Plan Committee
Rental Concepts, Inc. Profit Sharing Plan and Trust
Cleveland, Ohio

We have audited the financial statements of Rental Concepts, Inc. Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and have issued our report thereon dated August 15, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or Federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated August 15, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Rental Concepts, Inc. Profit Sharing Plan and Trust are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was the fair value disclosure in Note 4. We evaluated the key factors and assumptions used to develop the fair value of investments in determining that is reasonable in relation to the financial statements taken as a whole.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting the financial statements were the disclosures of risks and uncertainties in Note 9.

The financial statement disclosures are neutral consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements (see Addendum A). In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention. We identified the following reportable finding:

During our testing, it was noted that several participants who were terminated during the year and as a result, not fully vested in the 2021 profit sharing contribution received the 2021 profit sharing contribution subsequent to year end with no forfeitures taken out.

A procedure should be instituted that ensures the profit sharing contribution is being properly calculated and remitted to participants.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 15, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Management Letter Comments

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Rental Concepts, Inc. Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Rental Concepts, Inc. Profit Sharing Plan and Trust's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Reliance Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be significant deficiencies.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the reportable finding noted above in the Plan's internal control to be a significant deficiency.

We have also identified other business counseling comments, as follows:

Documentation Contained in Personnel Files

Instances of missing or incomplete participant account information (such as enrollment forms, investment change forms, and loan authorization forms) were experienced during the audit. Maintaining proper documentation regarding participant data can safeguard the Plan and the plan sponsor. Transactions construed as a breach of fiduciary duty could result in penalties against the plan sponsor or be classified as prohibited transactions, or both.

A procedure should be instituted that ensures all documentation is forwarded and filed into participant files. Also, a record retention policy should be drafted covering all paper and electronic files.

Timely (and Consistent) Deposit of Participant Deferral Contributions

The DOL requires that participant deferral contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Organization's general assets, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. Failure to remit participant contributions to the Plan in a timely manner results in a prohibited transaction that must be separately reported to the DOL and may result in penalties to the plan sponsor. While the contributions tested were all remitted by the 15th business day following the end of the month from which they were withheld from the participants' wages, the DOL could require the plan sponsor to remit these funds in a more timely (and consistent) manner.

During a DOL audit of one of our clients, the DOL deemed that the organization could have reasonably remitted contributions to the plan within one business day from the date in which the participants' contributions were deducted from employees' wage. The DOL's position was that the participants' deferral contributions should be made on the earliest date on which such contributions can be segregated from the employer's general assets, and that the 15th business day is an outside limit in the regulations and is not a safe harbor that plan fiduciaries may rely on when remitting amounts deducted from participants' wages.

We recommend that management review the procedures involved in remittance of participants' contributions to the Plan, and implement the necessary policies and procedures to ensure participant contributions are remitted on the earliest date on which they can be reasonably segregated from the plan sponsor's general assets and on a consistent basis each payroll period.

Plan Fiduciary Responsibilities

A fiduciary is defined as any person(s) who exercises discretionary authority or control over the management of Plan assets. Fiduciaries include officers, directors, employees of the plan sponsor, as well as the named trustees of the Plan.

Fiduciary responsibilities under ERISA are the following (not all inclusive):

- Loyalty – the duty to act with complete and undivided loyalty to the beneficiaries.
- Diversify – ensure the plan offers a diversified investment menu to allow the participants to minimize the risk of long-term losses. If the plan is not diversified, the burden of proof falls onto the fiduciary to prove why it was not prudent to diversify.
- Incur only reasonable costs – understand all the costs of the plan and compare these costs to the market for reasonableness.
- Monitor investments – implement an ongoing program for measuring the results of the plan's investments, for consistency of style, performance against their benchmarks, significant changes in investment management, etc.
- Hiring and monitoring of service providers – document the selection and monitoring process, including review of any reports (for example, the Service Organization Control (SOC) Report) the service providers might provide and fees actually charged by the service provider
- Avoid prohibited transactions which include timely and consistent deposits of employee deferral amounts into the plan, adhering to the fee disclosure requirements, etc.

This information is intended solely for the use of the Plan Committee and management of Rental Concepts, Inc. Profit Sharing Plan and Trust and is not intended to be, and should not be, used by anyone other than these specified parties.
