Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Administrator of the
Kaiser 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Kaiser 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Kaiser 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kaiser 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaiser 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kaiser 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kaiser 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year), as of or for the year ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

To the Plan Sponsor and Administrator of the
Kaiser 401(k) Profit Sharing Plan

We were engaged to audit the accompanying statement of net assets available for benefits (modified cash basis) of Kaiser 401(k) Profit Sharing Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the modified cash basis of accounting described in Note B; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note F, which was certified by John Hancock Life Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

A. Description of Plan:

The following description of the Kaiser 401(k) Profit Sharing Plan ("Plan") is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

1. *General* - The Plan is a defined contribution plan covering substantially all full-time employees of Kaiser Midwest, Inc. and Subsidiary (Company). All employees of the Company except union employees, leased employees, and non-resident aliens are eligible to participate in the Plan after completing six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted September 1, 1998 and was restated on September 1, 2015. The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.
2. *Contributions* – Upon meeting the eligibility requirements, participants may contribute up to 100% of their eligible compensation, as defined by the Plan, not to exceed \$19,500 for 2021, subject to certain discrimination tests prescribed by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Plan allows the Company to make discretionary matching contributions. For the year ended December 31, 2021, the Company made matching contributions equal to 50% of the amount deferred up to 6%. The Company matching contributions are invested as directed by the participant. During the year ended December 31, 2021, the Company made matching contributions of \$316,142.

The Company may make discretionary non-elective contributions to the Plan which are allocated to each participant's account based on their individual compensation as a percentage of total compensation. Employees qualify for the non-elective contributions if they complete 1,000 hours of service and they are employed on the last day of the plan year. During the year ended December 31, 2021, the Company made a non-elective contribution of \$2,000,000.

Participants may also contribute certain rollover amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain IRS limitations.

3. *Participant Accounts* - Each participant's account is credited with the participant's contributions, allocations of the Company's contribution, Plan earnings, and charged with an allocation of investment gains or losses, withdrawals, and administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. Description of Plan (Continued):

4. *Investments* – Upon enrollment in the Plan, participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. Participants are able to change their investment allocations daily.
5. *Vesting* - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Employees vest 20% per year after completing two years of service until becoming 100% vested after six years of credited service in accordance with the Plan document, or immediately if employment is terminated due to death, disability, or retirement upon the attainment of age 65.
6. *Payment of Benefits* - On termination of service for reason of death, a participant's account balance will be distributed by the end of the fifth year for all beneficiaries. For termination of employment for reasons other than death, the distribution may be made in a lump sum payment or in substantially equal annual or more frequent installments over a period not to exceed the joint life expectancy of you or your beneficiary or as partial distributions. The amount of the distribution will be the vested interest in his or her account.
7. *Forfeited Accounts* - Forfeitures of the Company's contributions may be used for any permissible method, including: to restore forfeitures, reduce Company contributions, or to pay plan expenses. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,467 and \$6,845, respectively. In 2021, employer contributions were reduced by \$41,299 from forfeited non-vested accounts.
8. *Notes Receivable from Participants* – The Plan permits participants to borrow from their account up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 less the highest outstanding loan balance during the previous twelve-month period. The maximum number of loans that a participant may have at any one time is one. Loan terms range from one to five years or up to the usual repayment period required by commercial lenders for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Current participant notes receivable bear interest at rates ranging from 4.25% to 6.25% which is commensurate with local prevailing rates. The interest rate in effect at the origination of the loan will remain in effect for the duration of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions. As of December 31, 2021 and 2020, the Plan had outstanding notes to participants with principal balances totaling \$269,682 and \$204,308, respectively.

A. Description of Plan (Continued):

9. *Coronavirus Aid, Relief and Economic Security (CARES) Act* – The Coronavirus Aid, Relief and Economic Security (CARES) Act was passed in March 2020 to provide various forms of temporary relief from economic damage stemming from the COVID-19 pandemic. In accordance with the CARES Act, the Plan permitted, through December 31, 2020, the suspension of required minimum distributions and allowed eligible Plan participants to elect penalty-free distributions of up to \$100,000 for qualifying coronavirus-related reasons. In addition, through September 22, 2020, qualifying participants could elect to receive a loan at an increased maximum amount that did not exceed the lesser of: (1) \$100,000 minus the highest outstanding loan balance during the last twelve-consecutive-month period and the outstanding loan balance on the date the loan is made; or (2) 100% of the participant's vested account balance.

In addition, the Plan also adopted the temporary loan repayment deferral provision of the CARES Act that allowed qualified participants who had Plan loan payments due between March 27, 2020 and December 31, 2020, to defer such payments for up to one year. The Plan administrator re-amortized the impacted loan to account for any payments that were suspended in 2020.

B. Summary of Accounting Policies:

Date of Management's Review - Subsequent events were evaluated through August 19, 2022, which is the date the financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.

Basis of Accounting - The financial statements of the Plan are prepared on the modified cash basis of accounting.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value as certified by John Hancock Life Insurance Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded when declared. Dividends and capital gains paid by pooled separate accounts are reinvested. The change in market value from year-to-year is reported as gains (losses) for the pooled separate account. Investment income exclusive of net appreciation or depreciation is not provided by the investment company and is not presented.

B. Summary of Accounting Policies (Continued):

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative fees and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021.

Payment of Benefits - Benefits are recorded when paid.

Administrative Expenses – Administrative expenses of the Plan are paid by the Plan, as provided in the Plan document. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the notes receivable from participants are charged directly to the participant's account. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

C. Fair Value Measurements:

Fair value measurements in accordance with current accounting standards, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets and liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by the correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Marble Hill, Missouri

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

C. Fair Value Measurements (Continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

Mutual Funds: Pooled separate accounts are part of a group annuity contract and are valued daily by the annuity provider using the daily closing price of the shares of the underlying mutual funds. Mutual funds held by the plan are required to publish their daily net asset value (NAV) and to transact at that price. Because the mutual funds held by the plan are valued at the closing price, they are not deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021			
	Total	Level 1	Level 2
Mutual Funds	\$ 53,012,272	\$ -	\$ 53,012,272
Total at Fair Value	<u>\$ 53,012,272</u>	<u>\$ -</u>	<u>\$ 53,012,272</u>

Assets at Fair Value as of December 31, 2020			
	Total	Level 1	Level 2
Mutual Funds	\$ 44,322,882	\$ -	\$ 44,322,882
Total at Fair Value	<u>\$ 44,322,882</u>	<u>\$ -</u>	<u>\$ 44,322,882</u>

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

D. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.

E. Federal Income Tax Status:

The Company has adopted a volume submitter profit sharing plan with CODA pre-approved by the Internal Revenue Service (IRS). The IRS issued an opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Company and the Plan administrator believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Certified Investments:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the trustee of the Plan).

G. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Reconciliation of Financial Statements to Schedule H of Form 5500:

The net assets available for benefits and the change in net assets available for benefits as reported in the financial statements agree with the net assets available for benefits and the change in net assets available for benefits per Schedule H of Form 5500.

I. Related Party and Party-in-Interest Transactions:

The Plan sponsor provides certain accounting and administrative services to the Plan for which no fees are charged. These transactions are exempt party-in-interest transactions.

The Plan auditors are considered a party-in-interest. All audit fees are paid by the Plan sponsor.

John Hancock Life Insurance Company administers the contract, provides investments to the Plan participants, and receives fees and commissions which totaled \$199,991 for the year ended December 31, 2021. These administrative fees were related to the administration of the Plan and were paid by the Plan. These transactions qualify as party-in-interest transactions.

Plan participants may borrow from their account balances. These loans are classified as notes receivable from participants in the statement of net assets available for benefits. Notes receivable from participants totaled \$269,682 and \$204,308 for the years ended December 31, 2021 and 2020, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

J. Subsequent Events:

For the year-ended December 31, 2021, the Company has evaluated subsequent events for potential recognition and disclosure through August 19, 2022, the date of financial statement issuance.

On January 30, 2020, the World Health Organization (“WHO”) announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the “COVID-19 outbreak”) and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As a result, economic uncertainties have arisen which have resulted in significant volatility in the investment markets. There has been a substantial decline in the value of investments as a result of this event. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

As of January 1, 2022, ERP Actuaries & Consultants d/b/a ERP Retirement Services has taken over most of the services of the Plan including preparing and filing of Form 5500, administration of distributions and loans, and maintaining the plan documents. John Hancock Life Insurance Company will still handle the recordkeeping of the Plan’s accounts.
