Pitt Ohio Express, LLC Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank (investment information) or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the 2021 Financial Statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the 2021 Financial Statements. In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the 2021 Financial Statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies or Plan Sponsor). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Upon reaching the age of 55, participants may direct their investment in employer contributions. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit-sharing contributions after completing one-half year of service and the attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit-sharing contribution.

On January 1, 2020, the Plan amended its hardship distribution rules. Participants are no longer required to suspend contributions for a period of six months following a hardship distribution. The amendment also redacted the requirement that participants must present formal proof of a hardship event. Participants are now only required to demonstrate in writing their hardship event.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. The Plan also allows for in Plan Roth conversions. Nonelective employer profit-sharing contributions are subject to approval by the Compensation Board of the Companies and limitations established by the IRC. The nonelective employer profit-sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 6% nonelective employer profit-sharing contribution in 2021 approximating \$12,147,000. The Companies did not make a nonelective employer matching contribution during 2021. In addition, participants over the age of 50 are permitted an additional "catchup" contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0 %
2 years but less than 3	20
3 years but less than 4	40
4 years but less than 5	60
5 years but less than 6	80
6 years or more	100

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. The minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate at the time of the loan as published in the Wall Street Journal plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions. During 2020, the Plan elected to adopt provisions of the Coronavirus Aid, Relief and Economic Security Act (CARES Act). Accordingly, the Plan increased the maximum loan amount to the lesser of \$100,000 or 100% of the participant-directed account balance for loans taken between March 27, 2020 and September 23, 2020. In addition, participants who had loans due from March 27, 2020 through December 31, 2020 can delay their repayments and extend the term for up to one year.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

During 2020, the Plan elected to adopt the hardship provision associated with the CARES Act for participant-directed accounts, under which the additional 10% tax for early withdrawals is waived for hardship distributions related to participants diagnosed with COVID-19, participants with a spouse or dependent diagnosed with COVID-19 and participants who have experienced adverse financial consequences as a result of COVID-19. Participants who meet one of these requirements may withdraw up to \$100,000, spread the tax on the income due to the distribution over three years and repay the amount to the Plan over the next three years.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. The net appreciation in the fair value of investments consists of the realized gains and losses and the unrealized appreciation on these investments during the year. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Participant and Employer Contribution Receivable - Contributions from the employer and participants are accrued in the period in which they become obligations in accordance with the Plan document.

Forfeitures - At December 31, 2021 and 2020, net assets available for benefits included unallocated forfeitures of approximately \$250,000 and \$172,000, respectively. Forfeitures are used to reduce profit-sharing contributions. In 2021 and 2020, the amounts of forfeited nonvested accounts applied against the profit-sharing contributions for the Plan year end was approximately \$225,000 and \$154,000, respectively.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, which are included in administrative expenses in the statement of changes in net assets available for benefits, while others are paid for by Pitt Ohio Express, LLC, which are excluded from these financial statements.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee of the Plan, Reliance Trust Company.

NOTE 4 - PLAN TERMINATION

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants become 100% vested in their accounts. In 2022, the Plan had a partial plan termination related to the sale of ECM Transport. (See Note 9.)

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a volume submitter profit-sharing plan through Empower, the recordkeeper of the Plan. The IRS has determined and informed Empower, by a letter dated June 30, 2020, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$560,000 to a related party in 2021 for investment management and participant education services.

Certain plan investments are managed by Empower (formerly Mass Mutual), the recordkeeper of the Plan therefore these transactions qualify as party-in-interest transactions.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2021 and 2020, and the investment can be redeemed without restriction.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy, are as follows:

2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 155,798,839	-	-	\$ 155,798,839
Total assets in the fair value hierarchy	\$ 155,798,839	-	-	155,798,839
Investments measured at NAV (a)				203,727,411
Investments at fair value				\$ 359,526,250

2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 135,901,444	-	-	\$ 135,901,444
Total assets in the fair value hierarchy	\$ 135,901,444	-	-	135,901,444
Investments measured at NAV (a)				181,355,943
Investments at fair value				\$ 317,257,387

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through September 22, 2022, the date the financial statements were issued, and determined there have been no events that occurred that would require adjustments to disclosures in the financial statements except for the matters described in the following paragraphs.

NOTE 9 - SUBSEQUENT EVENTS (Continued)

Effective April 1, 2022, a portion of the Plan related to ECM Transport transferred into another qualifying plan, resulting in a partial plan transfer. As ECM Transport employees were not eligible for profit sharing contributions, all balances were employee contributions and were 100% vested at the date of transfer.

Effective August 15, 2022, the Plan was amended to allow employees of Teal's Express, Inc. to participate in the Plan.

If the plan offers an asset allocation plan investment option that is composed of component investments listed on the Schedule of Assets for Schedule H, line 4i: (i) there is no issuer of this plan investment option so column (b) will be left blank on the line that describes the plan investment option and the issuer of each component investment will be listed; and (ii) a cost for the plan investment option will be reported which is an aggregate of the cost of each of the component investments so no cost will be reported for the components.

Schedule C Soft Dollar Compensation Eligible Indirect Compensation (“EIC”) Statement

Mutual fund investments with a retirement plan (whether held directly or indirectly through a separate investment account) can have soft dollar arrangements pursuant to which the investment advisor or sub-advisor of the mutual fund (and/or its affiliates) may direct trades to certain brokers in exchange for research and other services. The Securities and Exchange Act of 1934 contains guidance regarding the use of soft dollar arrangements.

For plans that invest directly or indirectly in the MassMutual Funds, soft dollar compensation is disclosed on the Schedule C and the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, a Schedule C Soft Dollar Compensation Disclosure Attachment is provided and should be filed along with the Form 5500.

For additional information regarding soft dollar compensation, refer to the respective mutual fund’s Statement of Additional Information (“SAI”) for details regarding brokerage allocation and other practices.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank (investment information) or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the 2021 Financial Statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the 2021 Financial Statements. In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the 2021 Financial Statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies or Plan Sponsor). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Upon reaching the age of 55, participants may direct their investment in employer contributions. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit-sharing contributions after completing one-half year of service and the attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit-sharing contribution.

On January 1, 2020, the Plan amended its hardship distribution rules. Participants are no longer required to suspend contributions for a period of six months following a hardship distribution. The amendment also redacted the requirement that participants must present formal proof of a hardship event. Participants are now only required to demonstrate in writing their hardship event.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. The Plan also allows for in Plan Roth conversions. Nonelective employer profit-sharing contributions are subject to approval by the Compensation Board of the Companies and limitations established by the IRC. The nonelective employer profit-sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 6% nonelective employer profit-sharing contribution in 2021 approximating \$12,147,000. The Companies did not make a nonelective employer matching contribution during 2021. In addition, participants over the age of 50 are permitted an additional "catchup" contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions and earnings thereon. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit-sharing contributions and earnings thereon based on the following vesting schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0 %
2 years but less than 3	20
3 years but less than 4	40
4 years but less than 5	60
5 years but less than 6	80
6 years or more	100

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. The minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate at the time of the loan as published in the Wall Street Journal plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions. During 2020, the Plan elected to adopt provisions of the Coronavirus Aid, Relief and Economic Security Act (CARES Act). Accordingly, the Plan increased the maximum loan amount to the lesser of \$100,000 or 100% of the participant-directed account balance for loans taken between March 27, 2020 and September 23, 2020. In addition, participants who had loans due from March 27, 2020 through December 31, 2020 can delay their repayments and extend the term for up to one year.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

During 2020, the Plan elected to adopt the hardship provision associated with the CARES Act for participant-directed accounts, under which the additional 10% tax for early withdrawals is waived for hardship distributions related to participants diagnosed with COVID-19, participants with a spouse or dependent diagnosed with COVID-19 and participants who have experienced adverse financial consequences as a result of COVID-19. Participants who meet one of these requirements may withdraw up to \$100,000, spread the tax on the income due to the distribution over three years and repay the amount to the Plan over the next three years.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan administrator in the preparation of the accompanying statements of net assets available for benefits and related statement of changes in net assets available for benefits and the related notes to the financial statements (financial statements) follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. The net appreciation in the fair value of investments consists of the realized gains and losses and the unrealized appreciation on these investments during the year. Dividends are recorded on the ex-dividend date.

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Participant and Employer Contribution Receivable - Contributions from the employer and participants are accrued in the period in which they become obligations in accordance with the Plan document.

Forfeitures - At December 31, 2021 and 2020, net assets available for benefits included unallocated forfeitures of approximately \$250,000 and \$172,000, respectively. Forfeitures are used to reduce profit-sharing contributions. In 2021 and 2020, the amounts of forfeited nonvested accounts applied against the profit-sharing contributions for the Plan year end was approximately \$225,000 and \$154,000, respectively.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, which are included in administrative expenses in the statement of changes in net assets available for benefits, while others are paid for by Pitt Ohio Express, LLC, which are excluded from these financial statements.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the trustee of the Plan, Reliance Trust Company.

NOTE 4 - PLAN TERMINATION

The Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants become 100% vested in their accounts. In 2022, the Plan had a partial plan termination related to the sale of ECM Transport. (See Note 9.)

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a volume submitter profit-sharing plan through Empower, the recordkeeper of the Plan. The IRS has determined and informed Empower, by a letter dated June 30, 2020, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$560,000 to a related party in 2021 for investment management and participant education services.

Certain plan investments are managed by Empower (formerly Mass Mutual), the recordkeeper of the Plan therefore these transactions qualify as party-in-interest transactions.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2021 and 2020, and the investment can be redeemed without restriction.

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy, are as follows:

		2021			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	155,798,839	-	-	\$ 155,798,839
Total assets in the fair value hierarchy	\$	155,798,839	-	-	155,798,839
Investments measured at NAV (a)					203,727,411
Investments at fair value					\$ 359,526,250
		2020			
		Level 1	Level 2	Level 3	Total
Registered investment companies	\$	135,901,444	-	-	\$ 135,901,444
Total assets in the fair value hierarchy	\$	135,901,444	-	-	135,901,444
Investments measured at NAV (a)					181,355,943
Investments at fair value					\$ 317,257,387

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

NOTE 9 - SUBSEQUENT EVENTS

Subsequent events are defined as events or transactions that occur after the statement of net assets available for benefits date, but before the financial statements are issued or are available to be issued. Management has evaluated subsequent events through September 22, 2022, the date the financial statements were issued, and determined there have been no events that occurred that would require adjustments to disclosures in the financial statements except for the matters described in the following paragraphs.

NOTE 9 - SUBSEQUENT EVENTS (Continued)

Effective April 1, 2022, a portion of the Plan related to ECM Transport transferred into another qualifying plan, resulting in a partial plan transfer. As ECM Transport employees were not eligible for profit sharing contributions, all balances were employee contributions and were 100% vested at the date of transfer.

Effective August 15, 2022, the Plan was amended to allow employees of Teal's Express, Inc. to participate in the Plan.
