Superior Tire & Rubber Corporation
Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Superior Tire & Rubber Corporation Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the date that the financial statements are available to be issued when applicable).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Superior Tire & Rubber Corporation
Profit Sharing Plan
Notes to Financial Statements
December 31, 2021

1. Description of Plan

The following description of the Superior Tire & Rubber Corporation (the Plan Sponsor) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a safe harbor defined contribution plan covering substantially all full-time employees of the Plan Sponsor who have completed one year (1,000 hours) of service. The Plan has no minimum age requirement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants are permitted to make elective deferrals to the Plan through payroll deductions, and such elective deferrals are subject to the federal tax laws governing the limits on elective deferrals. The Plan Sponsor makes safe harbor matching contributions to each participant's account in an amount equal to each participant's elective deferrals up to 6% of their eligible compensation for the year. Each year, the Plan Sponsor may make profit sharing contributions to the Plan at the discretion of the Plan Sponsor's board of directors. Such contributions are allocated to participant accounts based on eligible participant compensation.

During 2020, the Plan Sponsor failed to re-enroll an eligible participant in the Plan. As a result of this error, the Plan Sponsor remitted \$1,479 to the participant's account, representing missed participant deferrals, Plan Sponsor matching contributions and lost earnings on those contributions. This matter was deemed to be "self-corrected" under the Internal Revenue Service (IRS) Self-Correction Program (SCP) during 2020; therefore, the Plan Sponsor believes that no formal corrective notification to the Internal Revenue Service or the DOL was required.

Participant Accounts

Each participant's account is credited with the participant's elective deferral contribution; the Plan Sponsor's matching contribution; and an allocation of (a) the Plan Sponsor's profit sharing contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The participant may direct the investment of their funds within the investments offered by the Plan.

Notes Receivable from Participants

Individuals participating in the Plan have the option of taking loans against their account balances. A participant may have up to two outstanding loans at any given time. The loan must be a minimum of \$1,000, not to exceed the lesser of one-half of the vested participant account balance, or \$50,000 (reduced by their highest outstanding loan balance in the previous 12 months.) A participant's account balance will be utilized as collateral for any given loan.

Vesting

Participants are immediately vested in their voluntary contributions and the Plan Sponsor's safe harbor matching contributions plus actual earnings thereon. Vesting in the Plan Sponsor's profit sharing contributions is based on years of continuous service. A participant is 100% vested after six years of credited service.

1. Description of Plan (continued)

Payment of Benefits

Participants may withdraw the balance in their vested individual account upon termination of employment with the Plan Sponsor, becoming disabled, or attaining retirement age but continuing to work for the Plan Sponsor. Participants may take distributions from the Plan as rollovers to individual retirement accounts, as rollovers to another employer plan, as distributions paid to them in a single lump sum or as a partial payment, or toward the purchase of an annuity contract. Upon the death of a participant, their beneficiary will receive the total value of the participant's account. Vested account balances of former employees of \$1,000 or less are paid as a lump sum and account balances greater than \$1,000 and less than \$5,000 will be rolled over automatically by the Plan into an IRA. Hardship withdrawals are permitted by the Plan. Benefits are recorded when paid.

Administrative Expenses

Substantially all investment and administrative expenses are paid by the Plan. Certain expenses, which are not material, are paid by the Plan Sponsor.

Forfeited Accounts

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Based on the discretion of the Plan Sponsor, these forfeited amounts may be used to pay plan expenses or reduce future employer contributions, or reallocated to remaining participants. The unallocated forfeiture balance totaled \$4,589 and \$7,993 at December 31, 2021 and 2020, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts regardless of whether their vesting years of service are sufficient to make them 100% vested under the Plan's vesting schedule. The value of each participant's account will be paid as directed by the Plan Sponsor.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments in registered investment companies are recorded at estimated fair value, in accordance with the provisions of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) topic on *Fair Value Measurements and Disclosures* (see Note 4).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2022, the date the financial statements were available to be issued.

3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends, and administrative expenses for the years ended December 31, 2021 and 2020, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by an agent on behalf of the trustee.

4. Fair Value Measurements

Investments are recorded at estimated fair value, in accordance with the FASB ASC *Fair Value Measurements and Disclosures* topic. This topic establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the FASB ASC *Fair Value Measurements and Disclosures* topic are described as follows:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none">• Quoted prices for similar assets or liabilities in active markets;• Quoted prices for identical or similar assets or liabilities in inactive markets;• Inputs other than quoted prices that are observable for the asset or liability;• Inputs that are derived principally from or corroborated by observable market data by correlation or other means. <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

Superior Tire & Rubber Corporation
Profit Sharing Plan
Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Cash and cash equivalents: These represent money market funds and liquid cash deposits on deposit with a financial institution, valued at the net asset value (NAV) of shares held by the Plan at year-end.

Mutual funds – registered investment companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust fund: The Federated Hermes Capital Preservation Fund ("Fund") is a collective investment fund that is valued at the NAV of the units of the collective trust fund held by the Plan at the year-end times the respective unit value. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV of the collective trust fund is based upon significant observable inputs, although it is not based upon quoted market prices in an active market. The collective trust fund's investment objective is to seek the preservation of capital and to provide a competitive level of income over time that is consistent with the preservation of capital. To accomplish the objective of the Fund, the Fund invests primarily in stable value products, such as GICs (also known as traditional GICs), separate account GICs and synthetic GICs, as well as cash equivalents which may include cash, money market mutual funds, collective investment funds, or other instruments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	\$ 738,957	\$ -	\$ -	\$ 738,957

Investments at fair value				<u>\$ 13,342,343</u>

(a) Certain investments that were measured at net asset value (“NAV”) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Investments Measured Using NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	December 31, 2020			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Federated Hermes Capital Preservation Fund	\$ 713,331	N/A	Daily	N/A

5. Income Tax Status

The Plan has adopted a non-standardized form of a prototype plan sponsored by Ascensus, Inc. The prototype plan provider has received an opinion letter dated June 1, 2020 from the IRS as to the prototype plan’s qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Sponsor “self-corrected” the errors identified during 2020 under the IRS SCP. The corrective amount was remitted by the Plan Sponsor and credited to the participants’ accounts as soon as administratively possible. The Plan’s Administrator believes the Plan is operating in compliance with the IRC and has taken the necessary steps to maintain the Plan’s qualified status.

Management has evaluated the Plan’s tax positions related to the uncertainty in income taxes and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Sponsor believes it is no longer subject to income tax examinations for years prior to 2018.

Profit Sharing Plan
Notes to Financial Statements (continued)

6. Related Party Transactions

Certain Plan investments are held in a contribution account managed by Ascensus, the recordkeeper of the Plan, as agent for Ascensus Trust Company, the trustee of the Plan as of and for the years ended December 31, 2021 and 2020. Therefore, these transactions qualify as party-in-interest transactions.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
