To the Plan Administrator
Nordic Consulting Partners, Inc. 401(k) Plan
Madison, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Nordic Consulting Partners, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

1. Plan Description

The following description of the Nordic Consulting Partners, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Nordic Consulting Partners, Inc. (the Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors, Plan trustees and investment advisors are responsible for oversight of the Plan.

On February 1, 2021, the Employer acquired the assets of Bails and Associates, LLC. Effective December 16, 2021, employees of Bails and Associates, LLC were eligible to participate in the Plan and were enrolled at their elected deferral percentage. On January 20, 2022, total assets and loans of \$4,935,783 were transferred into the Plan from the merged Plan.

Eligibility

Employees are eligible to participate in the Plan for purposes of elective deferrals and Employer discretionary contributions. An employee shall become eligible to participate on the first day of the month following the date of hire.

Contributions

Each year participants may contribute pre-tax deferrals or Roth deferrals or a combination of both, up to the maximum percentage allowable, not to exceed certain limits, as defined in the Plan. Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Employer, as determined by the Board of Directors, may make a discretionary matching contribution in an amount equal to that percentage of each participant's elective deferral as determined by the Employer. The Employer contributed 25% of participant contributions, up to 8% of each participant's eligible compensation, as defined, to the Plan in 2021. In addition, the Employer, as determined by the Board of Directors, may make discretionary profit sharing contributions to the Plan. No discretionary profit sharing contributions were made during 2021. Contributions are subject to Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contributions and allocations of: (a) the Employer's profit sharing contributions; and (b) Plan earnings or losses and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements

Vesting

Participants are immediately vested in their salary reduction contributions, plus actual earnings thereon. Vesting in the discretionary Employer matching and profit sharing contribution portion of their accounts plus, actual earnings thereon, is based on periods of continuous service. Participants are 50% vested after one year of credited service and 100% vested after two years of service in the Employer discretionary contribution portions of their accounts. Participants who leave the Plan because of death or permanent disability, as defined in the plan document, are considered 100% vested.

Investment Options

Upon enrollment in the Plan, participants may direct the investment of their account balances into a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

Notes Receivable From Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have only one note outstanding at a time. Notes receivable are secured by the balance in the participant's account and bear an interest rate equal to 1% above the prime rate at the time the note is executed, with effective interest rates ranging from 4.25% to 6.50% at December 31, 2021. The length of the note may not exceed five years, except in the event that the loan relates to the purchase of a primary residence for which the length of the note may not exceed 20 years. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination of service for other reasons, a participant may elect to receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Installment payments are available for required minimum distributions only. The Plan allows in-service distributions after the attainment of age 59½ and for certain financial hardships.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$23,725 and \$120,633, respectively. These accounts may first be used to pay administrative expenses and then to reduce future employer contributions. During 2021, there were \$153,000 in forfeitures used to reduce employer contributions or administrative expenses.

Administrative Expenses

Administrative expenses are paid directly by the Plan.

Notes to Financial Statements

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (“CARES”) Act was enacted and signed into law. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Extended the period for loan repayments up to one year
- Suspended required minimum distributions for 2020

Plan management intends to formally amend the plan for these provisions by the last day of the first plan year beginning on or after January 1, 2025.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting, except for benefit payments, which are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Cash

Cash is held in a non-interest-bearing trust account that is recorded at cost.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s trustees determine the Plan’s valuation policies utilizing information provided by the investment custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Mutual Funds

Mutual funds represent investments with various investment managers. The fair values of these investments are determined by reference to the fund’s underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value (NAV) as of December 31, 2021 and 2020.

Nordic Consulting Partners, Inc. 401(k) Plan

Notes to Financial Statements

Common Collective Trust Fund

The common collective trust fund is stated at fair value. This investment is reported at the NAV of units of the common and collective trust fund. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments compromising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivables from participants are reclassified as distributions based on the terms of the plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Concentration of Credit Risk

At December 31, 2021, approximately 13%, 17%, and 23% of the Plan's assets were invested in Institutional Target Retirement 2055 Fund, Institutional Target Retirement 2045 Fund and Institutional Target Retirement 2050 Fund, respectively. At December 31, 2020, approximately 12%, 18%, and 24% of the Plan's assets were invested in Target Retirement 2055 Fund, Target Retirement 2045 Fund and Target Retirement 2050 Fund, respectively. A significant decline in the fair value of these mutual funds would significantly affect the net assets available for benefits.

3. Information Certified and Provided by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Fidelity Management Trust Company, certified that the following data included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

<i>December 31,</i>	2021	2020
Cash	\$ 6,312	\$ 6,311
Mutual funds, at fair value	109,431,752	87,184,996
Common collective trust fund	640,385	705,750
Notes receivable from participants	620,241	837,691
<i>Year ended December 31, 2021</i>		
Net appreciation in fair value of instruments		\$ 10,886,108
Interest and dividends		3,022,893
Interest income on notes receivable from participants		44,792

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related amounts included in the financial statements and ERISA-required supplemental schedule.

4. Fair Value Measurements

FASB Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 - Quoted prices in markets that are not considered to be active, or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Nordic Consulting Partners, Inc. 401(k) Plan

Notes to Financial Statements

There were no significant transfers between Level 3 assets during 2021 or 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value as of December 31, 2021 and 2020:

<i>December 31, 2021</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 109,431,752	\$ -	\$ -	\$ 109,431,752
Total investments included in fair value hierarchy	\$ 109,431,752	\$ -	\$ -	109,431,752
Investments measured at net asset value*				640,385
Total Investments, at fair value			\$	110,072,137
<i>December 31, 2020</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 87,184,996	\$ -	\$ -	\$ 87,184,996
Total investments included in fair value hierarchy	\$ 87,184,996	\$ -	\$ -	87,184,996
Investments measured at net asset value*				705,750
Total Investments, at fair value			\$	87,890,746

* The investment in the common collective trust fund is measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

Notes to Financial Statements

At December 31, 2021 and 2020, investments in certain entities calculate the net asset value per share as the investment's contract value measurement. The following tables provide an overview, by major category, of the nature and risks associated with such investments, as well as whether it's probable those investments will be sold at amounts different from their reported net asset value per share based on redemption restrictions, if any.

<i>December 31, 2021</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Fidelity Managed Income Portfolio Class II	\$ 640,385	\$ -	Daily	None

<i>December 31, 2020</i>	Fair Value	Unfunded Commitments	Redemption Frequency (if Currently Eligible)	Redemption Notice Period
Fidelity Managed Income Portfolio Class II	\$ 705,750	\$ -	Daily	None

5. Related Party and Party-in-Interest Transactions

The trustee performs administrative and recordkeeping services for the Plan and certain investments at December 31, 2021 and 2020, are mutual funds managed by the trustee. Fidelity Management Trust Company is the current trustee as defined by the Plan, and therefore, these transactions qualify as party-in interest transactions. Fees paid to the trustee or its affiliates were \$192,120 in 2021.

Notes receivable from participants, which are secured by the participant's account balance, also qualify as party-in-interest transactions.

Certain accounting and administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. In addition, the Employer pays certain outside administrative expenses of the Plan.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants' accounts will become fully vested and non-forfeitable.

Notes to Financial Statements

7. Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter, dated March 31, 2014, that the Plan is qualified and the related trust established under the Plan is tax-exempt under the applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter; however, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

8. Subsequent Events

The Plan's management has evaluated subsequent events through September 15, 2022, the date on which the financial statements were available to be issued.
