INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Metro Mayagüez, Inc. DBA Hospital Perea Cash or
Deferred Arrangement Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Metro Mayagüez, Inc. DBA Hospital Perea Cash or Deferred Arrangement Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements (the 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements – (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

Other Matter – 2021 Supplemental Schedule Required by ERISA – (continued)

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DBA Hospital Perea Cash or Deferred Arrangement Profit Sharing Plan

Notes to Financial Statements

December 31, 2021 and 2020

Note 1 - Description of the plan

The following description of the Metro Mayagüez, Inc. DBA Hospital Perea Cash or Deferred Arrangement Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, organized on September 1, 2006, covering substantially all full-time employees of Metro Mayagüez, Inc. DBA Hospital Perea (the Plan Sponsor) who have 90 days of service and are 21 years or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute an amount of their compensation, as then defined, not exceeding the maximum deferral amount specified by local law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to the conditions and limitations set forth in the Plan agreement. The Plan's Sponsor contributes 25% of the first 6% of the base compensation that a participant contributes to the Plan.

Participant accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of: (a) the Plan Sponsor's contribution and, (b) Plan earnings. Allocations are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Plan Sponsor's matching portion of their accounts, plus actual earnings thereon is based on years of continuous service since the inception of the Plan.

DBA Hospital Perea Cash or Deferred Arrangement Profit Sharing Plan

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

Note 1 - Description of the plan – (continued)

Vesting – (continued)

A participant is fully vested after five (5) years of credited service, as follows:

<u>Completed Years of Service</u>	<u>Vested Percentage</u>
Less than 2 full years	0%
2 years less than 3	40%
3 years less than 4	60%
4 years less than 5	80%
5 years or more	100%

Investment options

Participants direct the investment of their account balances into various investment options offered by the Plan. The Plan currently offers mutual funds and a money market account as investment options for its participants.

Notes receivable from participants

Notes receivable from participants are not permitted.

Payment of benefits

Upon termination of service due to death, disability or retirement, a participant or the participant's beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited accounts

Upon participant's termination from employment or withdrawal from the Plan for any reason other than death, retirement or disability, the Plan Sponsor contributions on behalf of the participants not then vested are forfeited. Forfeitures shall be used to pay for Plan expenses or to reduce the Plan Sponsor contributions. At December 31, 2021 and 2020, the forfeitures account balance amounted to \$38,992 and \$34,957, respectively.

Notes to Financial Statements (Continued)

December 31, 2021 and 2020

Note 1 - Description of the plan – (continued)

Administration expenses

Administrative expenses are paid by the Plan Sponsor.

Plan termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become one-hundred percent (100%) vested in their accounts.

Note 2 - Summary of significant accounting policies

Basis of accounting and presentation

The financial statements of the Plan are prepared under the accrual method of accounting and in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments valuation and income recognition

The Plan's investments are reported at fair value. Fair valued is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2021, the Plan's investments appreciated in value by \$447,538.

Payment of benefits

Benefits are recorded when paid.

Note 2 - Summary of significant accounting policies – (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Benefits payable

The Plan accounts for benefits payable in accordance with the guidance provided by the American Institute of Certified Public Accountants (AICPA), *Audit and Accounting Guide, Audits of Employee Benefit Plans*. This guidance requires that benefits payable to persons who have withdrawn from participation in a defined contribution plan be disclosed in the notes to the financial statements rather than recorded as a liability of the Plan. As of December 31, 2020, benefits payable to participants amounted to \$40,510. There were no benefits payable as of December 31, 2021.

Note 3 - Information certified by the Plan's Trustee (unaudited)

The plan administrator has elected the method of compliance permitted by Section 103(a)(3)(C) (for 2021) and 29 CFR 2520.103-8 (for 2020) of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee of the Plan, Banco Popular de Puerto Rico (the Trustee), has certified as to the completeness and accuracy of all investment related information reflected in the accompanying financial statements of as December 31, 2021 and 2020, and for the year ended December 31, 2020, and the related notes to the financial statements, and the schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021. The Trustee maintains all records, executes investment transactions, and holds all the assets of the Plan.

Note 4 - Fair value measurements

In accordance with the provisions of Financial Accounting Standards Board, Accounting Standards Codification (ASC) No. 820, *Fair Value Measurements*, the Plan uses valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible to estimate fair values. The Plan determines fair values based on assumptions that market participants would have used in pricing an asset or liability in the principal or most advantageous market.

ASC 820 provides a fair value hierarchy that prioritizes the use of observable inputs in the valuation techniques used to measure fair value, as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used by the Plan for investments measured at fair value at December 31, 2021 and 2020:

Mutual funds – Investments in mutual funds consist of shares of mutual funds that are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan consist of open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and were categorized as Level 1.

Money market - Money market accounts are valued at cost, plus accrued interest, which approximates fair value. These investments are classified as Level 1.

Note 4 - Fair value measurements – (continued)

The preceding methods described may have resulted in fair values that may have not been indicative of net realizable values. The use of different methodologies or assumptions to determine the fair value of certain financial instruments could have resulted in different fair value measurements at the reporting date. The Plan management believes its valuation methods are appropriate and consistent with other market participants. There have been no changes in the methodologies used at December 31, 2021.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets recorded at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 2,390,374	\$ -	\$ -	\$ 2,390,374
Mutual funds	3,616,172	-	-	3,616,172
Total	<u>\$ 6,006,546</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,006,546</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 2,416,318	\$ -	\$ -	\$ 2,416,318
Mutual funds	2,989,152	-	-	2,989,152
Total	<u>\$ 5,405,470</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 5,405,470</u>

Note 5 - Party-in interest transactions

Certain Plan investments are managed by the Trustee, therefore, these transactions qualify as party-in-interest transactions.

Note 6 - Non-discrimination test

The Plan Sponsor is part of a Controlled Group as defined by the Internal Revenue Code of Puerto Rico (the Code). As such, the discrimination test was performed taking into consideration all members of the Controlled Group. This test requires compliance with a determined percentage of contributions to the Plan, as established in the Code.

Note 6 - Non-discrimination test – (continued)

For the years ended December 31, 2021 and 2020, the Controlled Group failed the discrimination test. The Controlled Group elected to correct such non-compliance by reimbursing highly compensated participants the excess contributions made during the years ended December 31, 2021 and 2020 amounting to \$117,475 and \$110,545, respectively.

Only those members of the Controlled Group identified to reimburse the excess contributions will record their corresponding portion as a liability in their statements of net assets available for benefits, including related earnings thereon. The Plan had no reimbursable amounts for the years ended December 31, 2021 and 2020.

Note 7 - Tax status

The Plan constitutes a qualified plan, exempt from income taxes under the provisions of the Code. The Plan obtained a favorable determination letter on April 19, 2016, in which the Commonwealth of Puerto Rico tax authorities stated that the Plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving its determination letter, however, the Plan administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be tax-exempt.

Note 8 - Subsequent events

The Plan has evaluated subsequent events through August 29, 2022, which is the date the financial statements were available to be issued. No events have occurred subsequent to the statements of net assets available for benefits date and to the date the financial statements were available to be issued, that would require additional adjustments to, or disclosure in, the financial statements.
