Part I	Service Provider Information (see instructions)
---------------	--

You must complete this Part, in accordance with the instructions, to report the information required for **each person** who received, directly or indirectly, \$5,000 or more in total compensation (i.e., money or anything else of monetary value) in connection with services rendered to the plan or the person's position with the plan during the plan year. If a person received **only** eligible indirect compensation for which the plan received the required disclosures, you are required to answer line 1 but are not required to include that person when completing the remainder of this Part.

1 Information on Persons Receiving Only Eligible Indirect Compensation

- a** Check "Yes" or "No" to indicate whether you are excluding a person from the remainder of this Part because they received only eligible indirect compensation for which the plan received the required disclosures (see instructions for definitions and conditions)..... ☒ Yes ☐ No
- b** If you answered line 1a "Yes," enter the name and EIN or address of each person providing the required disclosures for the service providers who received only eligible indirect compensation. Complete as many entries as needed (see instructions).

(b) Enter name and EIN or address of person who provided you disclosures on eligible indirect compensation
FIDELITY INVESTMENTS INSTITUTIONAL

Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: PKF O'CONNOR DAVIES, LLP

(2) EIN: 27-1728945

d The opinion of an independent qualified public accountant is **not attached** because:

(1) ☐ This form is filed for a CCT, PSA, or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l.

During the plan year:

a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.).....

	Yes	No	Amount
4a		X	

	Yes	No	Amount
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)			
4b		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)			
4c		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)			
4d		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
4f		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4g		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?			
4h		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
4i	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)			
4j		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?			
4k		X	
l Has the plan failed to provide any benefit when due under the plan?			
4l		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)			
4m		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			
4n		X	

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? ☐ Yes ☒ No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

5b If, during this plan year, any assets or liabilities were transferred from this plan to another plan(s), identify the plan(s) to which assets or liabilities were transferred. (See instructions.)

5b(1) Name of plan(s)	5b(2) EIN(s)	5b(3) PN(s)

5c Was the plan a defined benefit plan covered under the PBGC insurance program at any time during this plan year? (See ERISA section 4021 and instructions.) ☐ Yes ☐ No ☐ Not determined
If "Yes" is checked, enter the My PAA confirmation number from the PBGC premium filing for this plan year _____.

SCHEDULE R (Form 5500) Department of the Treasury Internal Revenue Service Department of Labor Employee Benefits Security Administration Pension Benefit Guaranty Corporation	Retirement Plan Information This schedule is required to be filed under sections 104 and 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) and section 6058(a) of the Internal Revenue Code (the Code). ▶ File as an attachment to Form 5500.	OMB No. 1210-0110 2021 This Form is Open to Public Inspection.

Independent Auditors' Report

To the 401(k) Committee and Participants
Cambridge Systematics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Cambridge Systematics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500 – Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Cambridge Systematics, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document.

General

The Plan is a defined contribution profit sharing plan covering all employees of Cambridge Systematics, Inc. (the “Employer”), who are at least 21 years of age, except non-resident aliens, leased employees, and temporary employees (“Participants”). Temporary employees paid by the Employer become eligible to participate in the Plan after attaining 21 years of age and completing 1,000 hours of service during the Plan year. Employees may enter the Plan on the first day of each month coinciding with or immediately following the date on which they meet the eligibility requirements. Fidelity Management Trust Company (“FMTC”) provides asset custodian services for the Plan, and also serves as trustee for the Plan. Fidelity Workplace Services, LLC (“FWS” or the “Recordkeeper”), an affiliate of the trustee, provides recordkeeping services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Participant Deferral Contributions

Participant deferral contributions to the Plan are deferrals of the employee’s compensation. Each year, Participants may elect to defer up to 60% of eligible compensation, as defined by the Plan, not to exceed a dollar limit established under the Internal Revenue Code (the “IRC”). Participants may make pre-tax and Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

The Plan includes an automatic enrollment feature whereby all newly eligible employees will be automatically enrolled to defer 6% of eligible compensation on a pre-tax basis, as defined. Automatic enrollment deferrals are invested in the applicable target date retirement fund, as defined, based upon the employee’s birth date. A Participant may choose not to defer or may choose a different percentage once enrolled. The automatic pre-tax deferral election and the default investment option remains in effect until it is changed by the Participant.

Employer Matching Contributions

The Employer, at its discretion, may elect to contribute a matching contribution. A Participant is entitled to receive Employer matching contributions once enrolled in the Plan and making deferral contributions. For the year ended December 31, 2021, the Employer elected to make a matching contribution in an amount equal to 50 cents for each dollar contributed by Participants with maximum Employer matching contributions of 3% of their salary.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Nonelective Employer Contributions

The Employer, at its discretion, may make nonelective Employer contributions to the Plan, as determined by its Board of Directors. Nonelective Employer contributions are made under the participant group allocation method in which amounts are allocated at the Employer's discretion to up to six employee groups, as defined by the Plan. To be eligible for a nonelective Employer contribution, a participant must have completed at least 1,000 hours of service during the Plan year and be employed by the Employer on the last day of the Plan year. For the Plan year ended December 31, 2021, the Employer elected not to make nonelective Employer contributions.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, the respective Employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with an allocation of certain administrative expenses, if applicable. Allocations are based on Participant compensation, employee group, specific Participant transactions, or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions, and Employer contributions, plus allocated earnings thereon.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 and up to a maximum amount equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made or 50% of their vested account balance. Loan terms range from one to five years, or up to ten years if for the purchase of a primary residence. Loans are secured by the vested balance in the Participant's account and bear interest at a rate commensurate with local prevailing rates. A Participant may only have one loan outstanding at a time. Notes receivable from Participants, with interest rates ranging from 4.25% to 6.50% at December 31, 2021 and 2020, mature at various dates through 2030. Principal and interest are paid ratably through payroll deductions or by check if the employee has terminated employment. If a Participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the Participant's loan balance is reduced, and a benefit payment is made in accordance with the Plan document. On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was enacted and signed into law. The Plan administratively adopted the CARES Act provisions during 2020. Certain CARES Act provisions allowed qualified participants to increase their maximum loan amount to \$100,000 or 100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, retirement, or voluntary termination, a Participant or beneficiary may elect to receive a lump-sum distribution in an amount equal to the value of the Participant's vested interest in their account. If a Participant's vested balance is less than the amount specified by the IRC, \$5,000 as of December 31, 2021, the Plan administrator may distribute the benefit into an individual retirement plan. If the vested balance is less than \$1,000, the Plan administrator may distribute the benefit directly to the Participant in a lump-sum payment.

In-service withdrawals from a Participant's vested account balance are permitted upon reaching age 59½. A Participant may also elect to receive an in-service withdrawal of their vested account balance. In-service withdrawals of vested amounts attributable to Employer contributions are available only if a Participant has maintained the Employer contributions in their account for at least 24 months and has participated in the Plan for at least 60 months. In-service withdrawals are also permitted due to financial hardship and are subject to a \$500 minimum amount.

Expense Account

The Employer has a revenue sharing arrangement with FMTC that provides for an expense reimbursement to the Plan. These reimbursements are held in an ERISA expense account and are utilized to pay for certain Plan administrative expenses or are allocated amongst eligible participants. During the year ended December 31, 2021, the Plan received \$69,269 of expense reimbursements, and the Plan utilized \$12,500 to pay Plan administrative expenses. At December 31, 2021, unallocated amounts in the ERISA expense account totaled \$56,771. There were no unallocated amounts in the ERISA expense account at December 31, 2020.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual participant accounts are charged directly for loan recordkeeping and benefit disbursement processing fees, if applicable. Individual Participant accounts may also be charged with an allocation of administrative expenses, if not paid by the Employer.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (Continued)

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further information on fair value of investments.

Purchases and sales are recorded on the trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Loans to Participants are reported as notes receivable from Participants at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits

Benefit payments to Participants are recorded during the period in which they are paid.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could vary from the estimates that were used.

Note 3 - Information Prepared and Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FMTC has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as showing in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values, and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Consists of mutual funds registered with the Securities and Exchange Commission valued at the daily closing price as reported by the fund. These funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds	\$ 87,830,863	\$ -	\$ -	\$ 87,830,863
Self-directed brokerage accounts	<u>4,102,096</u>	<u>-</u>	<u>-</u>	<u>4,102,096</u>
Total investments, at fair value	<u>\$ 91,932,959</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 91,932,959</u>

Investments at Fair Value as of December 31, 2020

	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds	\$ 78,466,087	\$ -	\$ -	\$ 78,466,087
Self-directed brokerage accounts	<u>3,613,729</u>	<u>-</u>	<u>-</u>	<u>3,613,729</u>
Total investments, at fair value	<u>\$ 82,079,816</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 82,079,816</u>

Note 5 - Risk and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts and any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 7 - Party-in-Interest Transactions

Plan investments include shares of mutual funds and self-directed brokerage accounts managed by Fidelity Investments, an affiliate of FMTC. FMTC is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative expenses of \$9,334 were paid to FMTC or affiliates of FMTC during the year ended December 31, 2021. Notes receivable from Participants also qualify as exempt party-in-interest transactions as defined by ERISA.

Note 8 - Tax Status

The underlying volume submitter profit sharing plan with cash or deferred arrangements has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the IRC, is exempt from federal income taxes under Section 501(a) of the IRC and that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the date of these financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2021 or 2020.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through August 24, 2022, the date the financial statements were approved and authorized for issuance by management, and determined that there have been no subsequent events that would require recognition in, or disclosure in the notes to, the financial statements.

Independent Auditors' Report

To the 401(k) Committee and Participants
Cambridge Systematics, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Cambridge Systematics, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500 – Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule relates to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Cambridge Systematics, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document.

General

The Plan is a defined contribution profit sharing plan covering all employees of Cambridge Systematics, Inc. (the “Employer”), who are at least 21 years of age, except non-resident aliens, leased employees, and temporary employees (“Participants”). Temporary employees paid by the Employer become eligible to participate in the Plan after attaining 21 years of age and completing 1,000 hours of service during the Plan year. Employees may enter the Plan on the first day of each month coinciding with or immediately following the date on which they meet the eligibility requirements. Fidelity Management Trust Company (“FMTC”) provides asset custodian services for the Plan, and also serves as trustee for the Plan. Fidelity Workplace Services, LLC (“FWS” or the “Recordkeeper”), an affiliate of the trustee, provides recordkeeping services. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). All investments are participant-directed.

Participant Deferral Contributions

Participant deferral contributions to the Plan are deferrals of the employee’s compensation. Each year, Participants may elect to defer up to 60% of eligible compensation, as defined by the Plan, not to exceed a dollar limit established under the Internal Revenue Code (the “IRC”). Participants may make pre-tax and Roth contributions to their accounts. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may contribute amounts representing distributions from other qualified plans (“Participant Rollovers”).

The Plan includes an automatic enrollment feature whereby all newly eligible employees will be automatically enrolled to defer 6% of eligible compensation on a pre-tax basis, as defined. Automatic enrollment deferrals are invested in the applicable target date retirement fund, as defined, based upon the employee’s birth date. A Participant may choose not to defer or may choose a different percentage once enrolled. The automatic pre-tax deferral election and the default investment option remains in effect until it is changed by the Participant.

Employer Matching Contributions

The Employer, at its discretion, may elect to contribute a matching contribution. A Participant is entitled to receive Employer matching contributions once enrolled in the Plan and making deferral contributions. For the year ended December 31, 2021, the Employer elected to make a matching contribution in an amount equal to 50 cents for each dollar contributed by Participants with maximum Employer matching contributions of 3% of their salary.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Nonelective Employer Contributions

The Employer, at its discretion, may make nonelective Employer contributions to the Plan, as determined by its Board of Directors. Nonelective Employer contributions are made under the participant group allocation method in which amounts are allocated at the Employer's discretion to up to six employee groups, as defined by the Plan. To be eligible for a nonelective Employer contribution, a participant must have completed at least 1,000 hours of service during the Plan year and be employed by the Employer on the last day of the Plan year. For the Plan year ended December 31, 2021, the Employer elected not to make nonelective Employer contributions.

Participant Accounts

Each Participant's account is credited with the Participant's deferral contributions, the respective Employer contributions, an allocation of the Plan's investment earnings or losses, and is charged with an allocation of certain administrative expenses, if applicable. Allocations are based on Participant compensation, employee group, specific Participant transactions, or account balance, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are immediately vested in their deferral contributions, rollover contributions, and Employer contributions, plus allocated earnings thereon.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 and up to a maximum amount equal to the lesser of \$50,000 reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made or 50% of their vested account balance. Loan terms range from one to five years, or up to ten years if for the purchase of a primary residence. Loans are secured by the vested balance in the Participant's account and bear interest at a rate commensurate with local prevailing rates. A Participant may only have one loan outstanding at a time. Notes receivable from Participants, with interest rates ranging from 4.25% to 6.50% at December 31, 2021 and 2020, mature at various dates through 2030. Principal and interest are paid ratably through payroll deductions or by check if the employee has terminated employment. If a Participant ceases to make loan repayments and the Plan administrator deems the loan to be in default, the Participant's loan balance is reduced, and a benefit payment is made in accordance with the Plan document. On March 27, 2020, the Coronavirus Aid, Relief and Economic Security ("CARES") Act was enacted and signed into law. The Plan administratively adopted the CARES Act provisions during 2020. Certain CARES Act provisions allowed qualified participants to increase their maximum loan amount to \$100,000 or 100% of their vested balance for loans taken on or after March 27, 2020 and before September 23, 2020.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan (Continued)

Payment of Benefits

Upon termination of service due to death, disability, retirement, or voluntary termination, a Participant or beneficiary may elect to receive a lump-sum distribution in an amount equal to the value of the Participant's vested interest in their account. If a Participant's vested balance is less than the amount specified by the IRC, \$5,000 as of December 31, 2021, the Plan administrator may distribute the benefit into an individual retirement plan. If the vested balance is less than \$1,000, the Plan administrator may distribute the benefit directly to the Participant in a lump-sum payment.

In-service withdrawals from a Participant's vested account balance are permitted upon reaching age 59½. A Participant may also elect to receive an in-service withdrawal of their vested account balance. In-service withdrawals of vested amounts attributable to Employer contributions are available only if a Participant has maintained the Employer contributions in their account for at least 24 months and has participated in the Plan for at least 60 months. In-service withdrawals are also permitted due to financial hardship and are subject to a \$500 minimum amount.

Expense Account

The Employer has a revenue sharing arrangement with FMTC that provides for an expense reimbursement to the Plan. These reimbursements are held in an ERISA expense account and are utilized to pay for certain Plan administrative expenses or are allocated amongst eligible participants. During the year ended December 31, 2021, the Plan received \$69,269 of expense reimbursements, and the Plan utilized \$12,500 to pay Plan administrative expenses. At December 31, 2021, unallocated amounts in the ERISA expense account totaled \$56,771. There were no unallocated amounts in the ERISA expense account at December 31, 2020.

Plan Administration

The Employer is the Plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan. Individual participant accounts are charged directly for loan recordkeeping and benefit disbursement processing fees, if applicable. Individual Participant accounts may also be charged with an allocation of administrative expenses, if not paid by the Employer.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

NOTES TO FINANCIAL STATEMENTS

Note 2 - Summary of Significant Accounting Policies (Continued)

Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further information on fair value of investments.

Purchases and sales are recorded on the trade-date basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Loans to Participants are reported as notes receivable from Participants at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from Participants is recognized on the accrual basis of accounting. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payments of Benefits

Benefit payments to Participants are recorded during the period in which they are paid.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could vary from the estimates that were used.

Note 3 - Information Prepared and Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, FMTC has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants, as showing in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Form 5500 - Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021.

The Plan's independent auditors' did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements

Under GAAP, a framework for measuring fair values has been established to clarify the definition of those fair values, and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under GAAP are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Consists of mutual funds registered with the Securities and Exchange Commission valued at the daily closing price as reported by the fund. These funds are required to publish their daily NAV and to transact at that price. The mutual funds are deemed to be actively traded.

CAMBRIDGE SYSTEMATICS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 4 - Fair Value Measurements (Continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Investments at Fair Value as of December 31, 2021

	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds	\$ 87,830,863	\$ -	\$ -	\$ 87,830,863
Self-directed brokerage accounts	<u>4,102,096</u>	<u>-</u>	<u>-</u>	<u>4,102,096</u>
Total investments, at fair value	<u>\$ 91,932,959</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 91,932,959</u>

Investments at Fair Value as of December 31, 2020

	<u>Level I</u>	<u>Level II</u>	<u>Level III</u>	<u>Total</u>
Mutual funds	\$ 78,466,087	\$ -	\$ -	\$ 78,466,087
Self-directed brokerage accounts	<u>3,613,729</u>	<u>-</u>	<u>-</u>	<u>3,613,729</u>
Total investments, at fair value	<u>\$ 82,079,816</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 82,079,816</u>

Note 5 - Risk and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market volatility, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect Participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note 6 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants will become fully vested in their accounts and any unallocated assets of the Plan shall be allocated to Participant accounts and distributed in such a manner as the Employer may determine.

NOTES TO FINANCIAL STATEMENTS

Note 7 - Party-in-Interest Transactions

Plan investments include shares of mutual funds and self-directed brokerage accounts managed by Fidelity Investments, an affiliate of FMTC. FMTC is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Administrative expenses of \$9,334 were paid to FMTC or affiliates of FMTC during the year ended December 31, 2021. Notes receivable from Participants also qualify as exempt party-in-interest transactions as defined by ERISA.

Note 8 - Tax Status

The underlying volume submitter profit sharing plan with cash or deferred arrangements has received an opinion letter from the Internal Revenue Service, dated March 31, 2014, stating that the form of the Plan is qualified under Section 401(a) of the IRC, is exempt from federal income taxes under Section 501(a) of the IRC and that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and that the Plan is qualified and the related trust is tax-exempt as of the date of these financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. It is the Plan's policy to account for any uncertainties as described under the income tax laws. Under the income tax laws, the tax-exempt status of an entity is considered a tax position. No such uncertain tax positions have been recognized by the Plan as of December 31, 2021 or 2020.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

Note 9 - Subsequent Events

The Plan has evaluated subsequent events through August 24, 2022, the date the financial statements were approved and authorized for issuance by management, and determined that there have been no subsequent events that would require recognition in, or disclosure in the notes to, the financial statements.
