Report of Independent Auditors

To the Plan Administrator and Participants
Rockcastle Hospital and Subsidiaries Retirement Plan
Mount Vernon, Kentucky

Opinion

We have audited the financial statements of Rockcastle Hospital and Subsidiaries Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as whole. The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Plan Administrator and Participants
Rockcastle Hospital and Subsidiaries Retirement Plan
Report of Independent Auditors, continued

Supplemental Schedule Required by ERISA, continued

The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements

1. Description of Plan

The following description of the Rockcastle Hospital and Subsidiaries Retirement Plan (the Plan) provides only general information. Participants should refer to the *Adoption Agreement* (Plan Document) for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all eligible employees of Rockcastle Hospital and Subsidiaries Retirement Plan its parent company, Rockcastle Regional Hospital and Respiratory Care Center, Inc. (collectively referred to as the Plan Sponsor or Administrator). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as well as applicable sections of the *Internal Revenue Code* (IRC).

Eligibility

Employees become eligible to participate in the Plan upon completion of one year of service (defined as a year within which employees work a minimum of 1,000 hours) and attainment of age 21. Employees can begin participating in the Plan on semi-annual entry dates.

Contributions

The Plan permits eligible employees, through salary reduction elections, to make annual contributions of up to the maximum amount allowable under the limits of the IRC, Section 401(k). Participants are required to contribute, at a minimum, 1% of their compensation, as defined by the Plan (2% for all employees hired on January 1, 2018 or after). Employee rollover contributions are also permitted. The Plan Sponsor makes a matching contribution of 50% of each participant's salary reductions up to 5% of each participant's compensation. The Plan Sponsor may also contribute a discretionary amount to be determined annually. No discretionary contributions were made by the Plan Sponsor in 2021.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Plan Sponsor's matching contribution, the Plan Sponsor's discretionary contribution, if any, and plan earnings or losses. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Forfeited Accounts

Forfeited balances or terminated participants' nonvested accounts are used first to reinstate previously forfeited account balances of re-employed participants, if any. The remaining amount shall be used to reduce the Plan Sponsor's contributions or offset Plan Sponsor expenses. As of December 31, 2021 and 2020, forfeited accounts totaled \$34,082 and \$28,893, respectively. During 2021, \$14,647 in forfeitures were used to pay Plan expenses. Forfeited participant balances during 2021 totaled \$19,830.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements, continued

1. Description of Plan, continued

Investment Options

Participants direct the investments of their contributions into various options offered by the Plan. The Plan Sponsor's contributions are automatically invested in the same investment options at the same percentage as participant deferral contributions.

Periodic transfers among funds of certain accumulated account balances and changes in the direction of future participant deferral and Plan Sponsor matching contributions are permitted.

Payment of Benefits

Benefits are paid at the normal retirement date, in the event of death or disability, or according to the vested amount if employment is terminated. Upon termination of service, participants receive their benefits in a lump-sum amount.

Administrative and Investment Expenses

Certain administrative expenses of the Plan are paid by the Plan as provided in the Plan Document. All other administrative expenses are paid by the Plan Sponsor. Investment related expenses are included in net appreciation of fair value of investments.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting of the Plan Sponsor's contributions is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0 %
2	20
3	40
4	60
5	80
6 or more	100

Participants are immediately vested in all contributions in the event of death, disability or the attainment of normal retirement age.

Risks and Uncertainties

The Plan provides for participant-directed investment options into various securities. Investment securities, in general, are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements, continued

2. Summary of Significant Accounting Policies

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) which require the Plan's management to make estimates and assumptions that affect the reported amounts and disclosures in the financial statements. Actual results could differ from those estimates. The following is a summary of the significant accounting policies consistently followed by the Plan in the preparation of its financial statements:

Cash and Cash Equivalents

Cash and cash equivalents consist of investments in money market funds. Cash and cash equivalents are recorded at cost, which approximates fair value.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

The Plan's management has evaluated subsequent events for accounting and disclosure requirements through August 25, 2022, the date that the financial statements were available to be issued. Except as disclosed in Note 8, there were no other events occurring during the evaluation period that require recognition or disclosure in the financial statements.

3. Fair Value Measurements

The Plan classifies its investments based on a hierarchy consisting of: Level 1 (valued using quoted prices from active markets for identical assets), Level 2 (not traded on an active market but for which observable market inputs are readily available), and Level 3 (valued based on significant unobservable inputs). The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value on a recurring basis:

Money market fund: Valued at cost which approximates fair value.

ROCKCASTLE HOSPITAL AND SUBSIDIARIES RETIREMENT PLAN

Notes to the Financial Statements, continued

3. Fair Value Measurements, continued

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan Administrator believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
<u>2021</u>

4. Exempt Party-in-Interest Transactions

Certain administrative services are provided by the Plan Sponsor at no cost to the Plan. Administrative expenses for the year ended December 31, 2021 totaling \$19,001 were paid by the Plan to Community Trust, the custodian, for record keeping services. All other expenses were paid by the Plan Sponsor.

Additionally, indirect fees are paid to Community Trust based on investment account values. These fees range from 0.07% to 1.08% of the investment account value. The fees are included with net depreciation in fair value of investments on the statement of changes in net assets available for benefits.

Notes to the Financial Statements, continued

5. Tax Status

The Plan uses a prototype plan document sponsored by Community Trust. Community Trust received an opinion letter from the Internal Revenue Service (IRS), dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. Excess Contributions Payable

During 2022, payments of \$19,719, were made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the Plan year ended December 31, 2021.

During 2021, payments of \$8,778, were made to certain active participants to return to them excess deferral contributions as required to satisfy the relevant nondiscrimination provisions of the Plan for the Plan year ended December 30, 2020.

8. Subsequent Events

Effective April 1, 2022, the Plan was amended and Standard Retirement Services, Inc. became Custodian of the Plan.
