Independent Auditor's Report

The Plan Administrators
Shady Canyon Golf Club 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Shady Canyon Golf Club 401(k) Savings Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have

obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules presented on pages 13 and 14 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

The Plan Administrators
Shady Canyon Golf Club 401(k) Savings Plan

Report on Financial Statements

We were engaged to audit the accompanying financial statements of the Shady Canyon Golf Club 401(k) Savings Plan, which comprise the statements of net assets available for benefits as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Empower Retirement, the trustee of the plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Trustee holds the plan's investment assets and executed investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

SHADY CANYON GOLF CLUB 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Shady Canyon Golf Club 401(k) Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

General

The Plan is a defined contribution plan covering all eligible employees of the Shady Canyon Golf Club, Inc. (the "Club"), as defined in the Plan agreement. The Plan is designed to qualify under Section 401(k) of the Internal Revenue Code (the "Code"), as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Each year, participants may contribute a percent of their pretax annual compensation, as defined in the Plan and as permitted by the Internal Revenue Service. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Club may make discretionary contributions as authorized by its Board of Directors. The Club's matching contribution is in accordance with the requirements of a "Safe Harbor" plan.

Forfeited accounts

The Plan permits the employer to reduce its contributions or expenses by the amount of forfeitures, if any. At December 31, 2021 and 2020, no forfeited nonvested accounts exist.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Club's contribution, (b) Plan earnings, and (c) forfeitures of terminated participant's nonvested accounts, if any, and charged with an allocation of administrative expenses. Allocations are based on participant's earnings or account balance, as defined. The benefit which the participant is entitled is the benefit that can be provided from the participant's accumulated vested account.

Vesting

The Club voluntarily elected to fund the plan in accordance with the "Safe Harbor" provisions. Accordingly, Plan participants are immediately vested in the Club's contribution. The Club has not indicated that it intends to change this funding method but may do so at any time.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account. The loan interest rate is established from time to time in accordance with provisions of the Plan. Principal and interest is paid ratably through payroll deductions and recognized as income upon receipt by the Plan.

SHADY CANYON GOLF CLUB 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account, or annual installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Withdrawals of Contributions

A participant demonstrating a financial hardship may withdraw any amount of their account value consisting of the participant's contributions.

Investment Options

The Club maintains the retirement assets with an investment company that provides a selection of mutual funds. This company serves as custodian and Trustee of the Plan. Assets in the separate investment allocation account are held by the Trustee on behalf of the Plan in one or more of the Trustee's separate investment accounts.

The participants direct their account balances between the funds and may change their account distribution in accordance with the terms of the Trust agreement.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting and were reconciled or agreed to the Form 5500.

Investment Valuation and Income Recognition

Investment are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during- the year.

Payment of benefits

Benefits are recorded as paid.

Contributions Participant contributions are recorded in the period in which the Club makes payroll deductions from Plan participants. The Club's matching contribution is calculated and contributed at the same time the participants' contribution is made to the Plan.

SHADY CANYON GOLF CLUB 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2. Summary of Accounting Policies, continued

E. Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Club. Expenses that are paid by the Club are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

F. Estimates

The preparation of financial statements requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is a least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes can materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2020 or 2019.

I. Subsequent Events

The Plan has evaluated subsequent events through the date the financial statements were available to be issued, September 10, 2022. Due to various conditions within the United States of America and globally, the Plan's various investment securities have incurred significant declines in fair value since December 31, 2021. It is reasonably possible that these conditions have materially affected participants' account balances and may continue to impact the accounts into the future.

3. Information Prepared and Certified by Trustee

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan management instructed the plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Great-West Life & Annuity Insurance Company, the trustee of the plan, as complete and accurate, except for comparing such information certified by the trustee with information included in the plan's financial statements and supplemental schedules.

SHADY CANYON GOLF CLUB 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

3. Information Prepared and Certified by Trustee

The certified information as of and for the years ended December 31, is as follows:

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 11,544,985	\$ 10,632,165
Participant loans receivable	117,365	115,544
Net appreciation in fair value of investments	998,470	1,367,316
Dividend and interest income	485,985	214,892
Interest income on notes receivable from participants	5,102	6,711

4. Fair Value Measurements

The framework for measuring fair value provides fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value end. Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

SHADY CANYON GOLF CLUB 401(K) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements, continued

Accounting standards permit, as a practical expedient, the measurement of certain investments at their net asset value (NAV) per share. These investments are not included within the fair value hierarchy discussed above.

The following table set the methodology for valuation of the Plan's assets at fair value and was derived from information certified as complete and accurate by the Plan's Trustee:

	<u>Level 1</u>	<u>Practical Expedient NAV</u>	<u>Total</u>
<u>At December 31, 2021</u>			
Mutual Funds:			
Balanced and growth funds	\$ 2,638,353		2,638,353

	<u>\$ 10,261,228</u>	<u>1,283,757</u>	<u>11,544,985</u>

	<u>Level 1</u>	<u>Practical Expedient NAV</u>	<u>Total</u>
<u>At December 31, 2020</u>			
Mutual Funds:			
Balanced and growth funds	\$ 2,241,452		2,241,452
Other funds	775,021		775,021
Index funds	6,061,171		6,061,171
Fixed income and collective trusts		1,554,521	1,554,521
	<u>\$ 9,077,644</u>	<u>1,554,521</u>	<u>10,632,165</u>

4. Investments at Contract Value

The Plan may invest in benefit-responsive investment contracts issued by insurance companies and other financial institutions ("Contract"). If the Contract meets the fully benefit-responsive investment contract criteria it would be reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events

NOTES TO FINANCIAL STATEMENTS

4. Investments at Contract Value, continued

that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

5. Income Tax Status

The Internal Revenue Service has determined and informed the Trustee of the Plan that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code ("the Code"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

The Plan is subject to routine tax audits by taxing jurisdictions. There are currently no audits for any tax periods in progress. The Plan is subject to exam by authorities for the preceding four years.

6. Plan Termination

Although it has not expressed any intent to do so, the Club has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100 percent vested in their accounts.

7. Related-Party Transactions and Party-in-interest

Certain plan investments are shares of mutual funds managed by and Empower Retirement. Empower Retirement is the Trustee and record keeper. Therefore, these transactions qualify as party-in-interest transactions. Administrative fees presented on the accompanying statement of changes in net assets were paid to the related parties.

8. COVID -19

The Plan was amended in May 2020 to adopt the provisions in the Coronavirus Aid, Relief, and Economic Security ("CARES") Act that was signed into law on March 27, 2020. The distribution provision allowed Plan participants to take a COVID-19 related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The loan repayment provision allowed qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020. The loan provision increased the Plan loan limit to the lesser of \$100,000 or 100% of the participant's vested balance. The Required Minimum Distribution ("RMD") provision allowed suspension of RMDs in 2020.
