Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SREE Hotels, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about SREE Hotels, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SREE Hotels, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SREE Hotels, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

**Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on this financial statement.

**Notes to Financial Statements**

December 31, 2021 and 2020

**1. Description of the Plan**

The following description of the SREE Hotels, LLC 401(k) Plan ("Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan sponsored by SREE Hotels, L.L.C. and several companies related by common ownership (the "Company"). Under the terms of the Plan, an employee is eligible for participation in the Plan who has at least six months of service during which the employee worked 500 or more hours as defined by the Plan and is age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

**Contributions**

Participants may make voluntary contributions, of pretax annual compensation, as defined by the Plan. Contributions are subject to certain Internal Revenue Code ("IRC") limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company contributes a Safe Harbor Matching Contribution of 100% of applicable contributions up to 4% of eligible compensation when an employee has at least six months of service during which the employee worked 500 or more hours as defined by the Plan. Additional profit-sharing amounts may be contributed at the option of the Company's board of directors. Terminated participants will not share in the allocation.

Participants may direct the contributions into various pooled separate accounts which are provided as investment options. Participants may change their investment allocations at any time by contacting the trustee directly.

**Vesting**

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company's profit-sharing contribution plus actual earnings thereon is based on years of continuous service. Participants vest in increments such that they are fully vested after six years of service. Participants also become fully vested upon death or total and permanent disability.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and Plan earnings and charged with withdrawals and allocation of Plan losses and investment transaction fees. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the participants' vested account balances in the Plan and bear interest rates of 3.25% to 5.50%, which is commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service by death, disability, or retirement, a participant may elect to receive a lump-sum amount of the vested interest in the account or may elect to rollover the balance directly to a qualified retirement plan. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeitures of participant nonvested account balances will be added to any Company discretionary contributions.

Plan Termination

Although the Company has not expressed any intention to do so, it has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan, subject to the provisions of ERISA. In the event the Plan is terminated, all participants would become 100% vested in their accounts and not subject to forfeiture.

**2. Summary of Significant Accounting Policies**Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures or contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value except for the investment at contract value, which is a fully benefit-responsive investment contract. Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation (depreciation) in the fair value of its investments consists of the realized gains (losses) and the unrealized appreciation (depreciation) on investments

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan expenses including participant loan origination, maintenance fees and certain investment management fees are charged to the participants of the Plan and are deducted from their accounts. The Plan sponsor may elect to pay for expenses of the Plan.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through September 22, 2022, the date the financial statements were available to be issued.

**3. Fair Value Measurements**

FASB Accounting Standards Codification ("ASC") 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs and information other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: Unobservable inputs for the asset or liability. Unobservable inputs should be used to measure the fair value to the extent that observable inputs are not available.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

*Mutual funds:* Valued at the quoted net asset value of shares held by the Plan at year end.

*Common trust funds:* Valued at the net asset value ("NAV") of shares / units held by the Plan at year end based upon quoted prices in public markets for the underlying investments. These investments can be redeemed immediately without notice.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

|                                      | December 31, 2021   |                     |
|--------------------------------------|---------------------|---------------------|
|                                      | Fair Value          | Level 1             |
| Mutual Funds                         | <u>\$ 1,662,965</u> | <u>\$ 1,662,965</u> |
| Total assets in fair value hierarchy | <u>1,662,965</u>    | <u>1,662,965</u>    |
| Common trust funds, at NAV           | <u>6,228,928</u>    |                     |
| Investments at fair value            | <u>\$ 7,891,893</u> |                     |
|                                      |                     |                     |
|                                      | December 31, 2020   |                     |
|                                      | Fair Value          | Level 1             |
| Mutual Funds                         | <u>\$ 1,257,957</u> | <u>\$ 1,257,957</u> |
| Total assets in fair value hierarchy | <u>1,257,957</u>    | <u>1,257,957</u>    |
| Common trust funds, at NAV           | <u>5,842,365</u>    |                     |
| Investments at fair value            | <u>\$ 7,100,322</u> |                     |

Investments that were measured at net asset value per share or unit have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the investments at fair value in the statements of net assets available for benefits.

#### 4. Information Certified by Trustee

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedules which was certified by Great-West Trust Company, the trustee, as of December 31, 2021 and 2020 and for the year ended December 31, 2021, as complete and accurate, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- Investments at fair value
- Investment income
- Notes receivable from participants
- Interest income on notes receivable from participants

#### 5. Related Party Transactions

Fees paid by the plan for the investment management services are included in net appreciation in fair value of investments. Fees paid by the Plan for administrative services are included in administrative expenses.

**6. Tax Status**

The IRS has determined and informed the Sponsor by a letter dated March 31, 2014 that the prototype plan document was designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. The Plan is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. The Plan has evaluated each of its tax positions and has determined that no additional provision or liability for income taxes is necessary.
