INDEPENDENT AUDITOR'S REPORT

To the Participants and Administrator of the
PUBG Santa Monica 401(k) Plan
Santa Monica, CA

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of PUBG Santa Monica 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of PUBG Santa Monica 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of PUBG Santa Monica 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PUBG Santa Monica 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of PUBG Santa Monica 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about PUBG Santa Monica 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PUBG SANTA MONICA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the PUBG Santa Monica 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code (IRC) adopted on January 1, 2018. The Plan covers substantially all employees of PUBG Santa Monica and Striking Distance Studios, Inc.

Effective September 23, 2021, the Plan was amended and restated to exclude Striking Distance Studios, Inc. (SDS) as a participating employer. On October 5, 2021, all assets allocable to SDS totaling \$3,515,177 were transferred to the new plan. The transaction is reflected as a transfer of plan assets to other qualified plans in the accompanying statement of changes in net assets available for benefits.

On December 22, 2021, the plan document was amended and restated to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6-year preapproved plan restatement cycle). The restatement is effective January 1, 2022. As part of the same amendment, the Plan adopted the applicable provisions under the Setting Every Community Up for Retirement Enhancement Act, 2019 (the SECURE Act), the Coronavirus Aid, Relief and Economic Security Act, 2020 (CARES Act) and the Consolidated Appropriations Act, 2021 (CAA). The Plan adopted and operated under the temporary provisions of the CARES Act during 2020, prior to the formal plan amendment in 2021. Under the CARES Act, required minimum distributions ("RMD") for the 2020 calendar year were temporarily suspended, however, Plan participants could elect to receive distributions equal to their respective RMD in 2020. Additionally, impacted participants could receive up to \$100,000 in aggregate for in-service withdrawals before December 31, 2020 and the 10% penalty tax for early withdrawal was waived. The related taxes can be included in the impacted participant's taxable income over a three-year period. There were no limits to the number of such withdrawals each impacted participant could take and the repayment of the withdrawal amount is permitted if repayment occurs within three years of the distributions. These provisions were extended through June 25, 2021 under the Consolidated Appropriations Act of 2021, which was signed into law on December 27, 2020.

The assets of the Plan are held and managed by Principal Life Insurance Company ("Principal").

Eligibility

The Plan covers all employees of PUBG Santa Monica, Inc. (the Company) who are age 18, except for non-resident aliens. The employees may enter the Plan on the first day of the month coinciding with or next following the date they the eligibility requirements.

PUBG SANTA MONICA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants may contribute on a pre-tax or after-tax basis up to 100% of their annual compensation, as defined in the Plan, subject to the statutory limitations established by the Internal Revenue Code (IRC). The Plan provides for 401(k) elective deferrals, as well as Roth elective deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, pooled separate accounts, common collective trust funds, and a guaranteed investment contract as investment options for participants.

Effective January 1, 2021, the Plan began providing a safe harbor matching contribution for all eligible employees, equal to 100% of participants' salary deferrals that do not exceed 3% of their annual compensation, plus 50% of deferrals between 3% and 5% of their annual compensation. The Company may also make a discretionary matching and qualified non-elective contribution, determined annually.

During 2021, the Company made safe harbor matching contributions to the Plan totaling \$675,353, and made no discretionary matching or qualified non-elective contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution, if any, plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Earnings are allocated by fund based on the ratio of a participant's account invested in a particular fund to all participants' investments in that fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective deferrals, rollovers, safe harbor contributions, and discretionary and qualified non-elective contributions, and all earnings thereon. However, with regard to employees terminated prior to August 15, 2019, vesting in their employer match accounts is 25% per year, and thus they become fully vested after four years of employment. A year of vesting service is earned upon completion of 1,000 hours of service during a plan year.

Payment of Benefits

Upon termination of service due to death, or retirement, participants may elect to receive either a lump-sum amount equal to the value of their account, a direct rollover into a qualified retirement plan or a combination of the two. In-service withdrawals at age 59 1/2 are also permitted, subject to the provisions described in the Plan document. Partial withdrawals or installments are only permitted for required minimum distributions. The employer may authorize certain withdrawals from a participant's account in the event of a proven financial hardship. Hardship withdrawals are subject to specific statutory and regulatory requirements.

PUBG SANTA MONICA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Forfeitures resulting from terminated participants may be used to pay plan administrative expenses or reduce employer matching contributions. At December 31, 2021 and 2020 forfeited nonvested accounts totaled \$213 and \$-0-, respectively. During 2021, the Plan used \$12,067 to reduce employer safe harbor contributions. No forfeited nonvested accounts were used to pay administrative expenses during 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting standards generally accepted in the United States of America (U.S. GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts (FBRIC). Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to FBRIC because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for FBRIC, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements. Contract value equals the accumulated cash contributions and interest credited to the Plan's contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. The Plan is not required to reimburse the Company for expenses paid on behalf of the Plan. Investment-related expenses are included in net appreciation in fair value of investments. Fees related to the administration of distributions are charged directly to the participant's account and are included in administrative expenses.

PUBG SANTA MONICA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates. In particular, the novel coronavirus ("COVID-19") pandemic and the resulting adverse impacts to global economic conditions, as well as the Plan's operations, may affect future estimates including, but not limited to, fair value measurements, downward adjustments to investments in equity securities, or asset impairment charges.

NOTE 3 - CERTIFIED INFORMATION

Information regarding investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividend income for the year ended December 31, 2021, disclosed in the accompanying financial statements, and the investment information included in the supplemental schedule of assets (held at end of year) as of December 31, 2021, is derived from statements which have been certified by Principal Trust Company and Principal Life Insurance Company (collectively Principal), the plan custodian, as complete and accurate in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 4 - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

The Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds

PUBG SANTA MONICA 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

held by the Plan are deemed to be actively traded.

Pooled Separate Accounts (PSA)

The PSA invest mainly in domestic stocks and mutual funds which have observable level 1 quoted pricing inputs. The NAV of the pooled separate accounts is not publicly quoted but is available to current investors via the Company website or when plan participants access their account values. The NAV is the basis for current transactions and the PSA can be redeemed at NAV as of the measurement date. Therefore, those investments are considered to have a readily determinable fair value. The Plan has no unfunded commitments related to the pooled separate accounts and redemptions and subscriptions are permitted daily.

Common Collective Trust Funds

Collective investment trust funds (CIT) invest in collective trust funds and a variety of separate accounts and mutual funds. The fair values of the collective investment trust and the separate accounts are not publicly quoted pricing inputs; the fair values of the mutual funds are publicly quoted pricing inputs (level 1). The fair value of all these investments is used in determining the NAV of the CITs, which is not publicly quoted but is available to current investors via the Company website or when plan participants access their account values. Participant transactions (purchases and sales) may occur daily. Therefore, those investments are considered to have a readily determinable fair value. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

PUBG SANTA MONICA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE 5 - GUARANTEED INVESTMENT CONTRACT

The Plan has a fully benefit-responsive (FBR) guaranteed investment contract (GIC) with Principal Life Insurance Company (Principal). Principal maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the GIC is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The GIC is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The GIC does have a surrender charge of 5% that may be charged if the Plan terminates its interest in the contract.

The GIC is a single group annuity contract with a fixed rate of interest. As a result, the average yield earned by the Plan is the yield earned (i.e. interest credited) on the group annuity contract. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Under the terms of the existing contract, the crediting interest rate is based on a formula agreed upon with the issuer. The crediting rate is currently reset on a semiannual basis and will not be less than the guaranteed minimum interest rate. In no case will the guaranteed minimum interest rate be less than 1% or greater than 3%.

Certain events limit the ability of the Plan to transact at account value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTE 6 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments are managed by Principal. Transactions involving Principal's funds, qualify as party-in-interest transactions. Personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the plan. There were no financial transactions recorded between the Company and the Plan other than contributions made.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 8 - TAX STATUS

The Plan has adopted a prototype volume submitter profit sharing plan sponsored by Uniglobal Pension Planning, Inc. The prototype plan has received an opinion letter from the Internal Revenue Service (IRS) dated January 22, 2018, which states that the prototype retirement plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC).

The plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions for the statutory period; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

On March 11, 2020, the World Health Organization declared a novel strain of coronavirus disease ("COVID-19") a pandemic, which is ongoing as of the date the financial statements. The spread of COVID-19 has had a disruptive impact on the daily life and operations of individuals, businesses, and employee benefit plans around the world.

As a result of the COVID-19 pandemic, economic uncertainties have arisen which have resulted in significant volatility in the investment markets, causing substantial fluctuations in the value of the Plan's investments and this may continue for an extended period of time. The extent of COVID-19's effect on the Plan's operational and financial performance will depend on future developments, including the duration, spread, and intensity of the pandemic, all of which are uncertain and difficult considering the rapidly evolving landscape. As a result, the overall impact of COVID-19 on the Plan's investment portfolio, participant account balances and the amounts reported in the Plan's financial statements and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 10 - LATE REMITTANCES

During the years ended December 31, 2021, the Company failed to remit to the plan custodian participant contributions totaling \$24,799 within the period prescribed by Department of Labor regulations. These contributions are considered nonexempt party-in-interest transactions. The Company custodian calculated lost earnings on the delinquent remittances and the plan sponsor made contributions to the Plan in August 2022, at which time the lost earnings were allocated to the affected participants' accounts.

NOTE 11 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 15, 2022, which is the date the financial statements are available to be issued.
