INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
All Star Automotive Group 401K Retirement Savings Plan
Baton Rouge, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **ALL STAR AUTOMOTIVE GROUP 401K RETIREMENT SAVINGS PLAN** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the certified investment information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Generally Accepted Accounting Principles (GAAP), and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with Generally Accepted Auditing Standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule of Schedule of Assets Held for Investment as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 30, 2021, indicated that: a. because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and b. the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the All Star Automotive Group 401K Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan, adopted effective January 1, 1994, amended and restated November 2, 2015, is a defined contribution plan covering all full time employees of All Star Chevrolet, Inc., All Star Motors of Denham Springs, Inc., All Star Ford Lincoln Mercury, Inc., All Star Ford of Denham Springs, Inc., All Star Nissan, LLC, All Star Motors of Baton Rouge, LLC, All Star Chevrolet North, LLC, All Star Automotive Imports, LLC, and All Star Automotive Imports II, LLC, (collectively referred to as the Company) who have at least one year of service and are twenty-one years of age or older. Eligible employees may enter the Plan on the first day of the quarter subsequent to completion of the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The sponsoring companies are related by common ownership.

Contributions

Each year, employees may elect to contribute a portion of their eligible compensation, as defined in the Plan, subject to maximum amounts and percentages as prescribed in the Internal Revenue Code (the Code). Employees may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees that have made contributions to the Plan are considered participants of the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan, which are described in Note 4.

Matching contributions are made at a uniform fixed rate. The Company matches the participant's elective contributions at the rate of 25% of the first 4% of compensation deferred by each participant. Additional amounts may be contributed at the Company's discretion; however, there were no discretionary contributions during 2021. Matching contributions are limited to the maximum amount deductible under the applicable provisions of the Code.

Contributions received from participants for 2021 are net of excess contributions of \$2,629. When applicable, these amounts are refunded after the end of the respective years to certain active participants to satisfy the nondiscrimination provisions of the Plan and the Code and are reported in the Plan's statement of net assets available for benefits as excess contributions payable.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant accounts

Each participant's account is credited with the participant's elective deferral and rollover contributions, allocations of the Company's contributions, Plan earnings, and charged with an allocation of administrative expenses. The allocations are based on the performance of the fund in which the participant chooses to invest their money. The benefit to which a participant is entitled is based on the participant's vested account balance.

Notes receivable from participants (participant loans)

Participants may borrow from the vested portions of their account subject to a minimum of \$2,500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan administrator. Participant loans bear interest at the Wall Street Prime Rate plus 1%, which equaled 4.25% and 6.50% at December 31, 2021 and 2020, respectively. Principal and interest are paid ratably through payroll deductions.

Vesting

Participants are immediately vested in their contributions as well as actual earnings thereon. Vesting in the Company's matching contribution portion of their account plus actual earnings thereon is based on years of continuous service according to the schedule that follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. In-service withdrawals are permitted for participants who have attained 59½ years of age and are 100 percent vested or prove hardship under specific circumstances.

Forfeitures

When the vested portion of the account of a participant that has separated from service prior to full vesting is distributed, the non-vested portion of the account is forfeited. These forfeitures are typically used to reduce Company matching contributions. During 2021, forfeited amounts of \$22,489, were used to reduce the Company's matching contribution.

Plan expenses

During 2021, Plan expenses relating to administrative and investment services, distribution fees, and loan fees of \$86,905, were deducted from participant accounts.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Hardship withdrawals

Participants may withdraw all or a portion of their account related to their elective contributions in the event of hardship as defined in the Plan agreement. Company matching contributions are not allowed to be withdrawn in the event of hardship.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States (U.S. GAAP). All assets of the Plan are held by JPMorgan Chase Bank, N.A. (JPM) and are participant directed.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's investments are presented in the Statements of Net Assets Available for Benefits in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), *Fair Value Measurements* (ASC 820), which establishes a framework for measuring fair value by providing a hierarchy of three levels that prioritizes the sourcing of pricing information (inputs) to valuation techniques used to measure fair value. The three levels of inputs are described as follows:

Level 1 – Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs that are unobservable and significant to the fair value measurement.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment valuation and income recognition (continued)

Purchases and sales of securities are recorded on a trade-date basis.

Interest income is recorded on the accrual basis, and dividends are recorded on the ex-dividend date. Net appreciation in the fair value of the Plan's investments includes the realized gains and losses and the unrealized appreciation and depreciation on those investments bought and sold as well as held during the year, net of investment management fees.

Notes receivable from participants

Participant loans are classified as notes receivable from participants and measured at their unpaid principal balance, plus any accrued but unpaid interest. Notes receivable from participants as of December 31, 2021 and 2020 were \$293,086 and \$254,755, respectively.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through September 19, 2022, which was the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

As permitted by 29 CFR 2520.103-8 of Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator has elected that information certified by JP Morgan not be subjected to any auditing procedures except for comparing such information to the information contained in the accompanying financial statements and supplemental schedule.

Accordingly, JP Morgan has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate as of December 31 2021 and 2020, and for the year ended December 31, 2021:

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 14,239,945	\$ 13,325,827
Collective investment trusts	801,209	-
Money market funds	-	448,756
Net appreciation in fair value of investments	781,711	
Dividend Income	793,279	

NOTE 4 - FAIR VALUE MEASUREMENT

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Common trust – Valued at NAV of units held by the Plan after adjustment to reflect the fair values of the collective trust's underlying investments, including direct and indirect interests in fully benefit-responsive contracts, based on information reported by the investments advisor using the audited financial statements of the collective trust at year end. The NAV is used as a practical expedient to estimate fair value. As of December 31, 2021 and 2020, there were no unfunded commitments.

Mutual and Money market funds – Valued at the daily closing price as reported by the fund. Mutual and Money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

As of December 31, 2021 and 2020, the fair value hierarchy of the Plan's investments was as follows:

	December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,239,945	\$ -	\$ -	\$ 14,239,945
Total investments at fair value	\$ 14,239,945	\$ -	\$ -	14,239,945
Collective investment trusts *				801,209
Investments at December 31, 2021				\$ 15,041,154

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,325,827	\$ -	\$ -	\$ 13,325,827
Money market funds	448,756	-	-	448,756
Total investments at fair value	\$ 13,774,583	\$ -	\$ -	\$ 13,774,583

There was no change in fair value of the Plan's level 3 investments for 2021.

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENT (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, each participant will become fully vested in their account.

NOTE 6 - RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS

The Sponsor pays certain administrative expenses incurred by the Plan, including the costs to audit the Plan.

Plan investments include shares of mutual funds and common collective trusts fund managed by the trustee and, therefore, these transactions qualify as party-in-interest transactions.

The Plan issues notes to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

NOTE 7 - TAX STATUS

The Plan is a qualified cash or deferred arrangement established under Section 401(k) of the Code and is exempt from income taxes under Section 401(a) of the Code. The Plan executed an adoption agreement with Hartford Retirement Services, LLC, which was later acquired by JP Morgan Chase Bank N.A., Prototype Non-standardized 401(k) Profit Sharing Plan and Trust, and relies on the determination letter issued from the Internal Revenue Service dated March 31, 2014 for the plan prototype.

The Plan follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*. Management has determined that there was no impact on the financial statements as a result of ASC 740-10. The Plan's open audit periods are 2018 through 2021.

NOTE 8 - RISKS AND UNCERTANTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
