June 27, 2022

The Plan Administrator
Camco Manufacturing, LLC 401(k) Plan
121 Landmark Drive
Greensboro, NC 27409

In planning and performing our audit of the financial statements of Camco Manufacturing, LLC ("the Company") 401(k) Plan ("the Plan"), as of and for the period ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Plan's internal control to be significant deficiency:

Delinquent Contributions

During the audit of employee and employer contribution/participant loan remittances, we determined that numerous fundings of employee deferral contributions and loan payments were funded to the participants plan accounts held by the recordkeeper/trustee more than five (5) days after the employer payroll pay dates.

The pay dates when the deferral contributions were late are as follows:

<u>Pay Date</u>	<u>Date Funded</u>
10/01/2021	2/2022
10/15/2021	10/29/2021 and 12/15/2021
10/29/2021	12/15/2021 and 11/15/2021
11/12/2021	12/15/2021
11/26/2021	12/9/2021 and 12/6/2021
12/24/2021	12/30/2021

The total amount of delinquent contributions and loans was \$305,213.17

Resolution:

In communications from the recordkeeper/trustee representative, we understand all the late fundings have been corrected. Further, in communication with the HR Director of the Company, a filing with the Department of Labor ("DOL") under the Voluntary Fiduciary Correction Program ("VFCP") will take place in 2022.

Recommendation:

We recommend the following to improve internal control:

- a. Implement a control oversight of payroll fundings to the Plan, wherein fundings should take place no later than 2-3 days after the pay date.
- b. File the Voluntary Fiduciary Correction forms under the DOL's VFCP.

Professional standards also require that we advise you of the following matters relating to our audit:

We have audited the financial statements of the Plan, an employee benefit plan subject to ERISA, as permitted by ERISA Section 103(a)(3)(C) for the period ended December 31, 2021, and we will issue our report thereon dated June 27, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Delaware Charter Guarantee and Trust Company, dba/Principal Trust Company ("the Trustee"), which is a bank, similar institution, or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of generally accepted accounting principles ("GAAP"). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 27, 2022. Professional standards also require that we communicate to you the following information related to our audit:

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note C to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during the period ended December 31, 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate(s) affecting the financial statements were:

Unrealized Gains and Losses

Management's estimate of the unrealized gains and losses is based on certification of investments provided by the Trustee. We evaluated the key factors and assumptions used to develop the unrealized gains and losses in determining that they are reasonable in relation to the financial statements taken as a whole. Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were:

Note A – Description of the Plan
Note B – Summary of Accounting Policies
Note E – Investments

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance, or suspected noncompliance, with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable findings:

We consider the numerous fundings of employee deferral contributions and loan payments that were funded to the participants plan accounts held by the recordkeeper/trustee more than five (5) days after the employer payroll pay dates, are reportable findings under the DOL's rules and regulations. This reportable finding and its resolution is described in detail in the section of internal control deficiencies.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated June 27, 2022.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditor. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to, or derived from, the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by, and certified to, by the Trustee agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

This information is intended solely for the use of the Plan Administrator of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
