Independent Auditor's Report

To the Plan Sponsor and Board of Trustees
J. Lee Milligan, Inc. 401(K) Plan and Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of J. Lee Milligan, Inc. 401(K) Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Sponsor and Board of Trustees
J. Lee Milligan, Inc. 401(K) Plan and Trust
Page two

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a) (3) (C) .

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of J. Lee Milligan, Inc. 401(K) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a) (3) (C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a) (3) (C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about J. Lee Milligan, Inc. 401(K) Plan and Trust's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of J. Lee Milligan, Inc. 401(K) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about J. Lee Milligan, Inc. 401(K) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

To the Plan Sponsor and Board of Trustees
J. Lee Milligan, Inc. 401(K) Plan and Trust

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of plan

The following description of the J. Lee Milligan, Inc. (the "Company") 401(K) Plan and Trust (the "Plan"), originally adopted effective January 1, 2003, and most recently amended and restated effective March 31, 2021, provides only general information. Effective September 1, 2009, Jagoe Public Company 401(K) plan was merged into J. Lee Milligan, Inc. 401(K) Plan and Trust because it is a wholly owned subsidiary of the Company. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Although not formally amended, the Plan sponsor applied requirements for the Setting Every Community up for Retirement Enhancement (SECURE) Act of 2020 and the Coronavirus Aid, Relief, and Economic Security (CARES) Act at the respective effective dates.

General

The Plan is a profit sharing and salary deferral (401(K)) defined contribution plan covering all employees of the Company who are age 18 or older and complete one year of service, except those covered by a collective bargaining agreement and nonresident aliens. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan operations

The Company is the sponsor of the Plan and has appointed certain individuals to serve as the Plan administrators. Fidelity Management Trust Company (the "Trustee") is the appointed trustee of the Plan and remained so through the years ended December 31, 2021 and 2020. The Trustee is responsible for holding the assets of the Plan, executing investment transactions and making disbursements.

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of plan (cont'd)

Amendment

The most recent Plan amendment was effective on March 31, 2021, to add clarifying language relating to the Plan's ability to use forfeitures to pay costs of administration. No change to net assets, both individually or in the aggregate, occurred as a result of this amendment.

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan, subject to certain limitations of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company may make matching contributions and non-elective discretionary contributions to the Plan at the option of the Company's Board of Directors. For the Plan years ended December 31, 2021 and 2020, the Company made matching contributions equal to 50% of each participant's elective deferral, limited to 6% of the participant's compensation. The Company's matching contribution is invested in mutual funds as directed by the individual participants.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of 1) the Company's matching contribution, and 2) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of plan (cont'd)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of accounts, plus actual earnings thereon, is based on years of continuous service. A participant is 20% vested after two years of service, increasing 20% per year until 100% vested after six years of credited service.

Investment options

All investments are self-directed. A participant may direct contributions to any of the various mutual funds offered within the Plan. The investment options that held participant balances and were available during 2021 and 2020 are listed in Note 3. Participants may change their investment options daily.

Participant loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the related participant's account and bear interest from 5.25% to 7.50%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, hardship distributions are permitted if certain criteria are met.

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of plan (cont'd)

Forfeitures

Forfeitures of the non-vested balance of participants' accounts are used to pay Plan expenses first, then reduce employer contributions to the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$6,606 and \$12,164, respectively. These accounts will be used to reduce future Plan expenses and employer contributions.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Participant loans

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. Summary of significant accounting policies (cont'd)

Investment valuation and income recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

Administrative expenses of the Plan are paid from forfeitures (see Note 1), by the Plan's trust fund, or by the Plan sponsor.

4. Plan termination

In the event of Plan termination, participants will become 100% vested in their employer contributions.

5. Tax status

The Plan is in a Volume-Submitter 401(K) Profit Sharing Plan which has received a letter from the Internal Revenue Service dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although, the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Transactions with parties in interest

Transactions with the Plan sponsor, Plan administrator, Company president, trustee, third party administrator and custodian, Plan counsel, auditor and employees are considered parties-in-interest. These transactions are exempt from the prohibited transaction rules of ERISA.

8. Fair value of financial instruments

Receivables

The carrying amount approximates fair value because of their short maturities or due dates.

Investments

The fair value of investments are based on quoted market prices for those of similar investments.

The framework for measuring fair value produces a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

8. Fair value of financial instruments (cont'd)

Investments (cont'd)

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- quoted inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at recurring fair value as of December 31:

	<u>Assets at fair value at December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Participant-directed interest bearing cash	\$ 977,839	\$ -	\$ -	\$ 977,839

J. LEE MILLIGAN, INC. 401(K) PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

8. Fair value of financial instruments (cont'd)

Investments (cont'd)

	<u>Assets at fair value at December 31, 2020</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Participant-directed interest bearing cash	\$ 952,275	\$ -	\$ -	\$ 952,275
Participant-directed mutual funds	<u>8,333,350</u>	<u>-</u>	<u>-</u>	<u>8,333,350</u>
	<u>\$9,285,625</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$9,285,625</u>

The fair value of participant loans approximates the amortized cost of the loans, because the loans are secured by each respective participant's account balance.

There have been no changes in methodologies used at December 31, 2021 and 2020.

10. Subsequent events

Subsequent events were evaluated through September 1, 2022, the date these financial statements were available to be issued.

Effective as of January 18, 2022, the Plan was formally amended to comply with provisions mandated by the Bipartisan Budget Act of 2018.
