, 2020, the World Health Organization characterized COVID-19 as a pandemic. The COVID-19 in the United States of America has caused significant business disruption through mandated and voluntary closings of businesses and organizations across the country for non-essential services. While the disruption is expected to be temporary, there is considerable uncertainty about the duration of the closings.

As of the date of these financial statements were available to be issued, there was considerable uncertainty about the expected duration of this pandemic. The eventual financial impact to the Plan cannot be reasonably estimated at this time.
