## INDEPENDENT AUDITOR'S REPORT

To Management and Plan Administrators  
Three Square 403(b) Plan  
Las Vegas, Nevada

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Three Square 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Three Square 403(b) Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Three Square 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

The logo for HRC (Hudson River Community) is located in the bottom right corner. It consists of the letters "HRC" in a bold, white, sans-serif font, enclosed within a white square border. The background of the logo is dark gray.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Three Square 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Three Square 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Three Square 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **2021 Supplemental Schedules Required by ERISA**

The supplemental schedules of Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Schedule of Assets (Acquired and Disposed of Within Year) during the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Auditor's Report on the 2020 Financial Statements**

The 2020 financial statements of about Three Square 403(b) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution.

Their report dated August 20, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2021**

**NOTE 1. DESCRIPTION OF PLAN**

The following description of the Three Square 403(b) Plan (the “Plan”) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan’s provisions.

**General**

The Plan, sponsored by Three Square (the “Employer”), is a qualified defined contribution plan under Section 403(b) of the Internal Revenue Code the (“IRC”). Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Principal Trust Company and Principal Life Insurance Company (collective “Principal”) are the Plan’s record keeper and the Plan’s third-party administrator.

**Eligibility**

Under the terms of the Plan, employees of the Employer who work 20 hours per week or more and are not members of a collective bargaining unit or non-resident alien are eligible to make elective deferrals to the Plan starting on their hire date. Effective March 1, 2020, the Plan provides for an automatic enrollment feature. Eligible employees are automatically enrolled at a default rate of 4% of eligible compensation to be contributed to the Plan. The automatic elective deferral contribution shall increase by 1% each year up to a maximum of 10% of eligible compensation. Participants of the Plan can affirmatively choose not to participate or choose a different salary deferral percentage. Participants are eligible for employer contributions upon completing three months of service and attaining age 18.

**Contributions**

Participants may defer a portion of their annual compensation, as defined by the Plan, subject to certain limitations. Participants who attain age 50 during the Plan year may elect to make catch-up contributions, subject to certain limitations. Participants may also make rollover contributions representing distributions from other qualified defined benefit or defined contribution plans.

The Plan provides for discretionary matching contributions that are determined by the Employer from year to year. Participants are eligible for the discretionary matching contributions the first day of each month immediately following the date the employee completes the eligibility conditions as defined by the Plan. For 2021, the Employer elected to match elective deferrals 50% of up to 4% of the compensation per pay period.

Contributions are subject to annual Internal Revenue Service (“IRS”) limitations.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Employer contributions and an allocation of the Plan's earnings (losses). The allocation of earnings (losses) is determined by the participant's investment selection based on each participant's account balance, as defined in the Plan document. Participants may direct the investment of their account balances into investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the participant's vested account balance and bear interest at 2% above the Prime Rate. All loans must be repaid within a period of five years, unless used to purchase a primary residence, in which case, the loan must be repaid within a reasonable period of time not to exceed fifteen years. A participant may have no more than one outstanding loan at any time. Principal and interest is paid ratably through payroll deductions.

**Payment of Benefits**

A participant is eligible to receive a distribution from their vested account upon termination of employment, death, disability, or retirement. A participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or rollover their distributions to another qualified plan.

**In-Service Withdrawals**

Active participants who reach age 59-1/2 may withdraw all or part of their vested accounts.

Active participants who experience a qualifying financial hardship may withdraw all or part of their vested account balance. Hardship withdrawals will be approved only if they conform to the Plan and established IRS provisions.

**Administrative Expenses**

Each participant will pay certain Plan expenses based on either the percentage of assets held in their investment accounts or the number of participants in the Plan. Other fees, including loan fees and participant requested services, are paid by the participants.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 1. DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested 100% in their contributions plus actual earnings thereon. Vesting in the employer's contributions is based on years of continuous service at a rate of 20% after two years, increasing 20% each year thereafter and becoming fully vested after six years. A year of service is defined as at least 1,000 hours of service during the Plan year. Participants become fully vested in the event of death, disability, normal retirement age, or Plan termination.

**Forfeitures**

Participants who terminate their employment and are less than 100% vested will forfeit the nonvested portion of their account. Forfeited nonvested accounts may be used for additional discretionary matching contributions or any other permissible method under Plan provisions. The forfeitures available for future use were \$15,782 and \$16,441 at December 31, 2021 and 2020, respectively. Forfeitures used to decrease Employer contributions and pay administrative expenses were \$16,970 and \$3,495, respectively, for the year ended December 31, 2021.

**Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") Provisions**

The Plan has implemented certain requirements by the CARES Act, which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional features within this act were implemented during the year ended December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for the fully benefit-responsive guaranteed investment contract, which is reported at contract value – see Note 6). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Employer Contributions**

The Employer's matching contributions are accrued in the period to which they relate.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from these financial statements. Fees related to the administration distributions of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

**NOTE 3. INFORMATION CERTIFIED BY CUSTODIANS**

The Plan administrator elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to certified information except for comparing such information certified by Principal Trust Company with information included in the Plan's financial statements and supplemental schedules.

Principal Trust Company supplied the Plan administrator with a certification as of December 31, 2021 and 2020, and for the year ended December 31, 2021, that the Plan's investments at fair value and contract value, net appreciation in fair value of investments, interest and dividend income earned on investments, notes receivable from participants, interest income on notes receivable from participants, and information included in the supplemental schedules are complete and accurate.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 4. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 5. FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are deemed to be actively traded.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 5. FAIR VALUE MEASUREMENTS (CONTINUED)**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value required to be categorized as of December 31, 2021. The Plan also invests in a guaranteed investment contract that is valued at contract value. This fund is not categorized within the fair value hierarchy.

**NOTE 6. GUARANTEED INVESTMENT CONTRACTS**

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with Principal, totaling \$142 and \$0, at December 31, 2021 and 2020, respectively. Principal maintains the contributions in a general account. The account is credited with a fixed rate of interest and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than a guaranteed minimum interest rate which is calculated as designated in the contract and ranges from 1% to 3% depending on the maturity of the guarantee. The crediting interest rate is decreased by the rate level service fee, as agreed to in the contract, to obtain the actual earned crediting rates for each Plan participant. The crediting interest rate is reviewed on a semiannual basis for resetting. The guaranteed investment contract does not permit the issuer to terminate the agreement prior to the scheduled maturity date.

**THREE SQUARE 403(b) PLAN**  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
**DECEMBER 31, 2021**

**NOTE 6. GUARANTEED INVESTMENT CONTRACTS (CONTINUED)**

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events as specified in the contract might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents including complete or partial Plan termination or merger with another plan, (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. The Plan administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events may allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

**NOTE 7. PARTY-IN-INTEREST**

The Plan invests in funds managed by Principal. These investments represent allowable party-in-interest transactions (as defined by the Department of Labor Rules and Regulations). The Plan paid administrative expenses of \$24,202 to Principal for the year ended December 31, 2021.

**NOTE 8. TAX STATUS**

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform to the sample language provided by the IRS. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under Section 403(b). The Plan has adopted a prototype document designed by Principal effective March 1, 2020, which has a determination letter dated March 31, 2017. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**NOTE 9. PLAN TERMINATION**

Although it has not expressed any intent to do so, the company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provision of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**NOTE 10. RECONCILIATION TO FORM 5500**
