Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Plan Administrator
403(b) Thrift Plan for Employees of United Way
of Greater Milwaukee & Waukesha County, Inc.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 3, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN

The following description of 403(b) Thrift Plan for Employees of United Way of Greater Milwaukee & Waukesha County, Inc. (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Employees of United Way of Greater Milwaukee & Waukesha County, Inc. (the Company) are eligible to participate in the deferral option of the Plan on their date of employment. Participants are eligible for the Employer match components if they are making employee deferrals and have and completed at least 12 months of service. Participants are eligible for the Employer base contribution after they have completed at least 12 months of service. Employment in the nonprofit health or social service field within the three-year period immediately before employment with the Company counts as service for purposes of eligibility.

Contributions

Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 403(b) or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

For the years ended December 31, 2021 and 2020, the Company base contribution was 5.5% of the employee's compensation for that year, regardless of whether or not the employee was making salary deferral contributions. Effective July 1, 2016, employees who entered the nonunion group before May 1, 2015 will receive a service-weighted Employer base contribution. If the participant completed 1 to 5 years of service, the Company makes a contribution of 7% of eligible compensation received during the Plan year. If the participant completed 6 to 10 years of service, the Company makes a contribution of 8% of eligible compensation received during the Plan year. If the participant completed 11 to 15 years of service, the Company makes a contribution of 9% of eligible compensation received during the Plan year. If the participant has completed 16 years or more of service, the Company makes a contribution of 10% of eligible compensation during the Plan year.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Contributions (Continued)

The Company matching contribution is dependent on the years of service of the participant. If the participant has completed less than 10 years of service, the Company makes a matching contribution of the lesser of 70% of the salary reduction amount deferred by the participant or 3.5% of eligible compensation received during the Plan year. If the participant has completed 10 years or more of service, the Company makes a matching contribution of the lesser of 80% of the salary reduction amount deferred by the participant or 4% of eligible compensation received during the Plan year. If the participant has completed 25 years or more of service, the Company makes a matching contribution of the lesser of 90% of the salary reduction amount deferred by the participant or 4.5% of eligible compensation received during the Plan year.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the Company's base contribution, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company matching and base contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested in the Company matching contributions after three years of credited service. A participant is 100% vested in the Company base contributions after five years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

Benefit Payments

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in his or her account in the form of a lump sum distribution or installments. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeited nonvested accounts are first used to reduce future Company contributions and then are used to reduce administrative expenses. Forfeited nonvested accounts as of December 31, 2021 and 2020 totaled \$0. There were \$24,794 and \$16,317 of forfeitures used to reduce Company contributions for the years ended December 31, 2021 and 2020, respectively. There were no forfeitures used to pay administrative expenses for the years ended December 31, 2021 and 2020.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 7, 2022, the date the financial statements were available to be issued.

DECEMBER 31, 2021 AND 2020**

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

Mutual of America Life Insurance Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of all investment information reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statements of changes in net assets available for benefits for the years then ended, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

NOTE 4 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

**403(B) THRIFT PLAN FOR EMPLOYEES OF UNITED WAY
OF GREATER MILWAUKEE & WAUKESHA COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)

Interest Accumulation Account: Valued at fair value by the insurance company by discounting the cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer. The account does not meet the fully benefit-responsive investment criteria and therefore, is reported at fair value. Certain observable inputs are assessed through review of control terms while others are substantiated utilizing available market data.

Pooled Separate Account: Valued based on the net asset value (NAV) of units, which is based on the market prices of the underlying investments in the account, held by the Plan at year-end. The underlying investments are mutual funds that are valued at the daily closing price as reported by the fund. NAV is a readily determinable fair value and is the basis for current transactions.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Interest Accumulation Account	\$ -	\$ 877,691	\$ -	\$ 877,691
Pooled Separate Account	16,315,119	-	-	16,315,119
Total Investments at Fair Value	<u>\$ 16,315,119</u>	<u>\$ 877,691</u>	<u>\$ -</u>	<u>\$ 17,192,810</u>
2020				
	Level 1	Level 2	Level 3	Total
Interest Accumulation Account	\$ -	\$ 1,346,693	\$ -	\$ 1,346,693
Pooled Separate Account	12,908,959	-	-	12,908,959
Total Investments at Fair Value	<u>\$ 12,908,959</u>	<u>\$ 1,346,693</u>	<u>\$ -</u>	<u>\$ 14,255,652</u>

NOTE 5 PLAN LOANS

Participants may borrow directly from Mutual of America Life Insurance Company (Mutual of America), up to the lesser of \$50,000 or 50% of the vested portion of their fund account. These loans are direct loans between the participant and Mutual of America, and as such they are not treated as a transfer from the investment funds to a note receivable from participant funds. However, Mutual of America requires 120% of the loan balance to be collateralized by the participant's account, and this portion of their account is transferred at the time of the loan and maintained in the Mutual of America Interest Accumulation Account within the participant's account. Loans must be repaid by the participant in five years unless the proceeds are used to acquire a primary residence, which may be repaid under a longer term. The loans bear interest at a reasonable rate determined by Mutual of America. In the event of default, foreclosure on the participant's account balance will not occur until a distributable event occurs in the Plan.

**403(B) THRIFT PLAN FOR EMPLOYEES OF UNITED WAY
OF GREATER MILWAUKEE & WAUKESHA COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 5 PLAN LOANS (CONTINUED)

Outstanding loans between Plan participants and Mutual of America totaled \$41,882 and \$45,849 as of December 31, 2021 and 2020, respectively, and were collateralized by \$50,258 and \$55,018 of investments included in the statements of net assets available for benefits as of December 31, 2021 and 2020, respectively. Plan management believes that the Plan loans have met the conditions for exemption under ERISA and as such they have not been reflected in the accompanying financial statements and supplemental schedule as nonexempt transactions.

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 8 PLAN TAX STATUS

403(b) plans are not required to receive a favorable determination letter from the IRS indicating that the Plan is qualified under section 403(b) of the IRC and the trust established under the plan is tax-exempt under present income tax law. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**403(B) THRIFT PLAN FOR EMPLOYEES OF UNITED WAY
OF GREATER MILWAUKEE & WAUKESHA COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the qualified institution as defined by the Plan and, therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	2021	2020
Net Assets Available for Benefits per the Financial Statements	\$ 17,216,740	\$ 14,319,090
Contributions Receivable	(23,930)	(63,438)
Net Assets Available for Benefits per Form 5500	<u>\$ 17,192,810</u>	<u>\$ 14,255,652</u>

The following is a reconciliation of net increase in net assets available for benefits per the financial statements to Form 5500 for the years ended December 31:

	2021	2020
Net Increase in Net Assets Available for Benefits per the Financial Statements	\$ 2,897,650	\$ 2,506,135
Change in Contributions Receivable	39,508	(63,438)
Net Increase in Net Assets Available for Benefits per Form 5500	<u>\$ 2,937,158</u>	<u>\$ 2,442,697</u>

The Mutual of America pooled separate account did not file a Form 5500 for the direct filing entity; therefore, the underlying assets have been reported on the Form 5500, Schedule H and the corresponding Schedule H, line 4i—schedule of assets (held at end of year) included within these financial statements.

In addition, Plan loans of \$41,882 and \$45,849 at December 31, 2021 and 2020, respectively, are reported on Schedule H as participant loans, however, the financial statements reflect their representative interest in the Mutual of America Interest Accumulation Account. See Note 5 for further explanation on plan loans.
