INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Partners in Care 403(b) Plan
Bend, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Partners in Care 403(b) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Partners in Care 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Partners in Care 403(b) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Partners in Care 403(b) Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Partners in Care 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Partners in Care 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Partners in Care 403(b) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 10, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The following description of Partners in Care 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2019.

General

The Plan was adopted on January 1, 2009, as a defined contribution plan covering employees of Partners in Care (the Employer). All employees are immediately eligible for Plan participation. The Plan is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to be qualified under Section 403(b) of the Internal Revenue Code (IRC). The Plan Administrator oversees governance of the Plan.

Contributions

Each year, participants may contribute pre-tax compensation up to the limits provided by the Internal Revenue Code (IRC). Effective December 1, 2017, participants may elect their deferrals to be treated as pre-tax or after-tax (Roth). Additionally, employees age 50 or older or who will attain age 50 before the end of the calendar year are eligible to contribute "catch-up" contributions up to Internal Revenue Service (IRS) limits. The Plan also allows for participants to make rollover contributions from existing qualified plans into the Plan.

The Plan has an Automatic Contribution Arrangement (ACA) deferral of 4 percent for all newly eligible and existing participants not currently deferring, unless the participant makes an affirmative election not to defer or elects a different amount.

The Employer may contribute matching contributions to the Plan at its discretion. Such contributions are always fully vested. The percentage of the matching contribution is to be determined by the Employer each year and may be modified during the year. Employees are eligible for matching contributions after 60 consecutive days of service. For the year ended December 31, 2021, there was an Employer match of up to 4 percent of eligible compensation. For the year ended December 31, 2020, the Employer match was a maximum of 4 percent in January, 2 percent from February through May, 6 percent from June through September, and 4 percent from October through December.

Participants may direct the investment of their contributions into various mutual fund investments offered through Matrix Trust Company.

Participant Accounts

Each participant's account is credited with the participant's and Employer's contributions and earnings on the specific investments held in the participant's account. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in their accounts at all times.

PARTNERS IN CARE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Notes Receivable from Participants

Participants may borrow from their fund accounts a maximum of the lesser of \$50,000 or 50 percent of their account balance, with a minimum of \$1,000. The loans are secured by the balance in the participant's account and bear interest at the prime rate prevailing at the time of the loan origination. Principal and interest are paid ratably through payroll deductions.

As a result of the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) signed into law on March 27, 2020, the maximum loan amount increased to the lesser of \$100,000 or 100 percent of a participant's vested balance. This temporary relief only applies to loans initiated through September 22, 2020.

Payment of Benefits

Upon retirement, disability, death, or termination of employment, a participant may elect to receive the vested value of his or her account in a lump-sum payment. Participants age 65 or older may take an in-service withdrawal of all or part of their account balance at any time.

The Plan provides for hardship withdrawals in the event of an immediate and heavy financial need in an amount not to exceed the lesser of the participant's vested balance or the participant's immediate and heavy financial need. In the event of a hardship withdrawal, participant contributions will be automatically suspended and the participant will be ineligible to resume such contributions for six months following the date of distribution.

Under the CARES Act, signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

Plan Administration

The Plan is administered by the management of the Employer. The Plan Administrator has appointed Randall & Hurley, Inc. as the third-party administrator of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

PARTNERS IN CARE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Investments held by plans qualified under Section 403(b) of the IRC are limited to registered investment companies (mutual funds) and fixed or variable annuity contracts.

Purchases and sales of securities are recorded on a trade date basis. Investment income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and the delinquent note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Fees

Third-party administration and investment advisory fees are paid by the Plan and charged to participant accounts. Certain account maintenance, distribution, and loan fees are paid directly from participant accounts. Other expenses of maintaining the Plan are paid by the Employer and excluded from these financial statements. Investment-related expenses are included in net change in fair value of investments.

3. Information Certified by the Plan's Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Matrix Trust Company, the trustee of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

PARTNERS IN CARE 403(b) PLAN

3. Information Certified by the Plan's Trustee, continued

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Registered investment companies	\$ 11,274,358	\$ 9,383,735
Investment income:		
Net change in fair value of investments	724,717	899,993
Dividend income	582,363	294,751

4. Party in Interest Transactions

Certain Plan investments may be shares of registered investment companies managed by the trustees or affiliates of the trustees of the Plan. These transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA.

5. Plan Termination

Although the Employer has not expressed any intent to discontinue its contributions and terminate the Plan Agreement, it may do so at any time subject to the provisions set forth in ERISA.

6. Tax Status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with IRC to maintain the tax-exempt status for Plan participants under Section 403(b).

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

PARTNERS IN CARE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the quoted net asset value (NAV) of shares held by the Plan at year end. All mutual funds held by the Plan are open-end mutual funds that are registered with the SEC and are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

PARTNERS IN CARE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS

8. Fair Value Measurements, continued

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 11,274,358</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,274,358</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	<u>\$ 9,383,735</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,383,735</u>

9. Reclassifications

Certain amounts in the 2020 financial statements were reclassified to conform to current year presentation. These reclassifications did not result in a change to previously reported net assets available for benefits or changes in net assets available for benefits.

10. Subsequent Events

Management evaluates events and transactions that occur after the statements of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
