INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Imagine Schools, Inc. 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for 2021 Financial Statements

We have performed an audit of the financial statements of Imagine Schools, Inc. 401(k) Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Information Required by ERISA

The supplemental information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Other Matters (continued)

2021 Supplemental Information Required by ERISA (continued)

The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The supplemental information relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Imagine Schools, Inc. 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of Imagine Schools, Inc. 401(k) Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Imagine Schools, Inc. (the "Company"). There is no age requirement and no service requirement. Employees are eligible to enter the plan and receive the employer match immediately. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Contributions

Each year participants may contribute pre-tax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several pooled separate accounts and a guaranteed investment account as investment options for participants. The Company contributes a safe harbor matching contribution of 100% on the first 5% of eligible compensation. The Company has the discretion to make profit sharing contributions to the plan each year. No profit sharing contributions were made in 2021. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

3. Participant accounts

Each participant's account is credited with the participant's contribution and Company safe harbor matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

4. Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit sharing or matching portion of their accounts is based on years of continuous service. A participant is fully vested after three years of credited service.

Imagine Schools, Inc. 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN (continued)

5. Payment of benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a specified period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

6. Forfeitures

When a participant terminates employment with the Company while partially vested, the non-vested portion of their Plan account is forfeited. Forfeitures of employer profit sharing contributions only are to be used to pay administrative expenses or reduce the Company's future contributions under the Plan. The balance of unallocated forfeitures as of December 31, 2021 and 2020 was approximately \$82,000 and \$112,000, respectively. Also, in 2021, forfeited non-vested accounts of \$34,821 were used towards employer contributions.

7. Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the vested balance in the participant's account and bear interest rates commensurate with local prevailing rates as determined by the Plan administrator. The interest rate for current notes is based on the prime rate at the note inception date. Principal and interest is paid ratably through payroll deductions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of accounting

The Plan's financial statements are prepared under the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

Imagine Schools, Inc. 401(k) Retirement Savings Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Investments, valuation, and income recognition

Investments are reported at fair value, except for fully benefit-responsive contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See fair value measurements disclosure.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires management and the Plan administrator to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

4. Payments of benefits

Benefits are recorded when paid.

5. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the participant's account and are included as administrative expenses when incurred. If a participant ceases to make loan repayments and the Plan administrator considers the participant loan to be in default, an allowance is recorded for the balance of the defaulted loan and the loan is recorded as a deemed distribution and a Form 1099 is issued to the participant. The defaulted loan is removed from the Plan assets upon the occurrence of a distributable event.

The following represents notes receivable from participants as of December 31:

	2021	2020

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

6. Administrative expenses

Certain expenses of maintaining the Plan were paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in investment income.

7. Recently issued accounting standards, regulations and new legislation

CARES Act

On March 27, 2020, Congress implemented the Coronavirus, Aid, Relief, and Economic Security (CARES) Act ("CARES"). CARES was created to help the struggling US Economy as a result of the COVID-19 pandemic. CARES allowed certain eligible individuals to receive coronavirus-related relief for loan repayment or to receive a coronavirus-related hardship distribution, suspend required minimum distributions, delayed the commencement date for required minimum distributions and temporarily waived the penalty on early withdrawals. CARES is effective beginning March 27, 2020 and expired December 31, 2020. Written amendments to the Plan to reflect these changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE - UNAUDITED

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified as complete and accurate by United of Omaha Life Insurance Company or Companion Life Insurance Company ("Mutual of Omaha"), the trustee, and was not subjected to any auditing procedures:

- 1) Investments as shown in the Statements of Net Assets Available for Benefits as of December 31, 2021 and 2020.
- 2) Investment income as shown in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021.

NOTES TO FINANCIAL STATEMENTS

NOTE D - RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain plan investments are shares of funds managed by Mutual of Omaha. Mutual of Omaha is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. It is impractical to estimate the total fees paid through this arrangement with the trustee.

In addition to the trustee services provided, the Plan also uses third party administration services provided by Ascensus, Inc. and independent audit services provided by Berman, Hopkins, Wright & LaHam CPAs and Associates. Administrative fees paid directly by the Plan were \$52,637 for the year ended December 31, 2021.

The Plan also pays indirect compensation which is paid daily through deductions to the net asset value, rather than a direct payment. The indirect compensation is paid to Ascensus, Inc. and Matrix Financial Solutions. Matrix Financial Solutions provides investment asset and transaction based services. The total indirect compensation paid for services for the year ended December 31, 2021 was \$92,965.

All of these party-in-interest transactions are exempt from the prohibited transactions under rules of ERISA.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer profit sharing contributions.

NOTE F - INCOME TAX STATUS

The IRS had determined and informed the Company by a letter dated September 21, 2020, that the Plan and related trust are designed in accordance with applicable requirements of the Internal Revenue Code "IRC". Although, the Plan has been amended since receiving the determination letter, the Plan administrator and plan's counsel has determined that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE H - FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts ("PSAs"): Valued based on the underlying investments (i.e. common stock, mutual funds, etc.). While the majority of the underlying assets values are based on quoted prices, the NAV of the pooled separate account is not publicly quoted. This practical expedient is reported by the fund managers as of the financial statement date based on recent transaction prices and adjusted for administrative expenses and other charges and then divided by the number of shares outstanding. As NAV is used as a practical expedient to fair value, the PSAs are not included as a part of the fair value hierarchy table.

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE H - FAIR VALUE MEASUREMENTS (continued)

Fair Value of Investments in Entities that use Net Asset Value

The following table provides additional information about investments which uses NAV as a practical expedient to the fair value of investments as of December 31, 2021 and 2020, respectively.

2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 87,633,636	\$ -	Daily	None
2020	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Pooled separate accounts	\$ 74,842,044	\$ -	Daily	None

NOTE I - INVESTMENTS AT CONTRACT VALUE

The Plan entered into a fully benefit-responsive investment contract with Mutual of Omaha. Mutual of Omaha maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contract is fully benefit-responsive, therefore, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Contract value, as reported to the Plan by Mutual of Omaha, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE I - INVESTMENTS AT CONTRACT VALUE (continued)

Certain events limit the Plan's ability to transact at contract value with Mutual of Omaha. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with plan participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H FORM 5500

1. Classification of notes receivable from participants

The attached financial statements report notes receivables from participants as a receivable to the Plan, while Form 5500 reports these balances as a general investment on Schedule H. This represents a classification difference and the reported amounts per financial statements and Form 5500 agree as of December 31, 2021 and 2020.

2. Basis of accounting

The financial statements are prepared on the accrual basis of accounting while the Form 5500 is prepared on a modified cash basis of accounting. As such, certain receivables and liabilities are recognized in the financial statements in a different period than they are recognized in the Form 5500. Total assets, liabilities and net assets available for benefits of the Plan reconcile fully once these timing differences are taken into consideration.

NOTE K - SUBSEQUENT EVENTS

The Plan administrator has evaluated subsequent events through September 21, 2022, the date the financial statements were available to be issued, and has determined that no material events occurred that would require disclosure in the financial statements.
