Independent Auditor's Report

Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2021. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 5, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1 – Description of the Plan

The following brief description of Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan which covers all eligible employees of Dennen Steel Corp (the Company). The Plan contains two main components: a 401(k) deferral component and a matching component. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation Requirements

Each employee of the Company is eligible to become a participant in the 401(k) component of the Plan on the first day of the following next month upon completion of 90 days of service for the Company, as defined by the Plan, and attaining age 18. Each employee of the Company is also eligible for matching contributions of the Plan on the first day of the following next month upon completion of 90 days of service for the Company, as defined by the Plan, and attaining age 18.

Contributions

The 401(k) component allows eligible participants to defer part of their compensation through voluntary salary or wage reduction, and the Company may make a matching contribution as determined by the Company's management each year. Eligible employees receive a matching contribution of 50% up to 2% of employee's eligible compensation. Effective July 4, 2021, employees receive a matching contribution of 50% up to 6% of employee's eligible compensation.

Participants direct the investment of the contributions into various investment options offered by the Plan. Currently, the Plan offers various mutual funds as investment options for participants.

Allocations to Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions as well as an allocation of investment earnings or losses and Plan expenses. Allocations to participants' accounts are proportional based on the value of account balances or equally among all participants, as specified in the Plan Agreement.

Vesting

Participant contributions, including rollover contributions, safe harbor match contributions, and all earnings thereon, are fully vested at all times. Employer discretionary match contributions are vested as follows:

Years of Service	Vesting Percent
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan

Notes to Financial Statements

Forfeitures

Forfeitures attributable to discretionary match contributions may be used to offset future Plan expenses or employer match contributions, at the employer's discretion. Forfeiture activity is as follows:

<i>December 31,</i>	2021	2020
Forfeitures – beginning balance	\$ 2,409	\$ 3,594
Investment income	29	246
Forfeitures applied	-	8,177
Fees	(2,417)	(9,608)
Other	(21)	-
Forfeitures – ending balance	\$ -	\$ 2,409

Investment Options

Upon enrollment in the Plan, a participant may direct employee and employer contributions to any investment options offered by the Plan. If the participant fails to elect any investment options, contributions are placed in an investment fund as specified in the plan document.

Payment of Benefits

Participants, or their beneficiaries, may request payment of benefits at any time after their retirement, termination of employment, or death. The Plan allows for total or partial in-service withdrawal prior to retirement if the participant meets certain age or hardship withdrawal requirements. Such withdrawals are subject to approval by the plan administrator.

Although the Plan did not formally adopt Section 2202 of the CARES Act, in accordance with the CARES Act, eligible participants are still able to request a Coronavirus-related distribution (CRD) of up to \$100,000 from their participant account, without being subject to the 10 percent early distribution tax under the IRC. Participants may elect to repay some or all of their CRD within three years.

Participants qualify for CRDs if they meet any of the following:

- You are diagnosed with the virus SARS-CoV-2 or with COVID-19 by a test approved by the Centers for Disease Control and Prevention
- Your spouse or dependent is diagnosed with SARS-CoV-2 or with COVID-19 by a test approved by the Centers for Disease Control and Prevention
- You experience adverse financial consequences as a result of being quarantined, being furloughed or laid off, or having work hours reduced due to SARS-CoV-2 or COVID-19
- You experience adverse financial consequences as a result of being unable to work due to lack of child care due to SARS-CoV-2 or COVID-19
- You experience adverse financial consequences as a result of closing or reducing hours of a business that you own or operate due to SARS-CoV-2 or COVID-19

As permitted by the CARES Act, the Plan may rely on a participant certification that the participant satisfies one or more of the above conditions in determining whether any distribution is a CARES Act distribution. Each participant will self-certify as to his or her eligibility.

Additionally, CARES Act distributions are not eligible rollover distributions and are subject to income tax withholding at 10%, unless the participant elects a different percentage or 0% withholding. Income taxes on CARES Act distributions may be paid ratably over a three-year period. CARES Act distributions are not subject to the 10% early withdrawal penalty.

No CRDs were made during the CARES Act Period.

Notes to Financial Statements

Notes Receivable from Participants

Participants may borrow from their accounts an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Loans will not be made for less than \$1,000. With the exception of notes used to finance the purchase of a principal residence, note terms generally may not exceed five years. A participant may have no more than two loans outstanding at any time. The notes are secured by the vested balance in the participant's account and bear interest at 1% over the Prime Rate as published in the Wall Street Journal. The interest rates range between 4.25% and 6.50% on the notes outstanding as of December 31, 2021 and 2020. Principal and interest are repaid through payroll deductions over the term of the note and are credited to the participant's account.

Although the Plan did not formally adopt Section 2202 of the CARES Act, in accordance with the CARES Act, eligible participants were allowed CARES Act loan deferments. The CARES Act loan deferments allowed impacted participants to freeze their 401(k) loan repayments through the CARES Act Period, with loans being re-amortized, and loan repayments restarting in 2021.

Administrative Expenses

The Company pays all legal and accounting fees, custody, recordkeeping and fund management fees for the Plan. Administrative expenses also include certain participant-directed fees, such as distribution or loan origination fees, charged directly to participant accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared in accordance with the accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risk and Uncertainties

Participants in the Plan invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the financial statements.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. COVID-19 continues to spread throughout the U.S. and the world and compliance with the various containment measures implemented by governmental authorities has impacted the Company's business, as well as the businesses of its customers, suppliers and other counterparties, and this impact could last for an indefinite period of time. There are no comparable recent events that provide guidance as to the effect of the spread of COVID-19 as a global pandemic, and as a result, the Company is unable to predict the full impact that COVID-19 will have on its results from operations, financial condition, liquidity and cash flows due to numerous uncertainties, including the duration and severity of the pandemic and containment measures.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan

Notes to Financial Statements

Notes Receivable – Participant Loans

Participant loans are classified as notes receivable from participants, and are measured at the unpaid principal balance plus unpaid accrued interest. Defaulted loans, if any, are reclassified as distributions based upon the terms of the Plan Agreement. Interest income on participant loans is recognized on the Statement of Changes in Net Assets Available for Benefits as it is earned.

Payment of Benefits

Benefits payments are recorded when disbursed.

Income Taxes

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there currently are no audits in progress for any tax periods. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 3 – Fair Value Measurements

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets and liabilities in inactive markets, and other input that are observable or can be corroborated by observable market data.

Level 3 – Inputs to the valuation methodology are both significant to the fair value measurement and unobservable. Such inputs typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability, including certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Registered investment companies: Valued at quoted market prices in an exchange and active market, which represent the net asset value of shares held by the Plan.

Common collective trust (CCT): Units held in CCT are valued at net asset value (NAV) as reported by the trustee. The CCTs held by the Plan provide for daily redemptions by the Plan at reported NAV with no advance notice requirement. The Plan is permitted to redeem investment units at NAV on the measurement date. The investment strategy for CCTs, which are categorized as balanced/asset allocation funds, is to seek total return consisting of long-term growth of capital and current income, consistent with investment strategy of an investor who expects to retire in a specified year.

The Plan's valuation methods may result in a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although Plan management believes the valuation methods are appropriate and consistent with the market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth the Plan's investments, by level, within the fair value hierarchy. There have been no significant transfers into or out of Levels 1, 2 or 3.

Dennen Steel Corp 401K Profit-Sharing Retirement Savings Plan

Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

Total investments, at fair value	\$ 2,156,114	\$ -	\$ -	\$ 2,314,395

The investments in common collective trusts are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 – Investments and Information Certified by the Plan's Trustee

<i>December 31,</i>	2021	2020
Net investment appreciation	\$ 134,915	\$ 302,825

The Plan's independent auditors did not perform auditing procedures with respect to the information included in this note except to compare such information to the related information included in the financial statements and supplemental schedule.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate or suspend contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant's account will become fully vested.

Note 6 – Income Tax Status

The Plan has received a determination letter from the Internal Revenue Service (IRS) dated May 25, 2018 stating that the Plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving this letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified.

Note 7 – Subsequent Events

In preparing these financial statements, the Company has evaluated events and transactions for potential recognition or disclosure through August 23, 2022, the date the financial statements were available to be issued.
