Independent Auditors' Report

The Participants and Administrator
Piper Aircraft, Inc. Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Piper Aircraft, Inc. Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following description of Piper Aircraft, Inc. Retirement Savings Plan (the Plan) is provided for general informational purposes only. Plan documents should be referred to for a complete description of the Plan's provisions.

(a) General Information

The Plan is a defined contribution plan covering all eligible employees of Piper Aircraft, Inc. (Employer or Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective January 1, 2021, the Plan was amended to allow participants to maintain one outstanding loan at a time. In addition, forfeiture allocations to participants will require employment on the last day of the year.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was enacted into law. The CARES Act includes provisions that provide for changes to retirement plans, including providing for special COVID-19 related distributions of up to \$100,000, COVID-19 related loans of up to \$100,000, deferment of loan repayments for one year, and suspension of required minimum distributions for 2020.

(b) Eligibility

All employees age 18 or over with one month of service are eligible to participate in the Plan.

(c) Contributions

Each eligible participant may contribute up to 100% of gross compensation, subject to certain IRS limitations. Participants age 50 and over may make additional catch-up contributions, subject to certain limitations pursuant to Section 414(v) of the Internal Revenue Code. The Plan provides for automatic enrollment of new participants with a 3% contribution deferral after reaching eligibility. The Plan provides for an automatic increase in participants' deferral election by 1% per year on July 1 of each year, up to a maximum of 10%. Participants may elect not to enroll or have their deferral percentages increase.

The Plan allows for Roth employee deferrals, with a priority of distributions and excess contribution corrective distributions from Roth accounts.

The Employer may make discretionary matching contributions. During 2021 and 2020, the Employer matched 50% of the participant's contribution up to 6% of eligible compensation.

(Continued)

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

(d) Participant Accounts

Each participant's account is credited with the employee's contributions, allocations of the Employer's contributions and Plan investment results, and the employee's pro rata share of Plan administrative expenses. Participants elect to invest their contributions and the Employer's matching contribution in 5% increments to any of a variety of investment options offered by the Plan. Participants may change their investment options daily.

(e) Notes Receivable from Participants

Participants may elect to borrow from their account up to the lesser of 50% of the participant's vested account balance or \$50,000. Interest rates are fixed and are determined for each loan based on the prime rate plus 1%. Principal and interest are paid ratably through periodic payroll deductions. During 2021 and 2020, the interest rates charged ranged from 4.25% to 6.5%.

(f) Forfeitures

Forfeitures of non-vested employer contributions are to be reallocated to participant accounts as additional employer contributions. The balance of forfeited non-vested accounts was \$197,760 and \$199,814 as of December 31, 2021 and 2020, respectively.

(g) Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the employer contribution portion of their accounts is based on years of continuous service. A participant is incrementally vested at 33%, 33%, and 34% over three years of credited service and is 100% vested at the normal retirement age of 65, death, disability or if the Plan is terminated.

(h) Payment of Benefits

Upon retirement, death, or disability, a participant may be paid in a single lump sum payment equal to their account balance, in equal installments over a period not more than assumed life expectancy, in partial withdrawals, or in a joint and 100% survivor annuity. Participants may also withdraw certain amounts from the Plan under in-service withdrawal (if over the age of 59 ½) and under hardship withdrawal while employed with the Sponsor.

(2) Summary of Significant Accounting Policies**(a) Basis of Accounting**

The Plan's financial statements are prepared using the accrual basis of accounting which recognizes additions to net assets when earned and deductions to net assets when incurred. Purchases and sales of investments are recorded on a trade-date basis. Benefits are recorded when paid.

(Continued)

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

(b) Investments

Investments are stated at fair value, except for the benefit-responsive investment contract, which is valued at contract value as discussed below. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are reported at contract value, which is the relevant measurement attribute to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade date basis. Net appreciation includes realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on investments held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(c) Notes Receivable from Participants

Notes receivable from participants are stated at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

(d) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

(3) Administrative Expense

Certain expenses of Plan administration have been paid by the Employer and are not reflected on the accompanying financial statements.

(4) Investments (Unaudited)

The Plan's Sponsor has received certifications from Reliance Trust Company as of and for the years ended December 31, 2021 and 2020, the Plan's Trustee, as to the accuracy, completeness and valuation of investments at year-end, and investment transactions occurring for the years ended December 31, 2021 and 2020.

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Investments, all of which are participant-directed, as of December 31, 2021 and 2020 are as follows:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
T Rowe Price Blue Chip Growth Fund	\$ 9,501,584	10,115,174
T Rowe Price Retirement 2030 Fund	6,818,957	6,169,274
T Rowe Price Retirement 2050 Fund	6,147,289	4,842,709

Total investments at fair value	\$ <u>54,557,300</u>	<u>51,194,566</u>
Investment at contract value – MassMutual Guaranteed Fixed Fund	\$ <u>21,774,211</u>	<u>20,898,004</u>

The MassMutual Guaranteed Fixed Fund is a fully benefit-responsive investment contract with MassMutual. The average yield earned by the fund and credited to participants was 3.00% for 2021 and 3.01% for 2020.

Certain events limit the ability of the Plan to transact at contract value with MassMutual. Such events include temporary absence; change qualifying as a temporary break in service from the Plan; transfer or other change in employment status; cessation of employment resulting from reorganization, merger, layoff or the sale or discontinuance of Plan Sponsor business; partial or complete Plan termination; or, Plan disqualification. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

(5) Fair Value of Investments

The Plan follows the provisions of the Fair Value Measurements and Disclosures Topic of the FASB ASC, which established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

(Continued)

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

(6) *Party-in-Interest Transactions*

Certain Plan investments are shares of mutual funds managed by Empower Retirement, which acquired the retirement business of Massachusetts Mutual Life Insurance Company (MassMutual) on December 31, 2020. Empower Retirement and MassMutual served the Plan as investment manager and record keeper, and therefore, these transactions qualify as party-in-interest. The Plan pays administrative expenses to Great West Life & Annuity Ins. Co., affiliate of Empower Retirement and contract administrator for the Plan, and previously MassMutual, for contract administration services. These expenses amounted to \$38,127 and \$33,799 for the years ended December 31, 2021 and 2020, respectively, and are recorded within administrative expenses.

(7) *Return of Excess Contributions*

At December 31, 2021 and 2020, certain employees had made excess contributions to the Plan. The excess contributions of \$27,168 and \$18,245 for the years ended December 31, 2021 and 2020, respectively, were recorded as a liability and distributed back to the employees during the subsequent period as a corrective distribution in compliance with the nondiscrimination provisions of Internal Revenue Code Section 401(k).

(8) *Federal Income Tax Status*

The Plan was established pursuant to provisions of the Internal Revenue Code (IRC) and ERISA. The Plan is based on a prototype plan developed by MassMutual, which has received a favorable tax determination letter dated March 31, 2014 from the Internal Revenue Service indicating the Plan qualifies under Section 401(a) of the IRC and the trust is exempt from income taxes under Section 501(a) of the IRC. The Plan is subject to routine audits by various taxing jurisdictions. The Plan's open audit periods are 2018 to 2021.

The Plan administrator believes the Plan has operated under the terms of the Plan document and therefore the Plan remains qualified. Therefore, no provision for income taxes has been included in the Plan's financial statements.

(Continued)

PIPER AIRCRAFT, INC. RETIREMENT SAVINGS PLAN

Notes to Financial Statements

(9) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right to discontinue contributions at any time and to terminate the Plan subject to provision set forth in ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

(10) Risks and Uncertainties

The Plan invests in various investment funds that are subject to various risks that determine the value of the fund. Due to the level of risk associated with certain financial instruments and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in market conditions in the near term could materially affect participants' account balances and the value of investments reported in the financial statements.

(11) Reconciliation of the Financial Statements to Form 5500

Contributions are recorded in the financial statements on the accrual basis and in the Form 5500 for amounts that have been received on the cash basis. The difference in the accounting for these differences between the financial statements and the Form 5500 are reconciled in the following tables.

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31, 2021 and 2020:
