Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Independent Auditors' Report

To the Plan Administrator and Trustees of the
Tarbell Management Group, LLC, Employee Savings Plan and Trust
Hogansburg, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Tarbell Management Group, LLC, Employee Savings Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statement or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Tarbell Management Group, LLC, Employee Savings Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an

auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) of the Tarbell Management Group, LLC, Employee Savings Plan and Trust for the year ended December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditors' Report

To the Plan Administrator and Trustees of the
Tarbell Management Group, LLC Employee Savings Plan and Trust
Hogansburg, New York

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Tarbell Management Group, LLC Employee Savings Plan and Trust (the "Plan"), which comprise the comparative statements of net assets available for benefits as of December 31, 2020, and the related comparative statements of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Financial Life Insurance Company, the custodian of the Plan, except for comparing

such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2020, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplementary Schedule H, Line 4i - Schedule of Assets (Held At End of Year) as of December 31, 2020 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Tarbell Management Group, LLC Employee Savings Plan and Trust

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Tarbell Management Group, LLC Employee Savings Plan and Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering all employees of Tarbell Management Group, LLC (the “Company”) over the age of 21, who have completed 1,000 hours of service. Participants may join the Plan on a quarterly basis upon satisfaction of age and service requirements. The Plan was established effective January 1, 2017 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan continues to be for the exclusive benefit of the employees of the Company, and covers the employees of the eight related companies – Heart to Heart LLC, Mohawk Distributions LLC, NECO Petroleum LLC, TL Hospitality LLC, TLA Hospitality LLC, TL Lodging LLC, TLA PJ Hospitality LLC, and Ohserase Manufacturing LLC.

The Plan was amended and restated effective April 2020 to a safe harbor plan. The Plan was further amended effective April 2021 to include employees of Bears Den LLC effective December 31, 2021.

Contributions – Each year, participants may elect to contribute to the Plan amounts equal to a percentage not to exceed 96% of the participant’s pre-tax annual compensation, limited to the amount imposed by law, and are eligible to participate in the Plan for making pre-tax contributions and receiving employer matching contributions after completing one year of service. Additionally, participants age 50 or older may elect to make a catch-up contribution limited to the amount imposed by law. The Plan also allows for Roth deferrals.

The Company provides a safe harbor match of 100% of participants’ savings contributions up to 3% of the participants’ eligible compensation and 50% of contributions up to the next 2% of compensation. The participant’s contribution and Company match are invested according to each participant’s investment directions.

Participants may also contribute amounts representing distributions from other qualified plans.

Additional matching profit sharing contributions may also be made at the discretion of the Company’s Board of Directors. No such additional matching contributions were made during the years ended December 31, 2021 and 2020.

Tarbell Management Group, LLC
Employee Savings Plan and Trust
Notes to Financial Statements (Continued)

1. Description of the Plan (continued)

Forfeitures – Forfeitures resulting from non-vested matching contributions and discretionary contributions are used to reduce administrative expenses of the Plan and reduce future Company matching contributions. Forfeited non-vested benefits amounted to \$8,947 and \$8,833 at December 31, 2021 and 2020, respectively. Forfeitures amounting to \$11 and \$12 were used to pay plan expenses owing for the years ended December 31, 2021 and 2020, respectively.

Participant Accounts – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Company safe harbor matching contributions, and an allocation of (a) Plan earnings charged with an allocation of administration expenses, and (b) the Company's additional discretionary contribution. Participants direct their investment of their contributions into various investment options offered by the Plan. Participant accounts are decreased by participant distributions and the participant's share of Plan expenses and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their salary deferral, rollover contribution accounts and earnings thereon. Vesting in the Company's discretionary matching contributions plus actual earnings thereon is based on a graded, five-year schedule of vesting service.

Payments of Benefits and Withdrawals – Plan assets allocated to a participant's account may be distributed upon termination of employment, after reaching age 65, or upon death. Participants may withdraw funds from their rollover account at any time. Participants may receive their accumulated vested benefits held by the Plan's custodian upon termination of employment or elect to keep their vested balance in the Plan until the earlier of normal retirement age, death, or disability if their account balance is in excess of \$5,000. Participants may elect to receive payments either in a lump sum or installments. Hardship withdrawals as defined by the Internal Revenue Code (the "Code") are available to participants only from money sources that the participant is 100% vested.

Participant Loans – Participants may make loans greater than \$1,000 from the Plan, limited to one loan up to 50% of their vested account balance, not to exceed \$50,000.

Notes to Financial Statements (Continued)

1. Description of the Plan (continued)

Income Taxes – The Plan Sponsor obtained a letter in which the Internal Revenue Service stated that the prototype plan sponsor, Yanulis & Associates dba PKY Associates (Massachusetts Mutual Life Assurance), is qualified under Section 401(a) of the Code. The Plan was amended in July 2019. The Plan was amended and restated effective April 2020 to a volume submitter profit sharing plan with CODA, sponsored by P&A Retirement Plan Services. The plan was further amended and restated effective April 2021 as a non-standard defined contribution pre-approved plan sponsored by FIS Business Systems, LLC. The Plan Sponsor obtained a letter from the Internal Revenue Service dated December 31, 2018 that the Plan is acceptable under Section 401 for use. The Plan Administrator contends the Plan, as amended, is operating in compliance with the requirements of the Code; accordingly, no provision for income taxes have been provided.

Plan Termination – Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements of the Plan are prepared on the accrual basis of accounting.

Valuation of Investments – The Plan's investments are valued at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

There are no reserves against investment values for credit risk.

Administrative Expenses – Certain administrative expenses necessary to administer the Plan are paid for by the Company. Expenses relating to participant distributions are charged directly to the participants' account and are included in administrative expenses.

Risks and Uncertainties – Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

2. Summary of Significant Accounting Policies (continued)

Payments of Benefits – Benefits are recorded when paid.

Party-In-Interest Transactions – The Plan’s investments are managed by Transamerica Financial Life Insurance Company, which also serves as the asset custodian of the plan. Accordingly, transactions involving these investments qualify as party-in-interest transactions.

Use of Estimates – The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

Subsequent Events – The Plan has evaluated subsequent events, for recognition or disclosure, through September 21, 2022, the date the accompanying financial statements were available to be issued.

3. Information Certified by the Custodian (Unaudited)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate.

	2021	2020
Investments, at fair value	\$ 2,695,733	\$ 2,168,815
Investments, at contract value	564,894	463,886

The custodian has also certified the following for the year ending December 31, 2021 and 2020:

	2021	2020
Net appreciation (depreciation) in current value of investments	\$ 349,701	\$ 346,417

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investment assets measured at fair value as of December 31, 2021 and 2020. In accordance with generally accepted accounting principles, certain investments that are measured at fair value using the net asset value ("NAV") per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy.

Investments Measured at NAV—The Plan's pooled separate accounts ("PSA") invest in a variety of investments, depending on the investment strategy. The PSAs are valued at NAV as determined by Transamerica Financial Life Insurance Company, based on the quoted market value of the underlying investments. Such investments can be redeemed daily as its NAV. The total value of the PSAs as of December 31, 2021 and 2020 were \$2,695,732 and \$2,168,813, respectively.

5. Stable Value Fund Investment Contract

The Plan entered into a fully benefit-responsive investment contract with Transamerica Group Annuity Contract (Transamerica) totaling \$564,894 and \$463,887, as of December 31, 2021 and 2020, respectively. Transamerica maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer. There are no stated minimum or maximum interest rates. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

5. Stable Value Fund Investment Contract (continued)

The guaranteed investment contract meets the fully benefit-responsive investment contract criteria, and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by the participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The redemption notice period is daily, the redemption frequency is daily and there are no unfunded commitments.

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.
