Lowe Automotive Warehouse, Inc. 401(k) Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Lowe Automotive Warehouse, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of December 31, 2021, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of ABC Company 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

WOLFF & TAYLOR
Independent Auditor's Report

**To the Board of Directors of the
Lowe Automotive Warehouse, Inc. 401(k) Plan**

We were engaged to audit the accompanying statement of net assets available for benefits of Lowe Automotive Warehouse, Inc. 401(k) Plan as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Reliance Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

LOWE AUTOMOTIVE WAREHOUSE, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Lowe Automotive Warehouse, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was adopted January 1, 1997.

Contributions and Vesting. Each year, participants may contribute up to 15 percent of pretax annual compensation, as defined in the Plan. The Company may make discretionary matching contributions at the option of the Company's board of directors. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company has elected to make matching "safe harbor" contributions. Participants are immediately vested in both their contributions plus actual earnings thereon and the Company's matching contributions plus actual earnings thereon. Participants become 100% vested in non-elective contributions as stipulated by the Plan after 6 years of credited service.

Benefits. On termination of service due to death, disability, retirement or any other reason, a participant will receive a lump-sum amount equal to the value of the vested account.

Investments Contributions to the Plan are invested in registered investment companies (mutual funds) and collective investment trusts issued by Reliance Trust Company (Notes 4 and 5). Various registered investment companies (mutual funds) and a collective trust fund are available at the participants' option. Participants may change their investment elections at any time as defined by the Plan.

Participant Accounts. Individual accounts are maintained for each of the Plan's participants to reflect the participant's share of the Plan's earnings, appreciation or depreciation in fair market value, employer's contribution, and the participant's contribution. Allocations are based on participant account balances, as defined.

Notes Receivables from Participants. Participants may borrow from their fund accounts as provided by the Plan document. Interest is charged at the current prime rate plus two percentage points. Interest rates on outstanding loans as of December 31, 2021 ranged from 4.25% to 6.25%, and loans are required to be repaid within five years through payroll deductions, unless otherwise stipulated by the Plan.

Forfeited Accounts. December 31, 2021 and 2020 forfeitures were \$0. Forfeited accounts, if any, are used to reduce future Company contributions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**LOWE AUTOMOTIVE WAREHOUSE, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Investment Valuation

Investments are reported at fair value (see Note 3), except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because the contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Income Recognition

Purchases, sales, and dividends are recorded on the Plan's records when recorded by the registered investment company and/or common/collective trusts. The difference between the cost and market value from one period to the next is recognized as net appreciation (depreciation) in fair value of investments in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Costs

All major administrative costs of the Plan have been paid for by the Company.

Date of Management's Review

Subsequent events were evaluated through September 21, 2022, which is the date the financial statements were available to be issued.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

LOWE AUTOMOTIVE WAREHOUSE, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Mutual funds are reported at fair value based on the quoted market price of the fund and are classified within Level 1 of the valuation hierarchy.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,561,566	\$ -	\$ -	\$ 14,561,566
Investments at fair value	<u>\$ 14,561,566</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,561,566</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 12,539,589	\$ -	\$ -	\$ 12,539,589
Investments at fair value	<u>\$ 12,539,589</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,539,589</u>

During the years ended December 31, 2021 and 2020, there were no transfers between levels.

NOTE 4 – INVESTMENT CONTRACT WITH RELIANCE TRUST COMPANY

The Plan a has fully benefit-responsive investment contract with Reliance Trust Company.

The objective of a stable value fund is to preserve capital and achieve a competitive level of income over time. In addition, it strives to maintain a \$1 per unit price but cannot assure it will do so. The fund uses a wrapper contract to maintain a constant net asset value and to protect the fund in extreme circumstances. The wrap issuer agrees to pay the difference between the contract value and market value of the covered assets once the fund's market value has been totally exhausted.

Reliance Trust Company maintains the contributions in a general account and serves as the trustee and investment manager. The account is credited with earnings on the underlying investments and charged for participants withdrawals and administrative expenses. This fund is not FDIC-insured or registered with the Securities and Exchange Commission.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract.

LOWE AUTOMOTIVE WAREHOUSE, INC. 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 – INVESTMENT CONTRACT WITH RELIANCE TRUST COMPANY (CONTINUED)

Contract value, as reported to the Plan by Reliance Trust Company, is equal to the sum of all the benefits owed to participants in the fund. For a particular participant in the fund, contract value is equal to the sum of that participant's invested principal plus all accrued interest. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The value of the investment contracts at December 31, 2021 and 2020 were \$1,112,518 and \$919,011, respectively. The crediting interest rate is the discount rate that equates that estimated future market value with such portfolio's current contract value. Effective August 2009, crediting rates are reset monthly, prior to August crediting rates were reset quarterly. The wrap contracts provide a guarantee that the crediting rate will not fall below 0%.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) the Plan's failure to qualify under Section 401(a) or Section 401(k) of the Internal Revenue Code, (2) the establishment of a defined contribution plan that competes with the Plan for employee contributions, (3) any substantive modification of the Portfolio or the administration of the Portfolio that is not consented to by the wrap issuer, (4) any change in law, regulation or administrative ruling applicable to the Plan that could have a material adverse effect on the Portfolio's cash flow, (5) any communication given to unitholders by the Plan Sponsor, any other plan fiduciary or Reliance Trust Company that is designed to induce or influence unitholders not to invest in the Portfolio or to transfer assets out of the Portfolio, (6) any transfer of assets from the Portfolio directly to a competing investment option, or (7) withdrawals initiated by the Plan Sponsor will normally be provided at contract value as soon as practicable within twelve months following written notice to the Trustee. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying statements and supplemental schedule was obtained from the data that has been prepared and certified to as complete and accurate by the trustee, Reliance Trust Company:

- 1) Investments at fair value as shown in the Statements of Net Assets Available for Plan Benefits as of December 31, 2021 and 2020.
- 2) Investment Income, including interest and dividends earned and net appreciation (depreciation) in the fair value of investments, as shown in the Statements of Changes in Net Assets Available for Plan Benefits for the years ended December 31, 2021 and 2020.
- 3) Assets held for investment purposes as shown in the schedule of Assets (Held at End of Year) as of December 31, 2021.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan and all liabilities with respect to participants and their beneficiaries and administrative expenses shall be paid in full.

NOTE 8 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and Plan management believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt. Furthermore, the plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – PARTY-IN-INTEREST TRANSACTIONS

Administrative expenses of the Plan are reimbursed by the Plan Sponsor and amounted to approximately \$33,696 for the year ended December 31, 2021, which is included as other income on the statement of changes in net assets available for benefits.
