## **Independent Auditors' Report**

Plan Administrator and Board of Trustees  
Goettsch Partners, Inc. Profit Sharing Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Goettsch Partners, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Goettsch Partners, Inc. Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Goettsch Partners, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Goettsch Partners, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Goettsch Partners, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of Goettsch Partners, Inc. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

### **1. Description of the Plan**

The following brief description of the Goettsch Partners, Inc. Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### **General:**

The Plan is a defined-contribution plan maintained on a calendar year basis. The purpose of the Plan is to enable eligible employees to save for retirement. The Plan is intended to be a qualified retirement plan under the Internal Revenue Code. Any employee of Goettsch Partners, Inc. (the Company) who is a citizen or resident of the United States of America and has attained 21 years of age is eligible to participate. Eligible employees can enter the Plan on the first day of each month following the date eligibility requirements are met.

#### **Contributions:**

Contributions to the Plan may include employee deferral contributions, employer matching contributions and employer discretionary profit-sharing contributions. Employee deferral contributions cannot be more than 60% of the participant's earnings for the year. A participant's eligible earnings consist of the participant's base salary only and exclude the following: bonuses, commissions, overtime pay and taxable value of any restricted stock or qualified and nonqualified stock options in a Plan year. Deferral contributions by a participant cannot exceed the maximum contribution allowed by the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined-benefit or defined-contribution plans. Contributions are limited in accordance with Internal Revenue Service regulations.

Each year the Company makes safe harbor matching contributions to all active and participating employees in an amount equal to 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation. These contributions satisfy certain Internal Revenue Code requirements and eliminate the need for the Plan to perform certain non-discrimination annual tests.

Employer profit-sharing contributions are made at the discretion of the Company and its Board of Directors for each Plan year. Employees must be participating in the Plan and must complete 1,000 hours of service during the Plan year to be eligible to receive the discretionary contributions. There were no profit-sharing contributions made during 2021.

## **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

### **1. Description of the Plan (continued)**

#### **Participant accounts:**

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct their contributions and their share of the Company's contribution among the investment options described in Note 4.

#### **Vesting:**

Participants are always 100% vested in their employee deferral contributions and earnings thereon. Additionally, participants are immediately 100% vested in all Company matching contributions and discretionary contributions.

#### **Loans to participants:**

The Plan allows participants to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Approval of the Plan Administrator is required before any loan transaction is completed and all loans must be for a hardship purpose. The following are considered hardship purposes as defined in the Plan: 1) medical expenses for the participant, the participant's spouse, children or dependents; 2) the purchase of the participant's principal residence; 3) to prevent eviction from or foreclosure on the participant's principal residence; 4) to pay for post-secondary education expenses for the participant, the participant's spouse, children or dependents for the next twelve months; 5) to make payments for burial or funeral expenses for the participant's deceased parent, spouse, child or dependent; 6) to pay expenses for the repair of damage to the participant's principal residence that would qualify for the casualty deduction under Internal Revenue Code regulations.

Participants may only have one outstanding loan at any given time. The participant loan is secured by the balance in the participant's account and bears interest at a rate determined by the Plan Administrator based on prevailing interest rates. Loan repayments of principal and interest are paid ratably through payroll deductions. All loans must be repaid over a five-year period, unless it is for the purchase of a principal residence, in which case the loan repayment period may not extend beyond 10 years. All loans must be repaid immediately upon termination of employment by the participant. Interest rates on outstanding notes receivable ranged from 5.25% to 6.50% as of December 31, 2021 and 2020.

### **1. Description of the Plan (continued)**

#### **Payment of benefits:**

Benefit payments are generally paid in a lump-sum as soon as practicable after employment with the Company has ended due to death, disability, retirement or termination. Participants who terminate employment with account balances greater than \$5,000 may elect to leave their account balances in the Plan. Until such time as the funds are distributed, the participant is entitled to receive a pro-rata share of Plan earnings. Benefits may also be paid directly to an eligible retirement plan as an eligible rollover distribution.

### **2. Summary of significant accounting policies**

Significant accounting policies are described below and have been consistently applied.

#### **Basis of accounting:**

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

#### **Investment valuation and income recognition:**

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds and money market fund are valued at the market value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

#### **Contributions:**

Participants' contributions are recognized by the Plan when withheld from the participants' paychecks by the Company.

### **2. Summary of significant accounting policies (continued)**

#### **Notes receivable from participants:**

The Plan allows participants to borrow against their vested account balances and the loans are secured by the participant's account balance. Participant loans are valued at their unpaid principal balance plus any accrued but unpaid interest. Participant loans are repaid ratably through regular payroll deductions and loan defaults are treated as distributions. The Plan is required to review the collectibility of the outstanding loan balances and record an allowance for loans considered to be uncollectible. As of December 31, 2021 and 2020, no allowance for uncollectible loans was necessary.

#### **Payment of benefits:**

Benefits are recorded when paid.

#### **Administrative expenses:**

All administrative costs, charges and expenses are paid by the participants. Participant accounts are charged a flat quarterly participation fee, as well as a recordkeeping fee, which is based on the asset balance within the participant's account.

#### **Expense offset arrangements:**

Fees incurred by the Plan for the investment management services or recordkeeping are included in net appreciation in fair value of investments, as they are paid through revenue sharing, rather than a direct payment.

#### **Use of estimates:**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets available for benefits during the reporting period. Accordingly, actual results could differ from those estimates.

#### **Subsequent events:**

The Plan Administrator has reviewed and evaluated subsequent events through August 31, 2022, the date the financial statements were available to be issued.

### **3. Risks and uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **4. Information prepared and certified by Fidelity Management Trust Company (the Trustee)**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the following information included in these financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Trustee.

#### **5. Fair value measurements**

There are three levels of inputs used to measure fair value. The definition of each input is described below:

---

|         |                                                                                                                                                             |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|

---

|         |                                                                                                                                                                                                                                                                                                                                                                                           |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 2 | Inputs to the valuation methodology include: <ul style="list-style-type: none"><li>• quoted prices for similar assets or liabilities in active markets;</li><li>• quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> |
|---------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

---

|         |                                                                                                     |
|---------|-----------------------------------------------------------------------------------------------------|
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |
|---------|-----------------------------------------------------------------------------------------------------|

---

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

### **5. Fair value measurements (continued)**

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021.

|                                        |                                                                       |
|----------------------------------------|-----------------------------------------------------------------------|
| Mutual funds and<br>money market fund: | Valued at the market value of shares held by the Plan at<br>year-end. |
|----------------------------------------|-----------------------------------------------------------------------|

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes that the Plan's valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as December 31, 2021 and 2020:

| December 31,                      | 2021                 | 2020                 |
|-----------------------------------|----------------------|----------------------|
|                                   | Level 1              |                      |
| Mutual funds                      | \$ 30,422,049        | \$ 27,523,993        |
| Money market fund                 | 1,128,990            | 1,972,454            |
| <b>Total assets at fair value</b> | <b>\$ 31,551,039</b> | <b>\$ 29,496,447</b> |

### **6. Party-in-interest transactions**

As of December 31, 2021 and 2020, certain Plan investments were shares of mutual funds managed by the Trustee and, therefore, purchases and sales of these investments and fees paid to the Trustee qualify as party-in-interest transactions. Fees paid to the Trustee for recordkeeping services totaled \$250 for the year ended December 31, 2021.

Additionally, fees paid to the Plan's independent auditors qualify as party-in-interest transactions. Total fees paid to the audit firm totaled \$13,000 for the year ended December 31, 2021.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**7. Plan termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. Plan participants are 100% vested in all of their account balances.

**8. Tax status**

The Plan is exempt from federal income tax under Section 401 of the Internal Revenue Code (the Code). The Plan is a prototype plan. The Internal Revenue Service has determined and informed the prototype sponsor by a letter dated June 30, 2020 that the Plan and the related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.
