INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and Trustee
Medical Services Group - Department of Medicine
Profit Sharing Plan
Syracuse, New York

Opinion

We have audited the financial statements of Medical Service Group – Department of Medicine Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

MEDICAL SERVICES GROUP - DEPARTMENT OF MEDICINE
PROFIT SHARING PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Medical Services Group - Department of Medicine Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: All Medical Services Group - Department of Medicine (the "Plan Sponsor") employees are eligible to participate in the Plan when they have completed one month of service and have attained age 21. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustee Group is responsible for oversight of the Plan. The Benefits Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Trustee Group.

Contributions: The Plan Sponsor may make discretionary contributions to the Plan. Contributions are subject to limitations determined by the Internal Revenue Service (IRS) and are allocated among the participants as set forth in the Plan document. Discretionary contributions of $4,183,257 and $3,703,202 were recognized by the Plan in 2021 and 2020, respectively.

Upon enrollment in the Plan, participants must direct discretionary contributions among the investment options made available by the Plan. Participants may change their investment options at any time throughout the Plan year.

Participant Accounts: Each participant's account is credited with an allocation of discretionary contributions and Plan earnings and charged with an allocation of Plan losses. The allocation of discretionary contributions is based on a percentage of a participant's compensation. Plan earnings and losses are allocated based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting: Participants are fully vested in their account balances at all times.

Receivables--Notes From Participants: Participants may borrow from their vested accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Terms of the loans require repayment over a period not extending beyond five years from the date of the loan. Loans for the purchase of a residence have a thirty year term. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. Participants are permitted to have only one loan outstanding at a time. Principal and interest are paid ratably through payroll deductions.

NOTE A--DESCRIPTION OF THE PLAN--Continued

Receivables--Notes From Participants--Continued: On March 11, 2020, the World Health Organization declared the outbreak of the novel coronavirus ("COVID-19") as a global pandemic. In response to the pandemic, the Plan adopted the following provisions of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law on March 27, 2020 to help those participants impacted by the COVID-19 pandemic:

- Participants with an outstanding loan balance on or after March 27, 2020 may qualify to defer loan repayments until December 31, 2020 and may extend the term of the loan by one year.

- Between March 27, 2020 and September 22, 2020, participants may borrow at an increased maximum amount that does not exceed the lesser of: (1) $100,000 minus the difference between the highest outstanding loan balance during the last 12-consecutive-month period and the outstanding loan balance on the date the loan is made; or (2) 100% of the participant's vested account balance.

Payment of Benefits: Upon termination of service due to normal retirement, death, or disability, a participant may elect to receive an amount equal to the participant's account balance in either a lump-sum amount or installments if the participant is subject to lifetime minimum required distributions. If the participant's account balance is $5,000 or less, the account balance may only be distributed in a single lump sum amount. In the event of the termination of a participant's employment for any reason other than normal retirement, death or disability, the participant's vested account balance will become due and payable in a single lump-sum payment. If a participant's account balance exceeds $1,000, they must consent to the distribution before it may be made. If a participant's account balance is $1,000 or less, participant consent to the distribution is not required.

As a result of the CARES Act, as discussed above, the Plan implemented the following provisions:

- Participants are permitted to take a distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

- Participants and beneficiaries may elect to suspend required minimum distributions for the 2020 plan year.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodian. See Note D for discussion on fair value measurements. Purchases and sales of shares held in registered investment companies are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Receivables--Notes From Participants: Receivables--notes from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

No allowance for credit losses has been recorded at December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with corresponding reduction to employer contributions. The Plan distributed the excess contributions in 2021.

Payment of Benefits: Benefits are recorded when paid.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Administrative Expenses and Other Plan Operating Expenses: Certain operating expenses incurred in maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Expenses related to the administration of receivables--notes from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses and benefits paid to participants, respectively. Investment related expenses which reflect certain fees paid by the various investment funds to their affiliated investment advisors, transfer agents, and others as described in each fund's prospectus or other published documents are included in net appreciation of fair value of shares in registered investment companies in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Events Occurring After Report Date: Plan management has evaluated events and transactions that occurred between December 31, 2021 and September 19, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. There were no such events or transactions identified by Plan management.

NOTE C--INVESTMENTS

The Plan's investments are participant directed and held by Fidelity Institutional Brokerage Services ("Fidelity") in registered investment companies and interest-bearing cash. The following is a summary of the Plan's investments.

	December 31,	
	2021	2020
Participant directed investments, at fair value:		
Shares in registered investment companies	$77,815,582	$63,744,895
Interest-bearing cash	34,653	560
Total participant directed investments, at fair value	$77,850,235	$63,745,455

During 2021 and 2020, the Plan's investments, including investments bought, sold, and held during the year, earned interest and dividend income amounting to $5,403,273 and $2,501,449 and appreciated in value by $6,884,837 and $6,902,075, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares in registered investment companies: Valued at the daily closing price as reported by the registered investment companies. The registered investment companies are open-ended and are registered with the Securities and Exchange Commission. Registered investment companies are required to publish their daily net asset value and transact at that price. The shares held in registered investment companies are deemed to be actively traded.

Interest-bearing cash: The carrying amount of interest-bearing cash approximates fair value due to the nature of the instrument.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value December 31, 2021			
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	$ 77,815,582	$ -0-	$ -0-	$ 77,815,582

Total investments at fair value	$ 77,850,235	$ -0-	$ -0-	$ 77,850,235

	December 31, 2020			
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	$ 63,744,895	$ -0-	$ -0-	$ 63,744,895
Interest-bearing cash	560	-0-	-0-	560
Total investments at fair value	$ 63,745,455	$ -0-	$ -0-	$ 63,745,455

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan does not consider discretionary contributions made to the Plan or benefits paid by the Plan to be party in interest transactions. Transactions with Fidelity, the Plan custodian, qualify as party in interest transactions. Recordkeeping, audit and administrative services provided to the Plan are paid directly by the Plan Sponsor.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE G--TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan sponsored by Newport Group, Inc. (Newport Group), formerly Verisight, Inc. The Newport Group has received an advisory letter from the IRS as to the Volume Submitter Profit Sharing Plan's qualified status. The Volume Submitter Profit Sharing Plan advisory letter has been relied upon by this Plan. The Plan has been amended since adopting the Volume Submitter Profit Sharing Plan. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and the related trust continues to be tax-exempt at December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examination for years prior to 2018.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies. The investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

The ongoing impact of COVID-19 on the Plan's financial statements remains uncertain and will depend on future developments, including the duration of the outbreak, related advisories and restrictions. Plan management is not able at this time to estimate any potential impact on the Plan's financial statements.

NOTE I--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2021 and 2020 financial statements to the respective Form 5500:
