## **Independent Auditors' Report**

**To the Participants and Plan Administrator of  
SCS Direct, Inc. 401(k) Plan**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of SCS Direct, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplemental Schedules Required by ERISA***

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

**The Participants and Administrator**  
**SCS Direct, Inc. 401(k) Plan**  
Page 4

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Independent Auditors' Report**

### **To the Participants and Administrator SCS Direct, Inc. 401(k) Plan**

We were engaged to audit the accompanying statement of net assets available for benefits of SCS Direct, Inc. 401(k) Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

### ***Management's Responsibility for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### ***Basis for Disclaimer of Opinion***

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

### ***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

***Report on Form and Content in Compliance with DOL Rules and Regulations for 2020  
Financial Statement***

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## **SCS Direct, Inc. 401(k) Plan**

Notes to Financial Statements  
December 31, 2021

### **1. Description of the Plan**

The SCS Direct 401(k) Plan (the “Plan”) commenced on March 1, 2018. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

#### ***General***

The Plan is a defined contribution plan covering all employees of SCS Direct, Inc. (the “Company”) who have reached the age of eighteen and have completed six months of service. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (“ERISA”). Reliance Trust Company (“Reliance”) holds all of the Plan’s investment assets and executes investment transactions. Reliance (“Trustee”) is the trustee for the Plan. ADP Retirement Services (“Recordkeeper”) performs substantially all record-keeping functions for participant accounts.

#### ***Participation***

All eligible employees are automatically enrolled in the Plan with a 1% deferral percentage, unless the employee elects a different percentage, including 0% (opt out) after six months of service. Employees are eligible to participate in employer safe harbor matching contributions on the same time they are eligible for employee deferrals.

#### ***Contributions***

Plan participants are allowed to make a pre-tax and/or Roth 401(k) after-tax contributions up to the maximum allowed by law of their eligible salary (subject to Internal Revenue Code Section 401(k) elective deferral maximums). Participants can contribute from 1% to 90% of eligible salary or a fixed dollar amount. The Company will contribute a safe harbor matching contribution up to 4% of eligible compensation. An employee must have deferrals in order to receive matching contributions. The Company may also make discretionary contributions based on eligible participant compensation as a percentage of total compensation. There were no discretionary employer contributions made or declared for 2021. Participants may also contribute amounts representing distributions from other qualified plans to their account at any time during the Plan year (“rollovers”).

Participants self-direct the investment of both participant and employer contributions into their accounts into various investment options offered by the Plan (there are currently thirty-two investment options). If no investment election is made, contributions will be invested in a qualified default investment alternative comprised of target date funds.

#### ***Vesting***

Participants are immediately vested in all amounts credited to their accounts.

### **1. Description of the Plan *(continued)***

#### ***Notes Receivable from Participants***

Participants may borrow from their accounts varying amounts between a minimum of \$500 and a cumulative maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. A participant may have a maximum of one loan outstanding at any given time. A loan to a participant shall be made solely from the assets of the participant's account. Loan repayments are withheld from payroll and remitted weekly, and the loan repayment period shall not exceed five years, except for loans used to acquire a principal residence for which the loan repayment period shall not exceed thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime rate plus 2%. Loan rates ranged from 5.25% to 7.50% at December 31, 2021.

#### ***Payment of Benefits***

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum distribution or installments over a specified number of years. For termination of service due to other reasons, a participant may receive the value of their account as a lump-sum distribution. At the participant's option, their account balance may remain in the Plan if their vested balance exceeds \$5,000. The Plan allows for involuntary cash out distributions of terminated participants with balances of \$1,000 or less. Account balances that are greater than \$1,000 but less than \$5,000 will be subject to the applicable automatic IRA rollover requirements of Code Section 401(a)(31)(B). At age 70½, there is a required distribution of a portion of the account balance, based on the life expectancy of the participant. Participants who demonstrate that a hardship (as defined under Internal Revenue Service Regulations) exists, may withdraw funds from their accounts.

#### ***Forfeited Accounts***

All contributions credited to participant accounts are fully vested. As a result, there are no forfeitures applicable to the Plan.

### **2. Summary of Significant Accounting Policies**

#### ***Basis of Accounting and Use of Estimates***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### 2. Summary of Significant Accounting Policies (*continued*)

#### ***Fair Value Measurements***

The Plan follows U.S. GAAP guidance on *Fair Value Measurements* which defines fair value and establishes a fair value hierarchy organized into three levels based upon the input assumptions used in pricing assets. Level 1 inputs have the highest reliability and are related to assets with unadjusted quoted prices in active markets. Level 2 inputs relate to assets with other than quoted prices in active markets which may include quoted prices for similar assets or liabilities or other inputs which can be corroborated by observable market data. Level 3 inputs are unobservable and are used to the extent that observable inputs do not exist.

U.S. GAAP guidance provides for the use of net asset value ("NAV") as a "Practical Expedient" for estimating fair value of alternative investments. Pursuant to U.S. GAAP guidance, alternative investments where fair value is measured using NAV are not categorized within the fair value hierarchy.

#### ***Investment Valuation and Income Recognition***

The Plan's investments, consisting of shares of registered investment companies ("mutual funds"), are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of mutual funds are valued at quoted market prices, which represent the NAV of shares owned at year-end and are deemed to be actively traded.

The Plan invests indirectly in a fully benefit-responsive investment contract ("FBRIC") through its participation in the Invesco Stable Value Fund (the "Stable Value Fund"). The Stable Value Fund is a collective trust fund consisting of investments in investment contracts issued by insurance companies and other financial institutions as well as synthetic investment contracts, and is stated at NAV, as defined in Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* ("ASC 820"). The NAV is used as a practical expedient to estimate fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Notes Receivable from Participants***

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

### 2. Summary of Significant Accounting Policies (*continued*)

#### ***Payment of Benefits***

Payments of benefits to participants are recorded when paid.

#### ***Plan Expenses***

The Plan permits the payment of administrative expenses to be made from the Plan's assets and for them to be allocated either proportionately based on the value of the account balances of participants in the Plan. However, substantially all administrative expenses of the Plan are paid by the Company. Expenses relating to specific participant transactions (i.e. loan setup, distribution request, annual account fee, etc.) are charged directly against the appropriate participant's account.

#### ***Subsequent Events Evaluation by Management***

Management has evaluated subsequent events for disclosure and/or recognition in the financial statements through the date that the financial statements were available to be issued, which date is September 23, 2022.

### 3. Information Certified (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, a qualified institution.

\* As discussed in Note 2, investments that are measured using the practical expedient are not classified within the fair value hierarchy.

### 5. Common/Collective Trust

The Stable Value Fund is a common/collective trust operated by Invesco Trust Company ("the Fund Trustee"). The Fund consists of four classes of units that prior to April 20, 2020 were primarily invested in synthetic guaranteed investment contracts. Effective April 20, 2020, the Fund wholly invests in Class C units of Invesco Stable Value Trust.

All investment contracts held by the Fund are entered into directly between the Fund and the issuer of the contract and are nontransferable. Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by retirement plans invested in the Fund. A participating trust invested in the Fund is required to provide 12 months' irrevocable written notice of intent to redeem all or a portion of its participation in the Trust to the Fund Trustee prior to redemption of Fund units.

The investment objectives of the Fund are to seek the preservation of principal and to provide interest income reasonably obtained under prevailing market conditions and rates, consistent with seeking to maintain required liquidity.

Income from investment contracts is recorded at the contract rate, which in the case of synthetic investment contracts is referred to as the credit rating. Credit ratings on synthetic contracts are net of fees to the issuer of the wrap contract and custody fees in underlying assets. For fully benefit-responsive synthetic contracts, earnings on the underlying assets are factored into the next computation of the credit rate re-set.

Notes to Financial Statements

### 6. Tax Status

The Plan sponsor adopted a prototype plan document, which received an Internal Revenue Service ("IRS") opinion letter dated July 8, 2014. The Internal Revenue Service has previously ruled that the Plan meets the requirements of Section 401(a) of the Internal Revenue Code and that the Plan is exempt from Federal income taxes. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for federal income taxes is included in the Plan's financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize tax liability (or derecognize an asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has evaluated the Plan's tax positions and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or derecognition of an asset) or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### 7. Party-in-Interest Transactions

The Plan had notes receivable from participants of \$41,056 and \$46,072 outstanding at December 31, 2021 and 2020. These investments and the interest earned thereon qualify as parties-in-interest transactions, which are exempt from prohibited transaction rules under ERISA.

### 8. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In the event the Plan terminates, participants will be entitled to receive their account balance at the time of termination.

### 9. Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

| Net Increase in net assets available for<br>benefits per Form 5500                | <u>\$ 576,858</u> |

### 10. Risk and Uncertainties

Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The global economic uncertainty associated with the COVID-19 pandemic has resulted in significant volatility in global financial markets. This volatility has affected, and may continue to affect, the value of the Plan's net assets available for benefits. The effects of economic and market conditions subsequent to December 31, 2021 are not reflected in these financial statements and future effects on the Plan's net assets available for benefits cannot be predicted due to uncertainty regarding the duration and scope of the pandemic and other changing market conditions.
