INDEPENDENT AUDITORS' REPORT

The Plan Administrator and Trustees
McNelly Services, 401(k) Plan
Lake Zurich, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of McNelly Services, 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ["ERISA Section 103(a)(3)(C) audit"]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from two qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 Financial Statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 Financial Statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4(a) – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of McNelly Services, 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MCNELLY SERVICES, 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the McNelly Services, 401(k) Plan provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution and profit-sharing plan sponsored by McNelly Services, Inc. ("the Company"). The Plan covers all employees who have reached 18 years of age and have completed 90 days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute up to the maximum dollar amount allowable as established by the Internal Revenue Service, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. A participant's compensation consists of total annual pay subject to income tax and earned income. Participants may also contribute amounts representing distributions or qualified rollovers from other retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers investment choices through Principal Trust Company and Principal Life Insurance Company, the custodians of the Plan's investments, that include pooled separate accounts, common/collective trusts, and mutual funds through various registered investment companies.

The Plan requires non-elective safe harbor matching contributions, equal to 100% of deferrals up to 3% of eligible compensation, and 50% of deferrals between 3% and 5% of eligible compensation. The Company made or accrued nonelective safe-harbor matching contributions totaling \$155,933 to the Plan for the year ended December 31, 2021.

The Plan also allows for discretionary profit-sharing contributions. The Company accrued discretionary profit-sharing contributions of \$72,000 for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, qualified rollover contributions, and allocations of the Company's discretionary profit-sharing contributions, if any; the Company's non-elective safe harbor matching contributions; and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based upon participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their salary deferral contributions and employer non-elective safe harbor matching contributions. Vesting in discretionary employer profit-sharing contributions is based upon years of continual service, as defined in the Plan. A participant is 100% vested after six years of service. In the event of plan termination, participants would immediately become 100% vested in their accounts.

MCNELLY SERVICES, 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (continued)

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Loan terms range from 1 to 5 years. The loans are secured by the balance in the participants' accounts and bear interest at rates ranging from 5.25% to 7.25% as of December 31, 2021. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of their vested account balance, or annual installments over the remaining life expectancy of the designated beneficiary. For termination of service due to other reasons, a participant may receive the value of their vested account balance as a lump-sum distribution. In addition, hardship withdrawals and in-service distributions are permitted if certain criteria are met.

Forfeitures

The Plan maintains a non-vested forfeiture account for each participant who is not fully vested and has terminated their employment with the Company. Participant forfeitures may be used to pay any administrative expenses or to reduce employer safe harbor or profit-sharing contributions. At December 31, 2021, there were no unallocated Plan assets resulting from forfeited non-vested accounts. At December 31, 2020, unallocated Plan assets resulting from forfeited non-vested accounts totaled \$6,493.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

MCNELLY SERVICES, 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition (continued)

Management fees and operating expenses charged to the Plan for investments in mutual funds, common/collective trusts, and pooled separate accounts are deducted from income earned on a daily basis and not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for loan losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the note receivable to be in default, the participant loan balance is reduced; and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Expenses paid by the Plan are allocated proportionately among the accounts of all participants in the Plan. Participant loan fees, distribution fees, and certain investment management fees are allocated directly to the applicable participant account. The Plan made direct payments for administration fees of \$35,687 for the year ended December 31, 2021.

CARES Act Provisions

Effective January 1, 2020, the Plan adopted the special Coronavirus-related distributions (“CRD”) in accordance with the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) for the period beginning January 1, 2020 and ending December 31, 2020. Qualified participants were permitted to take a CRD of up to \$100,000 from the Plan. Participants who took a CRD have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result. The Plan also waived minimum distributions requirements for any distribution required to be made in 2020.

The Plan also adopted the participant loan provisions under the CARES Act. Through September 22, 2020, qualifying participants could elect to receive a loan at an increased maximum amount that did not exceed the lesser of \$100,00 or 100% of the participant’s vested account balance. Qualified participants could also suspend all loan repayments through December 31, 2020, with repayments beginning again in January 2021.

No formal amendment was made during 2021 or 2020 related to these provisions; however, the Plan signed a letter of intent to amend the Plan for the CARES Act prior to December 31, 2022.

MCNELLY SERVICES, 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent Events

Management has evaluated subsequent events through September 20, 2022, the date on which the financial statements were available to be issued. There were no subsequent events requiring recognition or disclosure in these financial statements.

NOTE 3 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIANS

The following information included in the accompanying financial statements and supplemental information as of December 31 was obtained from data that has been prepared and certified to as complete and accurate by the custodians, Principal Trust Company and Principal Life Insurance Company, at both December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual funds	\$ -	\$ 2,506
Common/collective trusts	3,477,570	2,645,692
Pooled separate accounts	-	2,615
Notes receivable from participants	48,167	9,432

The custodians also certified the completeness and accuracy of \$463,635 of net appreciation in fair value of investments, and \$953 of interest income on notes receivables from participants, related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Codification 820, *Fair Value Measurements and Disclosures* (“ASC 820”), provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include the following:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

MCNELLY SERVICES, 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds (level 1): Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trusts: Units are valued using the NAV practical expedient of the common/collective trust (“CCT”) as reported by the CCT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CCT, minus its liabilities, and then divided by the number of units outstanding. The CCT may be redeemed at NAV daily without restrictions.

Pooled separate accounts: Pooled separate accounts (“PSA”) are privately managed through investment companies and are not publicly traded. PSA’s are comprised, primarily, of shares of registered investment companies held through sub-accounts of an insurance company. The PSA's are valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investment assets held through sub-accounts of a separate account of an insurance company. This practical expedient is not used when it is determined to be probable that the account will sell the investment for an amount different than the reported NAV. The Plan has concluded that the NAVs reported by the investment companies approximate the fair value of the investments. There are currently no redemption restrictions or unfunded commitments on these investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*Certain investments that were measured at NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in these tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments, at fair value line item presented in the statements of net assets available for benefits.

The following tables summarize investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS (continued)

Investments in the common/ collective trusts and pooled separate accounts can be redeemed immediately at the participant level and may occur each business day. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay the withdrawal from the Plan (specific to each redemption) in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Company may pay certain administrative expenses related to Plan operations to various service providers. In addition, employees of the Company provide administrative services to the Plan for which no fees are charged.

Notes receivable from participants also qualify as party-in-interest transactions under ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

NOTE 7 – TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the Internal Revenue Code (“IRC”). Although, the Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since the prototype plan was adopted; the plan administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. No assets or liabilities relative to uncertain tax positions are recorded as of December 31, 2021 and 2020. The Plan is subject to routine audits by taxing jurisdictions. However, as of December 31, 2021, there were no audits in progress for any open tax periods.

NOTE 8 – RISKS AND UNCERTANTIES

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate risk, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – RISKS AND UNCERTANTIES (continued)

The Plan is subject to risks associated with unforeseen or catastrophic events, including terrorist attacks, natural disasters, and the emergence of a pandemic, which could create economic disruptions both locally and globally. As an example, during 2020 and continuing through the issuance of these financial statements, the COVID-19 outbreak has resulted in a world-wide pandemic. Given the uncertainty of COVID-19's developing circumstances and outcomes, the future impacts are not quantifiable and could materially impact the Plan and its activities.

NOTE 9 – PROHIBITED TRANSACTIONS

The plan sponsor failed to deposit certain participant contributions within the required timeframe as stated by the Department of Labor ("DOL"). The DOL considers late deposits to be prohibited transactions as disclosed in the accompanying supplementary information. The plan sponsor intends to correct these deficiencies in 2022.
