INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Baskervill & Son, P.C. Plan for Employee Retirement
Richmond, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Baskervill & Son, P.C. Plan for Employee Retirement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements, Continued

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

2021 Supplemental Schedules Required by ERISA, Continue

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including the form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agree to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Baskervill & Son, P.C. Plan for Employee Retirement. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PLAN FOR EMPLOYEE RETIREMENT

Notes to Financial Statements

1. Description of Plan:

The following description of the Baskervill & Son, P.C. Plan for Employee Retirement (the “Plan”) provides only general information. Participants should refer to the Plan agreement or summary plan description for a more complete description of the Plan’s provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Baskervill & Son, P.C. (the “Company”). Employees are eligible for entry to the Plan on the first day of the next month once meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions: The Plan provides for participant contributions of pre- and post-tax annual compensation, as defined in the Plan. The Company may contribute additional amounts at the option of the Board of Directors. Participants of qualifying age may make additional “catch-up” contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain limitations. If automatically enrolled, a participant’s deferral is set at 6% of eligible compensation until changed by the participant. Due to conditions related to COVID-19, management made the decision to freeze employer matching contributions for the period from April 1, 2020 through December 31, 2020. Effective January 1, 2021, the Company reinstated an employer matching contribution equal to 25% of a maximum of 6% of participant compensation.

Participant Accounts: Each participant’s account is credited with the participant’s contributions and allocations of (a) the Company’s contributions and (b) Plan earnings or losses, and charged with an allocation of fund management fees. Allocations are based on participant compensation or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Options: Participants may direct Principal Life Insurance Company and Principal Trust Company, the custodians, as to the investment of their account balances in accordance with guidelines established by the Plan. Participants may change their investment elections at any time subject to the individual fund values.

Vesting: Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company’s contributions is based on years of continuous service. Participants are fully vested in Company contributions after attaining five years of credited service.

PLAN FOR EMPLOYEE RETIREMENT

Notes to Financial Statements, Continued

1. Description of Plan, Continued:

Notes Receivable from Participants: Participants may borrow from their Plan accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms cannot exceed five years except in the case of primary residence mortgage loans which cannot exceed 10 years. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the plan administrator. Delinquent participant loans, deemed to be in default by the plan administrator, are reclassified as distributions based on the terms of the Plan document.

Principal and interest are paid ratably through payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Management has evaluated notes receivable from participants for collectability and has determined that no allowance is considered necessary.

Plan Administration: Overall responsibility for administering the Plan rests with the Company. Participant accounts are administered by Principal Life Insurance Company and Principal Trust Company, the custodians and the third-party administrators of the Plan. Three Company employees serve as the trustees and are not compensated by the Plan for these services.

Payment of Benefits: Distribution of the vested portion of a participant's account will occur upon the participant's termination of service, retirement, death, disability, or hardship withdrawal, as defined in the Plan. A participant is entitled to receive a lump-sum payment in an amount equal to the vested value of his or her account or one of various annuity arrangements.

Forfeitures: Forfeited balances of terminated participants' non-vested accounts are used to reduce future Company contributions. Forfeitures were \$14,970 for 2021 and \$12,189 for 2020. The forfeited balances available at December 31, 2021 and 2020 were \$823 and \$14,547, respectively. Forfeitures applied to reduce Company contributions were \$30,434 for 2021 and \$1,264 for 2020. Forfeitures applied to reduce Plan expenses were \$0 for 2021 and \$193 for 2020.

PLAN FOR EMPLOYEE RETIREMENT

Notes to Financial Statements, Continued

2. Summary of Significant Accounting Policies:

Basis of Accounting: The financial statements of the Plan are prepared on the accrual method of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value includes the plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Subsequent Events: Management has evaluated subsequent events through September 23, 2022 the date the financial statements were available to be issued, and has determined there are no subsequent events to be reported in the accompanying financial statements.

Notes to Financial Statements, Continued

3. Fair Value Measurements:

The FASB has issued guidance for measurement and disclosure of fair value and establishes a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Quoted prices for similar instruments in active and inactive markets; and model driven valuations with significant inputs and drivers derived from observable active markets.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for investments carried or disclosed at fair value:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust: A fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the funds less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Pooled Separate Accounts: Unit value calculated based on the net assets or observable net asset value ("NAV") of the underlying pool of securities or investments.

Individual Life Insurance: Valued at cash surrender value of policy at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

3. Fair Value Measurements, Continued:

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value of the Plan's year end date:

Investments at Fair Value as of December 31, 2021			
	Level 1	Level 3	Total
Assets:			
Mutual funds	\$ 10,970,332	\$ -	\$ 10,970,332
Investments measured at net asset value*	-	-	12,499,244
Total investments at fair value	<u>\$ 10,970,332</u>	<u>\$ -</u>	<u>\$ 23,469,576</u>

Investments at Fair Value as of December 31, 2020			
	Level 1	Level 3	Total
Assets:			
Mutual funds	\$ 6,355,546	\$ -	\$ 6,355,546
Individual life insurance	-	609	609
Total assets in the fair value heirarchy	6,355,546	609	6,356,155
Investments measured at net asset value*	-	-	13,533,275
Total investments at fair value	<u>\$ 6,355,546</u>	<u>\$ 609</u>	<u>\$ 19,889,430</u>

*Certain investments that were measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Management has not disclosed required quantitative information about the unobservable inputs and sensitivity analysis of the Plan's Level 3 investments because such information was not readily available. Management has determined that such information is not material to the Plan's financial statements.

During 2021 and 2020, the Plan sold \$609 and \$726, respectively, of Level 3 investments. There were no purchases of Level 3 investments during 2021 and 2020.

3. Fair Value Measurements, Continued:

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2021 and 2020, respectively:

Investment	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2021:				
Pooled separate accounts	\$ 11,582,522	N/A	N/A	30 days
Stable value funds	\$ 916,722	N/A	N/A	30 days
December 31, 2020:				
Pooled separate accounts	\$ 13,533,275	N/A	N/A	30 days

4. Investment Contracts with Insurance Company:

The Plan has interest contracts with Principal Life Insurance Company. The custodian maintains the contributions in fixed income accounts, and the accounts are credited with actual earnings on the underlying investments and charged for participant withdrawals and fund management fees. The contracts are included in the financial statements at contract value, as reported to the Plan by Principal Life Insurance Company. Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There were no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rate was approximately 0.88% for 2021 and 1.09% for 2020.

5. Administrative Expenses:

Although not required by the Plan, all of the costs of the plan administration are paid out of the assets of the Plan provided that such payments are consistent with ERISA.

6. Risks and Uncertainties:

The Plan provides for various investments in pooled separate accounts, guaranteed interest contracts, individual life insurance, and mutual funds. Investments are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the financial statements.

7. Tax Status:

The Internal Revenue Service has determined and informed the Company by letter dated June 30, 2020 that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter; however, the plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Management has evaluated the effects of accounting guidance related to uncertain income tax positions and concluded that the Plan had no significant financial statement exposure to uncertain income tax positions at December 31, 2021 and 2020. The Plan is not currently under audit by any tax jurisdiction.

8. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

9. Related-Party Transactions:

The Plan invests in a number of Principal Life Insurance and Principal Trust Company's pooled separate accounts and guaranteed interest contracts. These are related-party transactions and are identified as parties-in-interest in the accompanying schedule of assets held at end of year. The Plan paid administrative fees to the custodian totaling \$4,876 during 2021 and \$900 during 2020.

10. Financial Information Certified by Qualified Institutions:

Principal Life Insurance Company and Principal Trust Company, the custodians of the Plan, have certified that the following information is complete and accurate:

- Investments, at fair value
- Investments, at contract value
- Investment income
- Schedule of assets (held at end of year)
- Notes receivable from participants
- Interest income on notes receivable from participants

11. Prohibited Transactions:

During the plan year ended December 31, 2021 and December 31, 2020, the Company failed to remit contributions to the Plan timely, amounting to \$115 and \$4,220, respectively. The Company reported these transactions to the IRS and made appropriate corrective contributions to participants for lost earnings related to these events. The Company determined that additional amounts due to the Plan for lost earnings on investments were not significant enough to record as a receivable to the plan as of December 31, 2021 and December 31, 2020.
